EMPLOYMENT

2023-current	Health Science Associate Professor Step 4, Full-time Academic Hospitalist
2019-2023	Health Science Associate Professor Step 3
2017-2019	Health Science Associate Professor Step 1
2015-2017	Health Science Assistant Professor Step 3
2013-2015	Health Science Assistant Professor Step 2
2011-2013	Health Science Assistant Professor Step 1

POSTDOCTORAL TRAINING

2015	Mini-Fellowship in Point-of-Care Ultrasound University of California, Irvine
2010-2011	Chief Resident of Internal Medicine St. Mary Medical Center, affiliated with the David Geffen School of Medicine at UCLA
2007-2010	Internal Medicine Residency Program St. Mary Medical Center, affiliated with the David Geffen School of Medicine at UCLA

EDUCATION

2003-2007	D.O., Touro University of Osteopathic Medicine, Vallejo, CA Clinical rotations completed at Arrowhead Regional Medical Center, Colton, CA
2001-2003	Master of Science, Organic Chemistry, The Ohio State University, Columbus, OH
1997-2001	B.S., Chemistry, The Ohio State University <i>Cum Laude</i> with Honors and Distinction

LICENSURE AND CERTIFICATIONS

2020-2024	American Board of Internal Medicine re-certified
2010-2020	American Board of Internal Medicine certified
2008-current Darwish, 3.6.2024	Osteopathic Medical Board of California

CONSULTANT

- 2016-current Anticoagulation Speaker for Bristol Myer Squib and Pfizer (regarding the anticoagulant, *Apixaban*)
- 2018-current Medical Expert Consultant
- 2018-current CEO of steth 'n go, LLC; a magnetic stethoscope holder company
- 2022-current Director/Consultant of AFC (American Family Care) Urgent Care in Torrance, Ca

INTELLECTUAL PROPERTY

US Patent granted on 12/20/22. US Patent # 11,529,113. Utility patent on magnetic stethoscope holder.

HONORS & AWARDS

- 2010 Outstanding Resident in Ambulatory Medicine, St. Mary Medical Center Internal Residency Program, affiliated with the David Geffen School of Medicine at UCLA
- 2010 Teaching Recognition Award, Drew/UCLA Medical Students, St. Mary Medical Center, Internal Residency Program, affiliated with the David Geffen School of Medicine at UCLA
- 2019 2nd Place Venture Competition at the UCI Paul Merage School of Business in Consumer Products, Awarded \$5,000

CONTRACTS AND GRANTS

- 2019 UC System Sepsis Simulation Grant; Amount: \$20,000 Time Span: May 2019-May 2020
- 2015 Department of Medicine Chair's Teaching Faculty Development and Curriculum Fund; Title: Point of Care Ultrasound; Amount: \$25,000 Time Span: Aug 2015- Aug 2016

MEMBERSHIPS

- 2023-current American College of Physicians, Associate Member
- 2003-2017 American Osteopathic Association (AOA)

RESEARCH

- 2021-2022 Randomized Control Study Comparing the different Potassium Binders in Hyperkalemia patients (published)
- 2018- 2020 Systematic Review and Meta-Analysis of the Diagnosis of CHF with IVC ultrasound (published)
- 2016-2018 Systematic Review and Meta-Analysis of Low Risk Pulmonary Embolism stratified by Cardiac Troponin – completed and published (published)
- 2009-2010 Correlating systemic endothelial dysfunction measured by Digital Temperature Monitoring with Cardiopulmonary Exercise Testing in Pulmonary Hypertension Patients, Research Mentor: Ronald J. Oudiz, M.D., Harbor-UCLA Medical Center

2009-2010	Retrospective Chart Review of Risks and Benefits of Anticoagulation for Atrial Fibrillation in the Intensive Care Unit Setting, Research Mentor: Maged Tanios, M.D., St. Mary Medical Center, Long Beach (published).
2005	Extracellular Electrolyte Concentration Effects on HERG Channels, Research Mentor: Alan Miller, Ph.D., Touro University of Osteopathic Medicine
2001-2003	Regioselective Opening of 2,3-anhydro- β -D-lyxofuranoside and Glycoside-bond Synthesis using 2,3-anhydro tetrose derivates, Research Mentor: Todd Lowary, Ph.D., The Ohio State University
1999-2001	Regioselectivity in Alkylation Reactions of 1,2-O-Stannylene Acetals of D-Arabinofuranose, Research Mentor: Todd Lowary, Ph.D., Chemistry, The Ohio State University (published).

INSTITUTIONAL SERVICES/COMMITTEES

2022-current	Hospitalist Medicine Liaison for the Burn Performance Improvement Committee
2022	Member of the PERT Team (Pulmonary Embolism Response Team)
2021	Created the Acute Pulmonary Embolism Protocol for non-high risk patients
2020-current	Member of the Documentation Committee for the Department of Medicine
2011-2019	Director of the Simulation Center for the Department of Medicine University of California, Irvine
2011-current	Coordinator of the Hospitalist Grand Rounds
2013-current	Director of the Morbidity & Mortality Conference for the Department of Medicine
2013-2016	Member of the Sepsis Committee -part of the subcommittee for the Revision of the Sepsis Guidelines
2013-2017	Member of the Program Evaluation Committee
2015-current	Member of the Ultrasound Capital Equipment Sub-committee
2015-current	Member of the Simulation Committee
2015-current	Director of the Residency Point-of-Care Ultrasound Elective (emphasis on cardiac, lung, IVC, renal, DVT, and soft tissue ultrasound)
2017-2020	Co-Chair of “Just Culture” focused on patient safety with a system of shared accountability

TEACHING INNOVATION AND CURRICULUM DEVELOPMENT

2016	helped with revision of the sepsis guidelines for the ICU at UCI Medical Center
2016	created the curriculum for Point of Care Ultrasound for Internal Medicine residents

TEACHING ACTIVITY

2019-2020	Instructor for Sepsis Simulation Training to Nurses and Medicine Residents
2017-current	Biochemistry Lecturer for first year medical students (once/year)-
2017	Created a Video on How to Present during Medicine Rounds & how to properly document in the medical record
2015-current	Instructor for Simulation Training for Medicine Residents- March 24, 2020
2015-current	Teaching Residents on Point of Care Ultrasound (Pulmonary, IVC, and Cardiac ultrasound) -
2012-2019	Simulation Training for Incoming Interns titled “Surviving Sepsis at UCI” (Every year I coordinate a complete day of simulations for incoming categorical and preliminary interns)-
2012-2016	Ambulatory Cardiology Lectures for UCI Third Year Medical Students

2013-2017 Mentor for U.S college students and international medical students to observe me in the hospital

HOSPITALIST GRAND ROUND LECTURES
