

ALBERTO AUGSTEN, PharmD, MS, BCPP, DABAT

Board-Certified Clinical Toxicologist & Psychiatric Pharmacist

www.AugstenConsulting.com • (305) 804-2070 • augstenconsulting@gmail.com • [linkedin.com/in/alberto-augsten](https://www.linkedin.com/in/alberto-augsten)

PROFESSIONAL SUMMARY

The only dual board-certified clinical toxicologist (DABAT) and psychiatric pharmacist (BCPP) in the nation, with 15+ years bridging clinical practice, academia, and litigation consulting. Founder of Augsten Consulting, retained as an expert in criminal, toxic tort, medical malpractice, product liability, and personal injury matters. Built South Florida's first pharmacist-administered long-acting injectable antipsychotic clinic, launched the region's first Spravato (esketamine) clinic for treatment-resistant depression in 2019, and led statewide protocol development now codified in Florida Statute 465.1893. PGY2 Psychiatric Pharmacy Residency Director, adjunct doctoral-level faculty, and frequent national speaker on psychopharmacology, toxicology, and substance use disorder treatment.

EXPERT WITNESS EXPERIENCE

Retained in 25+ Florida matters as a toxicology and psychopharmacology expert, delivering reports, depositions, and trial testimony for both defense and prosecution. Case experience spans high-profile capital and violent crime matters, substance-impaired defenses, prescription medication effects, and forensic toxicology interpretation. Qualified as an expert witness in Florida State courts under Daubert and Frye standards; never excluded.

Services Offered: Case and record review • Expert reports and rebuttal reports • Affidavits and declarations • Deposition and trial testimony (bench and jury) • Causation analysis • Standard of care opinions • Literature review • Independent toxicology review • Testifying and consulting expert engagements

Practice Areas: Criminal Defense and Prosecution • Toxic Torts • Medical Malpractice • Pharmaceutical Product Liability • Failure to Warn • Wrongful Death • Catastrophic Injury • Personal Injury • Workers' Compensation • DUI / DUID • Drug-Facilitated Sexual Assault • Medication Errors • Nursing Home & Long-Term Care Pharmacy

Forensic & Pharmacology Expertise: Impairment analysis • Retrograde extrapolation • Postmortem toxicology and postmortem redistribution • Pharmacokinetics and pharmacodynamics (PK/PD) • Therapeutic drug monitoring • Drug-drug interactions and polypharmacy • Adverse drug events and adverse drug reactions • Beers Criteria geriatric medication review • Prescription Drug Monitoring Program (PDMP) interpretation • Workplace drug testing and SAMHSA cutoffs • Chain of custody • Analytical toxicology (GC-MS, LC-MS/MS, immunoassay) • FDA and DEA scheduling • REMS, boxed warnings, and off-label use

Substance & Exposure Expertise: CNS depressants and opioids (including fentanyl analogs, benzodiazepines, alcohol); stimulants (cocaine, amphetamines/methamphetamine, cathinones, MDMA); cannabinoids (natural and synthetic); mood stabilizers and antipsychotics (lithium, valproic acid); antidepressants; cardiovascular agents (beta-blockers, calcium channel blockers, cardiotoxic steroids); inhalants and volatiles (difluoroethane); metals, pesticides, toxic gases, and industrial chemicals.

Selected Notable Cases

- State of Florida v. Nikolas Cruz, Case # 18-1958CF10A
- State of Florida v. Bryan James Riley, Case # 53-2021-CF-006615-A00-XX
- State of Florida v. Tracey Nix, Case # 2022CF00289XX
- State of Florida v. Davis Barnes, Case # 13-013863CF10A
- State of Florida v. Pierre Francois, Case # 20-010576CF10A
- State of Florida v. Bradley Sosnowski, Case # 2022CF006165AMB
- State of Florida v. Patrick M. Guinee Jr., Case # 2022CF001322AX

Full case list available upon request.

