PROFESSIONAL SUMMARY

I'm an experienced Emergency Physician with a demonstrable history of working in busy community hospital with a full time clinical shift load. I have the requisite experience to opine on the standard of care, as it relates to Emergency Medicine. My background includes expert medical witness and consultant work for both defense and plaintiff firms. My expertise also includes interpreting and translating complex information into a cohesive narrative. I am able to effectively communicate with legal teams, prepare effective reports, and am comfortable with both deposition and trial.
