Residency in Obstetrics and Gynecology	William Beaumont Hospital, Royal Oak, Michigan	07/01/1996	07/01/2000

July 15, 2025

My name is Dawn Owens Robinson. I have practiced as a full-time Ob/Gyn for 23+ years. Every day, I am blessed to participate in such a rewarding career choice. I have practiced as a full scope Ob/Gyn, as a solo physician, private practice physician and a hospital employed physician in two countries, five states and as many cities. These experiences have provided me with a lifetime of memories and work knowledge.

I have held many leadership roles in the past. I have been a faculty member at Western University School of Medicine (Wmed) for seven years. I served as an elected Ob/Gyn member of the city-wide Faculty Advisory Committee for two years. I had actively participated in the medical school interview process for four years. I served as co-chair of the Women in Medicine and Science for two plus years. I also served on the Kalamazoo County and St Joseph County Fetal Infant Mortality committees.

I have also enjoyed training our future physicians and Advanced Practice Providers. I worked with the Wmed students for six years. I have also had an active role in the teaching of the Ob/Gyn, Emergency Medicine and Family Practice residents, along with Nurse practitioner students for nearly 12 years. One of the greatest experiences of my career has been working alongside certified nurse midwives.

I was a 5 year member of the Michigan Maternal Mortality Review Committee, which was founded over 55+ years ago. And I served as the Secretary/Treasurer of my past Medical Staff. I am currently the Obstetric chairperson if the Colorado Maternal Mortality Review Committee.

As an experienced physician, I continue to enjoy my day-to-day interactions with my patients and care team members. I am also active in my community through my sorority and as a Trustee of the University of Colorado Foundation.

Sincerely,

Dawn O. Robinson, MD, FACOG