PROFESSIONAL EXPERIENCE

Augsten Consulting, LLC — Founder
Psychopharmacology & Toxicology Expert Witness Services

Dec. 2016 – Present

- Provide expert analysis and testimony in civil and criminal litigation involving toxicology, pharmacology, and substance use disorder treatment under Daubert and Frye standards.
- Interpret analytical toxicology data (GC-MS, LC-MS/MS, immunoassay) and opine on licit and illicit substance exposures, metal toxicity, sympathomimetic toxicity, and cardiotoxicity.
- Advise health systems on multisite rollout of long-acting injectable, transition, naltrexone, naloxone-distribution, pharmacogenetics, and esketamine clinics.
- Faculty speaker for eight pharmaceutical speakers bureaus on psychopharmacology, long-acting injectables, and SUD treatment.

Memorial Regional Hospital — Pharmacy Clinical Manager, Behavioral Health & Emergency Department / Board-Certified Clinical Toxicologist Jul. 2018 – Present

Hollywood, Florida

- Founded and direct the Long-Acting Therapy (LAT) Clinic, an integrated outpatient program serving 160 patients monthly with long-acting injectable antipsychotics for serious mental illness.
- Co-launched and operate the Medication-Assisted Treatment (MAT) Program, integrating pharmacotherapy and behavioral therapy for opioid and alcohol use disorders.
- Built the Behavioral Health Transitions Clinic, linking ED and inpatient psychiatric patients to outpatient SUD and mental health care.
- Established the Mothers in Recovery (MIR) Program for treatment of substance use disorders in pregnancy and prevention of Neonatal Abstinence Syndrome.
- Lead grant development and management for behavioral health and transitions-of-care initiatives.

Memorial Regional Hospital — PGY2 Psychiatric Pharmacy Residency Director May 2016 – Present

Hollywood, Florida

- Established the inaugural PGY2 Psychiatric Pharmacy program at Memorial Healthcare System.
- Secured initial ASHP accreditation and graduated 11 residents now practicing in academic medical centers, industry, and faculty roles.
- Catalyzed expansion of Memorial's PGY2 portfolio into Emergency Medicine, Ambulatory Care, and Critical Care.

Memorial Regional Hospital — Long-Acting Therapy (LAT) Clinic Manager May 2015 – Present

Hollywood, Florida

- Lead author of Florida Statute 465.1893 authorizing pharmacist-administered long-acting injectable antipsychotics (2020) — the first such authority in the state.
- Authored clinical protocols and operating model for the LAT Clinic, launched May 2015 under collaborative practice agreement with Daniel Bober, DO.
- Direct clinical, operational, and financial management of the LAT Clinic, supervising 18 clinical pharmacy specialists.
- Designed the Behavioral Health Transition (BhT) Clinic and Pharmacogenetics Clinic, modeled on the LAT Clinic.
- Advised health systems across South Florida on launching similar long-acting injectable clinics.

Nova Southeastern University — Adjunct Faculty, Pharmacology Sept. 2010 – Present

Fischler School of Education and Human Services, Ft. Lauderdale, Florida

- 15+ years of doctoral-level adjunct teaching in pharmacology and psychopharmacology.
- Lecture topics include drug-induced impairments (speech, cognition, hearing, dysphagia, stuttering); polypharmacy in the elderly; psychopharmacology of reward and addiction; and major psychiatric disorders (anxiety, depression, ADHD).

