- Interjurisdictional Practice Certificate (IPC) and a Temporary Authorization to Practice (TAP) from the PSYPACT Commission

Professional Experience

2006–Present **Forensic Psychology Private Practice**

Conducting psychological and forensic assessments, including:

- Personality/cognitive functioning/traumatic brain injury (TBI)
- Trial competency
- Sentencing and mitigation
- Child abuse and neglect
- Domestic violence/Intimate partner violence
- Malpractice
- Disability
- Re-sentencing
- Immigration relief
- Risk assessment/Dangerousness
- Trauma assessments
- Personal injury and civil damages

Providing expert testimony and consultation services for both the prosecution/plaintiff and the defense/defendant in criminal, civil, military court martial, and federal immigration courts.

Expert content areas include:

- Psychological impact of sexual assault/abuse
- Intimate partner violence/domestic violence
- Post-assault victim response
- Neurobiological impact of trauma
- Posttraumatic stress symptoms/disorder
- Impact of alcohol on memory functioning/behavior
- Child pornography
- Impact of parental separation
- Human trafficking
- Torture/persecution

2005–Present **Forensic Psychological Evaluator:** Healthright International, Human Rights Clinic (formerly Doctors of the World)

- Conducting forensic evaluations with refugees from a variety of countries seeking asylum in the U.S.
- Determining the consistency of psychological sequelae with alleged experiences of persecution, torture, and sexual and other violence and report such findings in legal affidavits.
- Providing court testimony as an expert on the effects of trauma on psychological functioning.

2008–2016 **Forensic Examiner:** Denver Veteran’s Administration Medical Center, Forensic Evaluator

- Conducted forensic assessments with returning combat veterans experiencing psychiatric injuries to determine the level of severity for service-connected disability
- Assessed conditions including PTSD, mood disorders, substance use disorders, anxiety disorders, military sexual trauma, and TBI
- Developed legal affidavits that were used in the determination of government disability benefits
- Performed over 3000 forensic evaluations/affidavits for the Veteran’s Administration Review Board for legal case determination

2006–2009 **Director of Clinical Services:** Rape Assistance and Awareness Program (RAAP)

- Responsible for all aspects of the counseling department, including supervision of a large clinical staff, program development, community training, provision of expert testimony in sexual assault cases, and collection of statistics for grant funding purposes
- Provided direct clinical supervision for the trauma training program, which consisted of pre-doctoral and pre-masters’ students from a variety of mental health training programs

- Program Coordinator for the facility's APA-accredited predoctoral internship
- 2007–2008 **Psychological Evaluator:** Exempla West Pines Psychiatric Hospital
- Conducted psychological evaluations in emergency departments for the Exempla hospital network, including Saint Lutheran's Medical Center, Saint Joseph's Medical Center, and Good Samaritan Medical Center
 - Evaluated psychiatric illness, suicidality, and chemical-dependency issues to determine the need for immediate patient hospitalization
- 2005–2006 **APA-Approved Doctoral Internship:** RAAP
- Conducted outpatient therapy on an 18-hours-per-week, clinically based rotation
 - Conducted long- and short-term therapy, facilitated group therapy, conducted workshops and training in the area of sexual assault and trauma interventions, and supervised practicum students
 - Provided in-house and community trainings on sexual assault issues
 - Provided expert testimony in the areas of post-trauma victim response and trauma-related diagnoses
- 2004–2005 **Psychology Extern/Clinical Rotation:** Denver VA Medical Center, Substance Abuse Treatment Program
- Assessed substance-use issues for treatment and co-facilitated court-ordered groups for veterans charged with class-3–class-6 felonies, misdemeanors, or repeated alcohol/drug-related driving charges, as referred by the Veteran's Treatment Court
- 2003–2005 **Psychology Extern:** University of Denver, Professional Psychology Center
- Conducted forensic evaluations, including testamentary capacity, competency, and parental responsibility evaluations
- 2003–2004 **Psychology Extern/Clinical Rotation:** Kaiser Permanente, Behavioral Health Department

- Provided treatment services to children, adolescents, and adults with a wide range of presenting issues.
- Conducted initial intake assessment, made a preliminary diagnosis, and provided the necessary ongoing short- or long-term therapy
- Participated in grand rounds with other Kaiser psychologists and psychiatrists

2001–2002

Psychotherapist, Memphis Sexual Assault Resource Center

- Provided treatment services for children, adolescents, adults, and affected family members with a recent or past history of sexual abuse or assault.
- Served as the primary provider for children aged 5–12
- Conducted psychosocial evaluations and selected and implemented appropriate treatment interventions for an under-resourced population with a high degree of dual diagnosis
- Facilitated groups for adolescent survivors of sexual assault and adult survivors of childhood sexual abuse
- Trained sexual assault nurse examiner nursing students rotating through the agency as part of University of Memphis nursing program

1997–2001

Forensic Evaluator/Psychotherapist: Army Behavioral Health, Torii Station, Okinawa, Japan

- Conducted forensic evaluations and risk assessments in both spousal- and child abuse allegations
- Facilitated groups for perpetrators of domestic violence, adult survivors of childhood sexual abuse, child witnesses of domestic violence, and children experiencing parental separation and divorce
- Provided after-hours crisis intervention for spousal- and child-abuse incidents, sexual assault, and combat-related trauma emergencies
- Worked closely with the Army Criminal Investigation Command in conducting forensic interviews with adults and children involved in violent incidents

Teaching Experience

- Current **Clinical supervisor:** University of Denver, Graduate School of Professional Psychology, pre-doctoral students
- 2006–2017 **Clinical supervisor**
- Provided required supervision for state licensure for psychologists, advanced provider credentialing in EMDR therapy, and provider forensic evaluations addressing the influx of asylum seekers detained in Artesia, New Mexico, and Dilly, Texas
- 2006-2010 **Clinical supervisor:** University of Denver, Graduate School of Professional Psychology, APA-approved internship for doctoral candidates

Professional Organizations

- Member: American Psychological Association
- Member: American Psychological Associate-Division of Trauma Psychology
- Member: American Psychology-Law Society
- Member: Healthright International, Human Rights Clinic, Volunteer Psychologist
- Rocky Mountain Immigrant Advocacy Network, Volunteer Psychologist in ICE detention cases

Board Membership

- Former Board of Directors, Rocky Mountain Immigrant Advocacy Network

Editorial Activities
