

# JANET GRAHAM

**Certified Registered Nurse Anesthetist**

**901.438.8803 or 9901.586.4647**

**janetgraham521@gmail.com**

Janet Graham, CRNA, is a full-time practicing anesthesia provider with 14 years of independent clinical anesthesia experience and more than 20 years in critical care nursing. Her practice includes hospital-based settings ranging from Level 1 trauma centers to rural hospitals, as well as ambulatory surgery centers and office-based environments across multiple states.

She has served as a clinical preceptor for student nurse anesthetists and has worked with a broad range of surgeons, patient populations, and anesthetic techniques across a range of anesthesia modalities. This experience has contributed to a well-developed skill set, adaptability in managing diverse clinical scenarios, and familiarity with varied practice environments.
