Board Certified Noninvasive Cardiologist

Specialty Focus:

Echocardiography, Nuclear Cardiology, Valvular Heart Disease, Left Atrial Appendage Occlusion Devices, Preventive Cardiovascular Disease, Congestive Heart Failure, Medical Informatics

EDUCATION **Fellow American College of Cardiology (FACC) (2009 to present)**

UNIVERSITY OF COLORADO, DENVER Denver, CO

Cardiology Fellowship, June 2008
Level III Advanced Echocardiography
Level II Nuclear Cardiology
Internal Medicine Residency, July 2005
American Board of Internal Medicine, Aug 2005, passed;
recertified April 2015, passed
Board Certified Cardiovascular disease, Nov 2008, passed;
recertified Oct 2018 passed
Board Certified Nuclear Cardiology, Dec 2008, passed

LENOX HILL HEART & VASCULAR INSTITUTE New York, New York

Level II Cardiac CT Angiography, 2008

INDIANA UNIVERSITY SCHOOL OF MEDICINE (IUSOM) Indianapolis, IN

M.D. May 2002
USMLE Step 1, June 2000, passed
USMLE Step 2, June 2001, passed
USMLE Step 3, August 2004, passed

VANDERBILT UNIVERSITY Nashville, TN

Bachelor of Engineering, Biomedical Engineering, May 1997
Major GPA: 3.8/4.0 Overall GPA: 3.5/4.0

CARMEL HIGH SCHOOL Carmel, IN

June 1993, Graduated 9/628

ANNE L. (MORGAN) FORD

WORK EXPERIENCE

COMMUNITY HEALTH NETWORK (2015 to 2024)

Anderson, IN (primary location)

Indianapolis, IN

Noninvasive Cardiologist

Echo Champion for Community Hospital Anderson (2018 to 2024)

Elected Community Hospital Anderson Board Member (2023 to 2024)

Cardiac rehabilitation Director (2022 to 2024)

Community Physicians Network, Community Hospital Anderson (CHA),
Community Heart & Vascular Hospital (CHVH)

Built & transformed CHA's echo department. Recruited talented sonographers. Provide excellent cardiovascular care to an underserved region with high acuity patients. Interests include cardiovascular echo & nuclear imaging. Enjoy cardiac critical care, heart failure, valvular disease, & coronary artery disease management. Perform high volume of 3D transesophageal echocardiograms, including post implantation of left atrial appendage occlusion (Watchman) devices. Innovative with medical informatics technology.

Served on the Community Hospital Anderson board which has only 4 elected physicians. Innovates & creates long term vision for the future.

Anne Ford MD LLC (2021 to present)

Created cardiology expert witness LLC for expert witness reviews. Analyzes plaintiff and defendant medical malpractice cases; writes reports, testifies in depositions & trials as a cardiologist expert.

BILLINGS CLINIC, HAYES LOCUMS (2014)

Billings, MT

Cardiologist Hospitalist

IU HEALTH PHYSICIANS (2009 to 2014)

(formerly named- Methodist Cardiology Physicians/ Clarian Health)

Indianapolis, IN

Staff Cardiologist, Non-Invasive Director at IU Health North office

Practiced as a non-invasive cardiologist. Interests included cardiovascular imaging, including echocardiography, cardiac nuclear imaging, & cardiac CT angiography.

Directed & performed quality reviews for Intersocietal Commission for the Accreditation of Echocardiography Laboratories (ICAEL) certification of our office. Special interests in women's cardiovascular disease, pulmonary hypertension, heart failure, coronary artery disease, & valvular heart disease.

ANNE L. (MORGAN) FORD

RESEARCH

UNIVERSITY OF COLORADO, DENVER

Denver, CO

Researcher

Designed & assimilated data from a multi-center database of heart failure patients. Performed 3D echocardiographic research, comparing ventricular myocardial velocities to standard & 3D echocardiographic parameters of right ventricular size & function in patients with pulmonary hypertension.

VANDERBILT UNIVERSITY MEDICAL CENTER (1998)

Nashville, TN

Database Designer/Researcher

Researched transplant coronary artery disease & the effects of atorvastatin as a lipid lowering agent in cardiac transplant patients.

STEADMAN HAWKINS SPORTS MEDICINE FOUNDATION (1999)

Vail, CO

Research Intern

Conducted biomedical engineering research on quadriceps & gait in bioskills lab.

WESTERN STUDENT MEDICAL RESEARCH FORUM (2000), Carmel, CA EXCELLENCE IN RESEARCH AWARD

IUSOM student representative

INTERNATIONAL ELECTRICAL ENGINEERING (1998), Chicago, IL AWARD WINNER of the International Student Design Competition

Designer

Invented the Infant Sleepmate, a device for newborns.

PITTMAN SCIENCE SCHOLARSHIP (1997), Carmel, IN AWARD WINNER

Recipient

A scholarship given to a student interested in science & academic pursuits in honor of Dr. Pittman, a cardiothoracic surgeon who pioneered coronary artery bypass graft surgery in the state of Indiana.
