### Summary of Expertise

Experienced 44-year police professional in areas of use of force, internal affairs, officer-involved shootings, supervision, wrongful convictions, police pursuits, practice, policy, discipline, mental health, auditing, staffing analysis, organizational assessments, investigations, and training. 34 years as an active law enforcement officer and ten of those years as chief of police of a 340 sworn/non-sworn municipal police department.

On-going experience for the past 9-years as a police practice consultant providing Federal Court-Appointed expertise in police Consent Decrees and a United States Department of Justice Civil Rights Division Police Consultant regarding police use of force. Expert in applying constitutional standards, state law, policy, practice, and training to police incidents. Retained in plaintiff and defense litigation incidents. Court approved expert in state and federal civil/ criminal trials. Court approved in the U.S. Virgin Islands, Louisiana, New Mexico, Illinois, Iowa, and New York. Experienced in deposition and trial testimony.

Instructs courses on police use of force, internal affairs, discipline, and risk-management issues. Performs police management assessments on staffing, operations, policy, auditing, investigations, and training.

Author of July 2023 release – “Managing the Blue Line.” The book focuses on how to implement, audit, and sustain effective policing standards, while policing the police.

President and Interim Executive Director, Americans for Effective Law Enforcement (AELE). Since formed in 1966, AELE is a research-driven educational organization that produces and disseminates legal information through traditional seminars, via electronic media and direct contact.

### Employment

Rockford University  
Adjunct Faculty – Criminal Justice  
Fall 2024 – Fall 2025

This survey course provides students with an introduction to the concepts, phenomena, and issues of concern in the scientific study of crime and justice practices. It provides the student

with an overview of nature, dynamics, and etiological theories of crime and criminal behavior as well as the structure and operation of each of the principal components of the Criminal Justice System (i.e., police, courts, and corrections). Special emphasis given to current research findings in crime policy and criminal practice.

Ohio State University/ Moritz College of Law

April 2024 – present

Assisting the Divided Community Project, Department of Justice Community Oriented Policing Office, and Community Relations Service as a subject – matter expert in the review and implementation of enhanced and new planning guides for community, law enforcement, and elected officials in the areas of conflict and aftermath of an officer-involved shooting.

May 19, 2021 – December 2022

- Appointed as Interim Court Monitor of the U.S. Virgin Islands Police Department.
- Collaborated with a team of court –appointed professionals in assessing compliance with Consent Decree requirements.
- Overall responsibility of overseeing compliance with the consent decree mandates.
- Ensure compliance with U.S. Constitutional Standards regarding use of force, officer-involved shootings, and citizen complaints.

United States Federal District Court – Appointed Court Monitor

July & December 2015 - Present

- Appointed to the Federal U.S. District Court Consent Decree Monitoring Team of the U.S. Virgin Islands and New Orleans Police Departments.
- Collaborate with a team of court –appointed professionals in assessing compliance with Consent Decree requirements.
- Specific duties of monitoring team are a police practices expert with focus on police use of force, police complaints, shootings, training, auditing and other standards of Constitutional Policing practices and procedures.

Police Practice Consultant

2015 - Present

- Police practice and policy consultant, expert witness, and speaker on police practices.
- Specialized focus on assessment of police use of force, officer-involved shootings, conducting investigations of police misconduct, policy review, analysis of data, audits of internal affairs, review of police reports, and private security matters.
- Trainer on reporting, investigating, and review of police use of force, internal affairs, and risk management. Provide organizational management assessment for police departments relating to operational staffing analysis, 911 Centers, data management, investigations, and support services.

## Rockford Police Department, Rockford II

1985 - 2015

- 1985-1995 Patrol & Field Training Officer. Trained over 20+ new recruits in the integration of the police academy training and the operations of the police department.
- 1995-2002 Promoted to the rank of Sergeant. Served as a Field and Administrative Sergeant.
- 2002-2003 Promoted to the rank of Lieutenant. Served as the department's compliance officer and implemented a new records management reporting system.
- 2003-2006 Promoted to Deputy Chief of Administration and Personnel. Responsible for all administrative matters – records, budget, property & evidence/personnel matters – recruiting, hiring, and training.
- Appointed Chief of Police on April 10, 2006. More than 40 years of progressive police experience in law enforcement community policing, police reforms, and contemporary policing practices. Experience in every rank of the organization: deputy chief, lieutenant, sergeant, patrol officer, and police cadet. Assignments include operations, personnel, administration, compliance, and technological advancement.
- Collaborated closely with the Mayor, City Council, City Staff, community, and outside law enforcement agencies in a collaborative method to address crime reduction.
- Awarded initial Accreditation on Commission on Law Enforcement Agencies (CALEA) in 2009. Re-Accreditation in 2011 and 2014. Comply with over 450 policing standards, such as personnel, operations, risk management, evidence & property, staff development, use of force and racial profiling.
- Served as Interim Accreditation Manager, at the same time as chief of police.
- Implemented a Constitutional Policing Use of Force Accountability Management process –
  - lesson plans
  - training
  - policy
  - supervisory use of force investigations
  - use of force review board
  - audits
  - mediation
  - open complaint process, and community meetings discussing use of force
  - used contemporary technology to monitor and track agency uses of force
  - police use of force incidents and excessive force complaints dramatically reduced over the years as chief of police
- Purchased and implemented a use of force simulator system.
- The system allowed:
  - officers to train under a controlled use of force environment.
  - allowed officers to realize when shot with a simulator device.
  - allowed to insert canned and actual police-related incidents.
- Led effective organizational reform and community policing efforts, which increased public trust and confidence.
- Implemented a Police Chief's Advisory Board, Youth Police Academy, Police-Clergy Dialogue and Citizen's Police Academy to engage the community in

- effective problem-solving, strengthening community relationships and transparency.
- Implemented an Early Intervention System to monitor police-related performance and risk management issues.
    - Use of Force
    - Citizen Complaints
    - Police Pursuits
    - K9 Bites
  - Provided leadership in the implementation of the Winnebago County – Boone County Integrity Task Force. Task Force purpose is to provide a neutral third-party investigation of officer-involved shootings, serious uses of force, and other investigations warranting an independent investigation.
  - Led in the formation and implementation of the Winnebago County Violent Crime Task Force. Task Force is comprised of Federal, State, and Local Law Enforcement Agencies and concentrates on intelligence, investigations, street-level enforcement, and public review of work. Public Quarterly meetings provided to Chief Elected Officials and the public.
  - Implemented a COMPSTAT process for crime deployment and accountability and effectively used crime analysis for operational, tactical, and strategic decision making.
  - Implemented a Problem-Solving Methodology (SARA) Scan, Analyze, Response, and Assessment to address crime incidents.
  - Implemented the National Incident Based Crime Reporting (NIBRS) process and reported crime data directly to the FBI. One of three police departments in the United States to provide crime data directly to the Federal Bureau of Investigation (FBI).

Lake Forest Police Department, Lake Forest, IL

1983 – 1985

- Attended basic law enforcement training at the Chicago Police Academy.
- Employed as a patrol officer and provided first-responding responsibilities. Cross-trained as a firefighter.

Rockford Police Department, Rockford IL

1981 - 1983

- Employed a police cadet and assigned to various areas of the department – crime scene processing, investigations, evidence room, investigations, crime prevention, and administration.

Education

MBA. 1999. Public Administration  
Rockford University - Rockford, Illinois

B.S. 1991. Sociology/ Anthropology  
Rockford University – Rockford, Illinois

A.A. 1986. Associate of Arts Degree  
Rock Valley College – Rockford, Illinois