Previous Experience

Memorial Regional Hospital — Pharmacy Clinical Coordinator	Dec. 2014 – Jul. 2018
Memorial Regional Hospital — Clinical Psychiatric Pharmacy Specialist	Jul. 2010 – Dec. 2014
St. Helena / Center for Behavioral Health — Pharmacist, Vallejo, CA	Jan. 2010 – Jul. 2010
Miami Dade County DERM — Chemist 1, Miami, FL	Mar. 2003 – Jul. 2005

EDUCATION

University of Florida — M.S., Pharmacy & Pharmaceutical Sciences (Clinical Toxicology) Jun. 2011 – Dec. 2017

University of Florida — Graduate Certificate, Forensic Drug Chemistry	Jun. 2011 – Dec. 2017
Touro University College of Pharmacy- Clinical Pharmacy Residency, Psychopharmacology	Jun. 2009 – Jun. 2010
Nova Southeastern University — Doctor of Pharmacy	2005 – 2009
Florida International University — B.S., Chemistry	1998 – 2002

SELECTED CLINICAL LEADERSHIP & POLICY CONTRIBUTIONS

- Established the first pilot clinic for pharmacist-administered antipsychotic medication by injection (January 2020), Memorial Regional Hospital.
- Expert Panel Member, 2020 Florida Best Practice Recommendations for Psychotherapeutic Medication Guidelines for Adults — Florida Medicaid Drug Therapy Management Program for Behavioral Health, University of South Florida (Nov. 2019).
- Expert Panel Member, 2019 Florida Best Practice Recommendations for Women of Reproductive Age with Serious Mental Illness and Comorbid Substance Use Disorders (Apr. 2019).
- Lead Author for Protocol Development, Florida Statute 465.1893 — Administration of Antipsychotic Medication by Injection (2019).

PHARMACEUTICAL INDUSTRY

National, regional, and local speaker bureau faculty for eight pharmaceutical companies, including Janssen, Janssen Canada, Alkermes, TEVA, Otsuka, Bristol Myers Squibb, Axsome, Vertex, and Neurocrine.

Company	Product	Role	Dates
Janssen	Spravato (Intranasal Esketamine)	Speakers Bureau	Apr 2019 – Jan 2026
Janssen	LAT (Invega Sustenna/Trinza/Hafyera)	Speakers Bureau	Mar 2020 – Present
Janssen	Population Health Decision Makers	Speakers Bureau	Mar 2020 – Present
Janssen	Asembia Product Theater	Faculty	Apr 2025
Janssen Canada	Spravato (Intranasal Esketamine)	Speakers Bureau	Jul 2020 – Jan 2026
Alkermes	Aristada (Aripiprazole Lauroxil)	Speakers Bureau	Jan 2019 – Present
Alkermes	Lybalvi (Olanzapine/Samidorphane)	Speakers Bureau	Jan 2023 – Present
TEVA	Uzedy (Risperidone)	Speakers Bureau	Jul 2023 – Present
Otsuka	Rexulti (Brexipiprazole)	Speakers Bureau	Jul 2023 – Present
Bristol Myers Squibb	Cobenfy (Xanomeline/Trospium)	Speakers Bureau	Oct 2024 – Present
Bristol Myers Squibb	AAPP Product Theater, Salt Lake City	Faculty	Apr 2025
Axsome	Auvelity (Dextromethorphan/Bupropion)	Speakers Bureau	May 2025 – Present
Vertex	Journavx (Suzetrigine)	Speakers Bureau	Jul 2025 – Present
Vertex	Hospital Pharmacy Conf., Chicago	Faculty	Sep 2025

Neurocrine	Ingrezza (Valbenazine)	Speakers Bureau	Dec 2025 – Present
------------	------------------------	-----------------	--------------------

Advisory Boards

- Janssen — Transitions of Care Experience & Solutions Advisory Board, SME, Nov. 2019 (Philadelphia, PA).
- Janssen — Major Depressive Disorder Advisory Board, SME, Nov. 2019 (Philadelphia, PA).
- Janssen — Accelerating Change in Schizophrenia Care: Multidisciplinary Advisory Board, SME, Jun. 2019 (Washington, DC).
- Janssen — Population Health Decision Maker, SME, Dec. 2019 – Present.
- Janssen — Accelerated Change Strategies (Population Health SME), Nov. 2019 – Present (Miami, Raleigh, Dallas, Oklahoma City, Orange County).
- Janssen Practice Management Advisory Board — Chair & Faculty, Oct. 2021 (Denver, CO).
- Janssen Psychiatry Live Advisory Board — Chair & Faculty, Oct. 2021 (Jersey City, NJ).

