June 2026

Board-Certified Emergency Medicine Physician with 18 years of continuous full-time active clinical practice. Clinical experience includes trauma centers, academic institutions, community settings, freestanding EDs and rural hospitals. Associate Director for Litigation Support for TeamHealth, the largest national physician staffing agency in the country. Experienced teacher. Fellowship trained by the Academy of Wilderness Medicine (FAWM) on subjects such as hypothermia, drowning, frostbite, heat stroke, altitude illness, and bites from venomous animals. Currently a candidate for a Diploma in Dive & Marine Medicine (DiDMM) with a further focus on dive injuries such as decompression sickness a.k.a. “the bends.” Co-inventor of a novel endotracheal device (RSI Prime, LLC; patent pending) that incorporates an adapted carbon dioxide detector with a modified bougie (an adjunct for difficult airways). Experienced expert witness at both deposition and trial.

PROFESSIONAL (CLINICAL) EXPERIENCE

Associate Physician

Independently evaluates undifferentiated emergency presentations, applies evidence-based standards of care, supervises clinical teams, and makes diagnostic, treatment, and disposition decisions across academic medical centers, Level II trauma centers, community hospitals, freestanding Emergency Departments, and rural emergency care settings.

<u>Titan Emergency Group</u> <i>Jacksonville, Orange Park, and Tallahassee, FL</i>	2011-2013
<u>EmCare/Envision Healthcare</u> <i>Jacksonville, Orange Park, and Tallahassee, FL</i>	2013-2015
<u>TeamHealth</u> <i>Jacksonville, Orange Park, and Tallahassee, FL</i>	2015-present
<u>SCP Health</u> <i>Tallahassee, FL</i>	2024-2025

MEDICOLEGAL EXPERIENCE

Associate Director for Litigation Support – TeamHealth 2026-present

Provides strategic and operational leadership for the SWAT program at the largest physician staffing agency in the country, supervising all SWAT reviewers and overseeing onboarding and retention. Establishes quality standards and review processes to ensure timely, high-quality SWAT reports that support case triage, settlement strategy, and trial readiness.

TeamHealth SWAT reviewer 2024-present

Initial medical malpractice case reviewer for the largest national physician staffing agency in the country. Responsible for early-stage evaluation of alleged deviations from the standard of care, causation analysis, and documentation review, with findings used to inform settlement strategy and trial determination.

Emergency Medicine Expert Witness 2023-present

Independent expert witness providing standard-of-care analysis, case review, deposition testimony, and trial testimony, including Federal Rule of Civil Procedure 26-compliant expert reports. Retained in 58 matters and reviewed more than 100 cases across Emergency Department, prehospital/EMS, and environmental injury matters.
