

CURRICULUM VITAE

OLUFUNSHO DAVID ADAMOLEKUN, DO, RPVI

(919) 412-6691 · OlufunshoBY@yahoo.com
19 Ridge Road, Jackson Springs, NC 27281

SUMMARY OF EXPERTISE

Dr. Adamolekun is a Board-Certified Vascular Surgeon known for his expertise in diagnosing and treating various vascular conditions. He operates in private practice, consistently delivering high-quality patient care and education. His specialties include complex vascular procedures, encompassing endovascular interventions, open surgeries, and minimally invasive techniques.

Key Areas of Expertise:

- Diagnosis and management of arterial and venous diseases in adults, including cerebrovascular conditions (such as stroke and dissection), aneurysms, peripheral artery disease (PAD), deep vein thrombosis (DVT), hemodialysis access, venous insufficiencies, and amputations.
- Extensive knowledge of cutting-edge technologies and techniques in vascular surgery, including angioplasty, stenting, bypass surgery, atherectomies, and thrombectomy.
- Certified Registered Physician Vascular Interpretation (RPVI), proficient in interpreting diagnostic imaging like ultrasounds to accurately assess vascular pathology.
- Excellent communication and interpersonal skills, facilitating collaboration with multidisciplinary teams, patients, and families.
- Dedication to continuous education and staying updated on advancements in vascular surgery through active participation in professional societies and conferences.