GRANTS

- Florida State Special Appropriations Grant — Medication Assisted Treatment and Health Integration Grant, 2019–Present.
- Florida Department of Children and Families, STR Opioid Crisis Response Block Grant — MAT and Emergency Department Pilot Program at Memorial Healthcare System, 2017–Present.
- Florida State Special Appropriations Grant — Mothers in Recovery, Prevention of Neonatal Abstinence Syndrome, 2017–Present.
- Broward County Department of Health & Human Services — Outpatient Mental Health Services, 2016–2019.
- SAMHSA — Primary and Behavioral Health Care Integration Grant, Memorial Regional Outpatient Behavioral Health Center, 2016–2019.

SELECTED PRESENTATIONS

- Neurobiology and Toxicology of MAT: Treatment Strategies for Opioid and Alcohol Use Disorders. NAADAC Annual Conference, Oct. 2025.
- Unraveling Complex Cases: The Role of Toxicology and Pharmacology Experts. SESHP Keys, Sep. 2025; FSHP Annual Conference, Aug. 2025.
- The Reward Pathway. SESHP CE at Sea, Jan. 2025.
- Psychiatric Medication Administration in the Outpatient Setting. AAPP Summit 2023, Oct. 2023.
- Mechanisms of Glutamate-Induced Neurotoxicity with a Focus on Potential Solutions. American Academy of Stem Cell Physicians, Aug. 2023.
- Implementation A to Z: Establishing Long-Acting Injectable Services in the Pharmacy Setting. NC Association of Pharmacists Webinar, May 2023.
- Response to the Fentanyl Epidemic. Memorial Healthcare System, Nov. 2021 & Nov. 2022.
- Medication Assisted Treatment. Second Annual Broward Mental Health Summit, Sep. 2019.
- The Opioid Crisis: Community Impact. United Way of Broward County Commission on Behavioral Health & Drug Prevention, Jul. 2019.
- FADAA Opioid Bridge Program. Florida Alcohol and Drug Abuse Association, Jan. 2019.
- United Family Court Summit, 17th Judicial Circuit Court. Broward County, FL, Nov. 2018.
- Opiate Education / Suicide Prevention Community Outreach Panel. Town of Davie & Memorial Healthcare System, Dec. 2018.
- Response to the Opioid Epidemic. Memorial Healthcare System, Nov. 2018.
- The Opioid Addicted Pregnant Patient and Substance Exposed Neonate. Regional Summit, Sep. 2018.
- Innovative Hospital Approaches to Addressing the Opioid Crisis. Florida Hospital Association, Nov. 2017.
- Maternal Addiction Treatment — invited talks at 7 community organizations and county workgroups, 2015–2016 (full list available).

- Psychopharmacology. Broward Sheriff's Office Drug Court Program In-Service Training, Jun. 2015.

DISASTER PREPAREDNESS & TOXICOLOGY RESPONSE

- Designated toxicologist representative for Memorial Regional Hospital in Broward County's annual mass-casualty and disaster preparedness drills (2018–Present), the largest coordinated emergency exercise in the region.
- Provide on-scene toxicology consultation during simulated incidents involving nerve agents, organophosphates, industrial chemical releases, toxic gas exposures, radiation events, mass poisonings, and bioterrorism scenarios.
- Advise hospital incident command on antidote stocking, decontamination protocols, triage of contaminated patients, and coordination with EMS, hazmat, and public health agencies.
- Contribute to after-action reviews and protocol refinement for MRH's CBRNE (Chemical, Biological, Radiological, Nuclear, Explosive) response plan.

