- Experiences:**
- ◆ **Outpatient and Urgent Care Physician** 2018-Current  
Medical Physicians Group PLLC, Jacksonville FL. Managed primary care/urgent care clinics and transitioned to telemedicine during COVID-19 Pandemic. Diagnosed and managed outpatient patients including cystitis, pyelonephritis, acute kidney injury, chronic kidney disease, hypertensive urgency, acute coronary syndrome, DM2, hypertension, hypercholesteremia, hypothyroidism, Hashimoto's disease, neuropathy, chronic hepatitis B, musculoskeletal pain, ADHD, erectile dysfunction, upper respiratory tract infection, pneumonia, influenza, meningioma, otitis media, otitis externa, sinusitis, seasonal allergies, high risk sexual activity, condyloma acuminatum, depression, anxiety disorders, obesity, vaginitis, GERD, peptic ulcer disease, nausea and vomiting, obstructive sleep apnea, fractures, nephrolithiasis, STDs, and performed wellness exams. Performed laceration repairs, surgical debridement, incision and drainage, and read x-rays.
  - ◆ **Contract Pharmacist & Physician** 2013-Current  
Doctomics, Inc. and Ztomed Inc. Managed outpatient patients. Prescribe diagnostic and therapeutic orders. Research and development physician/pharmacist
  - ◆ **Preventive Medicine Residency** 2020 to 2022  
Worked in emergency medicine, urgent care medicine, addiction medicine, occupational medicine, rural medicine, physiatry, primary care clinic, etc. Analyzed COVID vaccine adverse event reporting system (VAERS) including deaths and any morbidity. Gave insight to the BREATHE program to help asthmatic patients, and supervised the vaccination of influenza and hepatitis A. Root cause analysis (RCA) physician consultant investigating deaths and near misses at the Veteran Affairs Hospital. Joint Patient Safety Reporting System (JPSR) physician expert consultant regarding pharmacy errors and mistakes.
  - ◆ **Full-Time Senior Medical Physician** 2018 to 2020  
Northeast Florida State Hospital. Macclenny FL. Primary care physician and urgent care physician for inpatients and respond to Emergency Response Team calls. Diagnosed and managed such diagnoses including acute respiratory distress secondary to parotitis and allergic reaction requiring intubation, chest pain, bradycardia, hyperkalemia of 6.8, DVTs, non-reducible abdominal hernia with small bowel obstruction, sepsis, syncope, seizure, laceration, anemia with hemoglobin 5.6, alter mental status, large pleural effusions, cystocele, SVC syndrome, COPD, hyponatremia, cellulitis, multiple myeloma, ESRD, lupus, abscess.
  - ◆ **Correctional Medicine Physician** 2019 to 2020  
Baker County Sheriff's Office. Macclenny, FL. Took care of ICE, Florida Marshal and Georgia Marshal inmates. Supervised nurse practitioner. Performed I&D, debridement, and started IV lines on patients. Saw complicated patients which the nurse practitioner referred to me including patients with opiate withdrawal, etc.
  - ◆ **Family Medical Residency** 2015 to 2018  
Texas Tech University. Amarillo, TX. Rotated in general surgery, night float, OBGYN, family medicine hospital service, newborn, pediatric, and outpatient clinic.
  - ◆ **Pharmacist (Walgreens, CVS, IV infusion, Hospital)** 2009 to 2015  
Hawaii Medical Center. Honolulu, HI, Kansas City, Missouri. Worked for 5 years at Walgreens pharmacy, worked at 15 different Walgreens in the Kansas City area. Worked at two different Walgreens pharmacies in one day at one point due to demands. Worked at Walgreen's intravenous Optioncare as well. Worked as a hospital and retail pharmacist while attending medical school to help colleagues during vacations, holidays, and

staff shortages. Worked at various settings including at rehab hospitals, LTCFs and hospice, pharmacist-in-charge.

- ◆ **Orthopedic Surgery Rotation** 2015  
Rockhill Orthopedic. Lee Summit, MO. Rotated with an orthopedic surgeon and learned how to assess, diagnose, and treat various orthopedic injuries, including carpal tunnel syndrome, impingement syndrome, osteoarthritis, bursitis, and various fractures. I also assisted in treating other injuries, such as torn ACL, PCL, and medial and lateral menisci.
- ◆ **Family Medicine Rotations** 2015  
Shawnee Mission Urgent Care. Shawnee Mission, KS. Saw a wide variety of patients including pediatric, adult, geriatric, uninsured, Medicaid, Medicare, and economically-disadvantaged patients.
- ◆ **Psychiatry Rotation** 2015  
KCRCMD Inc. Lee Summit, MO. Rotated with a psychiatrist who saw uninsured patients and group homes.
- ◆ **Physical Medicine and Rehab Rotation** 2014 to 2015  
Mid America Rehab Hospital. Overland Park, KS. Saw a wide variety of neuro-musculoskeletal conditions. Used aseptic technique to fill baclofen pumps and consulted with physicians on pharmacy related issues.
- ◆ **Clinical Medicine Residency** 2013 to 2014  
University of Missouri-Kansas City. Kansas City, MO. Rotated at medicine, medical ICU, Neuro ICU, cardio ICU, cardiovascular ICU, electronic ICU, nephrology, and pulmonary/critical care. Admitted patients.
- ◆ **Certifications** ACLS, BLS, PALS
