Federal Bureau of Investigation, CJIS Division – Clarksburg WV**Training Instructor and Training Specialist (TS) GS-14****1997 to 2022**

Developed and taught thousands of classes on the proper use of the National Crime Information Center (NCIC) files listed below. These classes were taught to students at every level of expertise including but not limited to;

- Basic certification courses.
- Agency Terminal Agency Coordinators (TACs) level training.
- State and Federal level NCIC/III trainers and auditors (Train the Trainer).
- Professional consumers of NCIC information (e.g. attorneys, judges, court personnel, victim/witness specialists, etc.).

Also included but was not limited to the following courses

- NCIC Wanted Persons File.
- NCIC Missing Person File.
- NCIC Unidentified Person File.
- NCIC Foreign Fugitive File.
- NCIC Immigration Violators File.
- NCIC Protection Order File.
- NCIC National Sex Offender File.
- NCIC Supervised Release File.
- NCIC Identity Theft File.
- NCIC Gang File.
- NCIC Known or Suspected Terrorist File.
- NCIC Protective Interest File.
- NCIC Denied Transaction File.
- NCIC Violent Persons File.
- NCIC Article File.
- NCIC Gun File.
- NCIC License Plate File.
- NCIC Vehicle File.
- NCIC Securities File.
- NCIC Boat File.
- NCIC Vehicle and Boat Parts File.
- NCIC Image File.
- NCIC Originating Agency Identifier File.
- Interstate Identification Index (III)

Developed and taught hundreds of classes on the proper use of the Interstate Identification Index (III). Although commonly thought of as an NCIC File, III is a separate set of computer systems which are accessed through the NCIC software. This system has vastly different rules, policies, and procedures (some codified in Federal Law) for access to the information, as well as use of the information once it is obtained (as compared to NCIC). These classes were also taught to students at every level of expertise including but not limited to;

- Beginner certification courses.
- Agency Terminal Agency Coordinators (TACs) level training.
- State and Federal level NCIC/III trainers and auditors (Train the Trainer).
- Professional consumers of III information (e.g. attorneys, judges, court personnel, victim/witness specialists, etc.).

Developed and taught hybrid classes involving the NCIC/III systems including but not limited to;

- Effectively Using FBI Resources in Missing and Unidentified Person Cases.
- Effectively Using NCIC Off-Line Searches to Solve Cases.
- TAC Responsibilities.
- CJIS Systems Officers Responsibilities.
- NCIC for Dentists in the Coding of Missing and Unidentified Person Records.
- NCIC Overview.
- NCIC Name Search Algorithm.
- Proper Use of III Purpose Codes.
- Yearly NCIC/III Updates.
- Timely Entry Policy for NCIC Records.
- NCIC Record Validation Training
- What Every Chief Law Enforcement Administrator Should Know About NCIC/III and Liability.

Developed and taught classes on International Public Safety and Justice Network (NLETS) Transactions including but not limited to;

- Out of State Driver's License Queries.
- Out of State Registration Queries.
- Concealed Weapons Permits Queries.
- State Criminal History Queries.
- Out of State Warrant Query.
- Immigration Alien Query.
- Snowmobile Query.
- Aircraft Registration Query.
- Canadian Driver's License Query.
- Canadian Registration Query.
- Canadian Person Query.
- Canadian Gun Query.
- Canadian Article Query.
- Canadian Boat Query.
- Canadian Vehicle Query.
- Interpol Person Query.
- Interpol Gun Query.
- Interpol Vehicle Query.
- Interpol Stolen Travel Documents Query.

Worked as a Subject Matter Expert on various teams to develop and video over 10 feature length NCIC training videos.

Worked as a Subject Mater Expert on various teams to develop five Computer Based Training (CBT) training modules on various NCIC and NLETS related topics.

Lead a Team of 3 members of American Board of Forensic Odontolgy (and 2 support staff) to Develop a 16 hour course for Board Certified Dentists to properly code NCIC Missing and Unidentified Persons Records for the NCIC

Cross Match Program. This course was then taught by the team to over 500 dentists across the United States from 2008 to 2019.

Taught FBI employees and other law enforcement professionals from around the country/world to become effective instructors via the FBI Training Division's various Instructor Development Programs. These difficult training courses were a crash course in becoming the most effective instructor possible. Beginning on day 1 with the Instructional Systems Design Model and culminating on day 5 with the presentation of a fully developed, written, and presented, 2-hour lesson plan on an original topic.