CLINICAL RESEARCH PROJECTS

- The paradox of an integrated MAT-OPAT Program. (2020–2022) P. Eckardt, J. Reed, C. Vicencio, A. Augsten.
- Effect of medication-assisted treatment on frequency of emergency department visits: A retrospective chart analysis. (2017–2018) A. Cobb, S. Themas, R. Katz, E. Basan, C. Vicencio, A. Augsten.
- Differences in adverse effects profile among long acting injectable antipsychotics in a Long Acting Therapy Clinic: A retrospective study. (2015–2017) J.G. Toledo, S. Themas, J. Sotelo, A. Augsten.
- Effect of clinical pharmacist intervention on metabolic parameters in patients receiving long acting antipsychotic injection therapy. (2016–2017) S. Themas, A. Augsten, C. Vicencio, C. Alvarez.
- Quantifying Benzodiazepine Usage Utilizing a Fixed-dose Alcohol Withdrawal Protocol in a Large Community Hospital. (2015–2016) S. Cousins, D. Bober, A. Augsten.
- Opioid detoxification during pregnancy to prevent neonatal abstinence syndrome. (2015–2018) L. Scott, C. Vicencio, A. Augsten.
- Assessment of clozapine plasma levels on stable outpatients with schizophrenia. (2009–2010) A. Augsten, S. Popish, P. Perry.
- Effects of valproic acid as adjunct therapy in adult schizophrenic patients. (2008–2009) A. Augsten, J. Marino.

POSTER PRESENTATIONS

- The paradox of an integrated MAT-OPAT Program. P. Eckardt, J. Reed, C. Vicencio, A. Augsten. IDSA Annual Meeting, Oct. 2021.
- Opioid detoxification during pregnancy to prevent neonatal abstinence syndrome. L. Scott, C. Vicencio, A. Augsten. SMFM Pregnancy Annual Meeting, Las Vegas, NV, Feb. 2019.
- Effect of medication-assisted treatment on frequency of ED visits. A. Cobb et al. ASHP Annual Meeting, Anaheim, CA, Dec. 2018.
- Drug use evaluation of alteplase in patients with suspected pulmonary embolism in the ED and ICU. V. Huffman, N. Doctor, B. Rogers, A. Augsten. ASHP Annual Meeting, Anaheim, CA, Dec. 2018.
- Addressing the Opioid Epidemic via a Transitions of Care Interdisciplinary Service: A Hospital Pilot. S. Cousins, A. Augsten, R. Katz, C. Vicencio. Academy of Psychosomatic Medicine Annual Meeting, Orlando, FL, Nov. 2018.
- Differences in adverse effects profile among long acting injectable antipsychotics. J.G. Toledo et al. CPNP Annual Meeting, Indianapolis, IN, Apr. 2018.
- Pharmacologic Management of Parkinson's Disease Related Psychosis. S. Cousins, A. Augsten, J.L. Sotelo. Academy of Psychosomatic Medicine, Palm Springs, CA, Nov. 2017.
- Antidepressants and Increased Risk of Fractures and Osteoporosis in Elderly Patients: A Literature Review. S. Themas, A. Augsten, J.L. Sotelo. Academy of Psychosomatic Medicine, Palm Springs, CA, Nov. 2017.
- Effect of clinical pharmacist intervention on metabolic parameters in patients receiving LAI antipsychotic therapy. S. Themas et al. CPNP, Phoenix, AZ, Apr. 2017; ASHP, Las Vegas, NV, Dec. 2016.
- Long Acting Therapy Clinic: A Pharmacy Initiative for the Integrated Treatment of SMI. A. Augsten, D. Bober. CPNP Annual Meeting, Colorado Springs, CO, Apr. 2016.
- Prophylactic Clozapine Plasma Concentrations in Stable Outpatient Schizophrenics. A. Augsten, S. Popish, P. Perry. CPNP, Phoenix, AZ, Apr. 2011.

- Postictal Psychosis Successfully Treated with Quetiapine. A. Augsten, J. Marino. CPNP, Jacksonville, FL, Apr. 2009.
