

# Curriculum Vitae

**Douglas C. Dillon, MD**

## **Home Address**

3950 Lariat Road  
Park City, Utah 84098  
(435) 659-0412  
Email: douglas.c.dillon@gmail.com

## **Employment:**

### **Emergency Medicine Physician**

2020-Present: Fairbanks Memorial Hospital I work per diem for Golden Heart Emergency Physicians providing care for Fairbanks residents and the Alaska interior.

2016-Present: Intermountain Health Care. I work 12 and 24 hour shifts at two rural access point hospitals in Park City and Heber City, Utah.

2007-2016: Utah Emergency Physicians. I worked as an Emergency Medicine physician at a Level 1 trauma center and three other smaller hospitals in Salt Lake City, Utah.

## **U.S. Coast Guard**

1995-1998: Search and Rescue Pilot, North Bend, OR. As a duty standing pilot (24-hour duty once every 3-4 days) I led a crew of 4 in the pursuit of all of the Coast Guard's Missions to include, Search and Rescue, drug enforcement, and environmental protection. My additional duties included supervising 20 emergency medical technicians (rescue swimmers), maintaining an inventory of over \$10,000,000.00 in aircraft parts and managing an annual budget of over \$2,000,000.00.

1994-1995: Navy Flight School, Pensacola, FL. In addition to learning how to fly both fixed and rotor wing aircraft, other aspects of the training included courses in aerodynamics, thermodynamics, meteorology, navigation and other military-specific applications such as combat tactics.

1993-1994: Coast Guard Training Center Petaluma, CA. I was selected to a team to redesign how the Coast Guard educates enlisted personnel.

1991-1993: Deck Watch Officer, Kodiak, AK. I was onboard U.S. Coast Guard Cutter IRONWOOD in Kodiak, AK. While stationed onboard this ship my primary duties included; overseeing 20 crewmembers with an annual budget of \$150,000.00 serving as a federal law enforcement officer while boarding and inspecting other vessels, and piloting the ship throughout Alaska, Hawaii, Washington and Canada.

1987-1991: United States Coast Guard Academy, New London, CT. Gold and Silver star for academic and military achievement. Highlights include sailing USCGC EAGLE to Edinburgh, Scotland and Bergen, Norway.

## **Certification and Licensure**

## **Peer-Reviewed Publications**

Burton JH, Harrah JD, German CA, **Dillon DC**. Does End-Tidal Carbon Dioxide Monitoring Detect Respiratory Events Prior to Current Sedation Monitoring Practices? *Academic Emergency Medicine*, 2006

**Dillon DC**, Gibbs MA. A Regional Nerve Block Anesthetic Tutorial. *Academic Emergency Medicine*, 2006.

## **Military Publications**

1991-1993: Published three Waterway Analysis and Management Systems (WAMS) reports on Dutch Harbor, AK, which is the heart of Alaskan fisheries, Port Moller / Herendeen Bay Alaska, and the Aleutian Islands which extend from the mainland of Alaska to within 270 nautical miles of Russia. The purpose of these documents was to evaluate the aids to navigation systems in place (the buoys), the impact of a potential maritime accident on the environment, and the military and commercial importance of the waterway.

## **Book Chapters**

**Dillon DC**, Gibbs MA: Local and Regional Anesthesia. Judith E. Tintinalli, *Tintinalli's Emergency Medicine: A Comprehensive Study Guide*, McGraw-Hill, 2010.

**Dillon DC**: Local, Topical and Regional Anesthesia Agent Overview, Burton JH, Miner J. *Procedural Sedation and Analgesia in the Emergency Department*, Cambridge University Press, 2007.

**Dillon DC**, Gibbs MA: Local Regional Anesthesia for Pediatric Orthopedic Fracture and Joint Reduction. Burton JH, Miner J. *Procedural Sedation and Analgesia in the Emergency Department*, Cambridge University Press, 2007.

**Dillon DC**, Gibbs MA: Local Regional Anesthesia for Adult Orthopedic Fracture and Joint Reduction. Burton JH, Miner J. *Procedural Sedation and Analgesia in the Emergency Department*, Cambridge University Press, 2007.

### **Invited Lectures / Presentations**
