PROFESSIONAL APPRAISING EXPERIENCE:

1995- Present **Straw Hat Enterprises** Principal/Owner, Temecula, CA

Sole proprietor appraisal and consulting business specializing in appraising and consulting on complex residential assignments for litigation, easement and encroachment issues, estate tax filings, bankruptcy, family law-Divorce, custom residential properties including proposed construction, residential horse ranches, Ag losses, vacant land, manufactured homes on acreage and tract/condominiums.

1993 - 1995 **Gandy & Associates**, Associate Appraiser, West Los Angeles, CA

Gandy & Associates was a mentor and with an exclusive agreement with Brentwood Bank of Brentwood, California. The task was to handle and maintain all appraisal assignments for the bank. Gandy & Associates set up and established approved appraiser lists, performed quality control audits on bank system for loans, performed retail appraisal work for the bank and completed appraisal reviews of wholesale mortgage business received from the wholesale department of Brentwood Bank. I assisted in all operations of this business as an independent contractor.

1992 - 1993 **Stark & Associates**, Associate Appraiser, Escondido, CA

My appraisal career began with Stark & Associates performing data research and preliminary appraisal workups. Received state appraisal license and began accepting residential appraisal assignments from firm and my own clients, while aiding on Ag/commercial/industrial properties to Mr. Stark as an independent contractor.

WILDFIRE EXPERIENCE:

Wildland fire litigation support includes appraising or consulting on damaged or lost properties, along with acquiring and coordinating additional local experts to support the task of value diminution and analysis. Since 2003, I have been involved in eight Wildfire cases in Southern California working for both plaintiff and defendant. The
