FORENSIC PRACTICE & CLINICAL BACKGROUND

- 2017 - Present Colorado Forensic Family Advocacy / JCH Clinical Services & Consulting, LLC.
Statewide *Private Practice, Owner*
Provide clinical consultation, specialized evaluations, agency trainings, and therapeutic services in dependency and neglect, juvenile delinquency, civil, criminal, and domestic relations cases. Areas of expertise include Parent-Child Interactional Evaluations, Capacity to Transition Assessments, Permanency and Best Interest Analyses, and trauma-focused child evaluations. Conduct Parental Responsibilities Evaluations and Contextual-Relational Assessments of complex family dynamics, with a focus on resist-and-refuse behaviors, parental estrangement, and reintegration/reunification processes. Services include therapeutic support for out-of-home placement transitions, post-placement therapy, and expert witness testimony across multiple forensic and clinical areas. Contracted with the Department of Human Services in Adams, Broomfield, El Paso, Las Animas, Lincoln, Pueblo, and Weld counties in Colorado, as well as the Office of the Respondent Parents' Counsel, Office of the Child's Representative, and Office of the Alternate Defense Counsel. Additional expert work conducted in Missouri, Texas, Utah, and Maine
- 2016 - Present Office of the State Court Administrator
Statewide *Child & Family Investigator/Parental Responsibilities Evaluator*
Qualified Expert and Court-Appointed Evaluator as a Child and Family Investigator (CFI) in the 1st, 2nd, 17th, 18th, 20th, and 23rd CO Judicial Districts, and statewide as a Parental Responsibilities Evaluator (PRE). Provide services to investigate, report, and make recommendations to the Court regarding the best interests of children pursuant to C.R.S. §14-10-116.5, C.R.S. §14-10-124, C.R.S. §14-10-127, and C.R.S. §14-10-127.5. Investigations and evaluations adhere to Chief Justice Directives 04-05, 04-08, and 21-02, addressing issues related to domestic violence, child abuse, child sexual abuse, and the traumatic impact on children, adults, and families. PREs include assessments of parenting capacity; child development—including cognitive, emotional, and psychological development; and child/adult psychopathology. Qualified expert in coercive control, domestic violence, intimate partner violence, child abuse, and child sexual abuse under C.R.S. §14-10-127.5.
- 2016 - 2019 Office of the Child's Representative (Child Advocates of Colorado)
Denver, CO *Clinical Consultant*
Provided clinical consultation to Guardians ad Litem utilizing a multidisciplinary approach to advocate for the best interests of children in Dependency and Neglect, Juvenile Delinquency, and Unaccompanied Refugee Minor cases. Consultation areas included Infant and Early Childhood Mental Health, Substance Abuse, Domestic Violence, Mental Health, Child Development, Attachment, Parent-Child Visitation, Treatment Planning, and Transition Planning.
- 2014 - 2019 Private Practice
Denver, CO *Child & Family Therapist, Owner*
Provided culturally responsive therapeutic services to children and families, with a focus on Dependency and Neglect cases, family preservation, attachment and bonding, family reintegration, and treatment for children experiencing complex trauma and social-emotional maladjustment. Also offered therapeutic support to adults and couples seeking relational and emotional development.

- 2015 - 2017
Denver, CO Griffith Centers for Children
Individual & Family Therapist
Assessed, diagnosed and treated children and families with diverse backgrounds to address mental health, attachment, substance abuse, and parenting concerns in paternity and dependency & neglect cases. Provided therapeutic recommendations to the court as to the best interest of children regarding permanency considerations, visitation, and attachment related issues.
- 2013 - 2015
Denver, CO Denver Public Schools
Special Service Provider (SSP) / School Social Worker
Brief therapeutic intervention/support services for children ages 11-18. Served on the district's Crisis Intervention Team and assisted with district-wide crisis prevention/intervention programs. Conducted social-emotional testing to evaluate/qualify children for Individualized Education Plans (IEPs). Provided special education services to children with Emotional Disturbances/Emotional Behavioral Disorders (EBD). Facilitated group sessions focusing on anger management, self-harm, suicide prevention and parent support groups. Supervised masters level social work interns.
- 2012 - 2012
Denver, CO Adams County Department of Human Services
Child Protection Social Caseworker
Conducted initial assessments and investigations for abuse and neglect referrals. Developed appropriate service/treatment plans as applicable and conducted intake-based duties.
- 2010 - 2012
Miami, FL PsychSolutions, Inc.
Therapeutic Behavioral On-site Therapist
Provided intensive in-home and community based family preservation services to children and families in the child welfare system specializing in attachment and bonding, mental health, out of home placement, reunification, and parenting children with complex trauma. Developed individualized treatment plans that defined culturally appropriate services and interventions for treatment. Provided expert testimony and therapeutic recommendations to the court.
- 2009 - 2010
Miami, FL The Institute for Family Centered Services -
Family Centered Specialist
Certification and implementation of Family Centered Treatment (FCT) evidence-based practice. Assessed, diagnosed, treated child welfare involved clients in outpatient settings focusing on family preservation through restructuring and repairing parent-child attachments utilizing FCT model.
- 2006 - 2008
Denver, CO Denver Department of Human Services
Sex Abuse Intake Social Caseworker, Intern
Conducted initial assessments and investigations for sex abuse referrals. Developed appropriate service/safety/treatment plans as applicable.
