

Bryan Muench MS, PT, CLCP

Life Care Planning Expert

bmunench@imslegal.com

Key Qualifications

Bryan Muench is a Certified Life Care Planner who specializes in physical therapy. He has worked for 20 years in pediatric and adult care, primarily in the arena of home health. Bryan graduated in 2001 from the Medical College of Virginia at Virginia Commonwealth University with a master's degree in physical therapy and was certified as a Pediatric Clinical Specialist in 2012. He has worked as a physical therapist in nursing homes, assisted living facilities, and early childhood intervention, in addition to vast home health experience. In his spare time, Bryan coaches his children's baseball teams. He lives in Gladewater, Texas, with his wife and their eleven children.
