

## CURRICULUM VITAE

**GENI A. BENNETTS, MD, MA, FAAP, FACMQ, FABQAURP CPE**

[GBennetts@ResolveHC.com](mailto:GBennetts@ResolveHC.com)

### **PERSONAL**

#### BUSINESS ADDRESSES

**RESOLVE Healthcare Consulting LLC**  
Principal

944 El Centro Avenue  
Napa, CA 9455

BUSINESS TELEPHONE:

707-479-3293

MOBILE:

707-479-3293

CITIZENSHIP:

United States

### **EDUCATION**

#### UNDERGRADUATE EDUCATION:

Columbia College  
Takoma Park, Maryland

1964-1967 BA  
Psychology

Virginia Commonwealth University  
Richmond, Virginia

1969\*

#### GRADUATE EDUCATION:

Andrews University  
Berrien Springs, Michigan

1968-1969 MA  
Psychology  
Summa cum Laude

Loma Linda University  
School of Medicine  
Loma Linda, California

1970-1973 M.D

### **POST DOCTORAL TRAINING**

#### INTERNSHIP

Pediatrics  
University of California, Irvine  
Irvine, California

1973-1974

#### RESIDENCY

Pediatrics  
University of California, Irvine

1974-1975

\*Chemistry Major/Pre-med requirement completion

**Geni A. Bennetts, MD FAAP**  
**Page 2**

RESIDENCY 1974-1975  
Pediatrics  
University of California, Irvine  
Childrens Hospital of Orange County

FELLOWSHIP 1975-1977  
Pediatric Hematology/Oncology  
University of California, Irvine  
Irvine, California

LICENSURE  
  
California Medical License 1974-Present

**CERTIFICATIONS**

Board Certified, National Board of Medical Examiners 1974

Board Certified, American Board of Pediatrics 1979

Board Certified, American Board of Pediatrics,  
Subspecialty Hematology-Oncology 1980

Board Certified, American Board of Quality Assurance  
And Utilization Review Physicians 1993  
with Sub-Certification in Risk Management 2022

Certified Health Care Quality Management 2008

Certified Physician Executive 2019

**CAREER**

Principal, RESOLVE Healthcare Consulting, LLC 2009-Present

Interim Medical Director, Community Health Group January 2023-June 2024

Medical Director, Clinical Review and Risk Support ,  
OptumHealth (United Health Group) Nov.2020-Nov 2022

Interim Medical Director, Oscar HealthPlan, CA Sept. 2019-Nov. 2020

Medical Consultant, Freed Associates 2025-Current /2019-2020

Interim Chief Medical Officer, Community Health  
Group, San Diego, CA Nov. 2017-March 2019

Medical Director of Advisory Services, Sound  
Physicians: Mercy Medical Center Merced, CA 2017-2018

Interim CMO, Medcore IPA, Stockton, CA 2014-2017

**Geni A. Bennetts, MD FAAP**  
**Page 3**

Juror, Civil Grand Jury, Napa County, California	2025-2026
Senior Medical Consultant/Consulting Firms	2012-Present
Expert Witness--Quality/Risk/ Compliance/Utilization/HIPAA Medicare/Medicaid	2012-Present
Trustee/Chair, Board of Trustees, Queen of the Valley Medical Center, Napa, CA	2017-Present
First Responder, Medical Reserve Corp, Napa County	2005-Present
Chair, Board of Directors, Napa Community Bank	2006-2010
President, Childrens Health Initiative Napa County	2006-2008
Director, Board of Directors, Children's Health Initiative Napa County	2005- 2008
Director, Napa Community Bank, Napa, CA	2001-2010
Vice-Chair, Napa Community Bank, Napa, CA	2001-2006
Interim Medical Director, Napa Valley Physicians Association, Napa, CA.	February 1999- June 1999
Assistant Medical Director, Napa Valley Physician Association, Napa, CA	July 1997-July 1998
Chief, Division of Hematology/Oncology Childrens Hospital of Orange Co., Orange, CA	1981-1996
Co-Medical Director, Case Management Program Childrens Hospital of Orange Co., Orange, CA	1994-1996
Director, Department of Pediatric Hematology/Oncology Fountain Valley Regional Hospital and Medical Center Fountain, Valley, CA	1989-1994
Chair, Department of Medicine, Childrens Hospital of Orange County, Orange, CA	1983-1986
Adjunct Clinical Professor, Department of Medicine University of California, Irvine, Irvine, CA	1993-1996
Assistant Adjunct Professor, Department of Pediatrics University of California, Irvine, Irvine, CA	1983-1986
Assistant Clinical Professor, Department of Pediatrics University of California, Irvine, Irvine, CA	1980-1983

**Geni A. Bennetts, MD FAAP**  
**Page 4**

Instructor of Pediatrics, Department of Pediatrics University of California, Irvine, Irvine, CA	1978-1980
Medical Director, Blood, and Donor Service Childrens Hospital of Orange Co. Orange, CA	1988-1996
Clinical Practice, Pediatric Hematology/Oncology Orange, California	1977-1996
Attending Physician, Childrens Hospital of Orange County, Orange, CA	1978-1996
Attending Physician, St. Joseph's Hospital of Orange, Orange, CA	1978-1996
Attending Physician, Western Medical Center, Santa Ana, CA	1978-1996
Attending Physician, Fountain Valley Regional Hospital and Medical Center, Fountain Valley, CA	1989-1996
Principal Investigator, Childrens Cancer Study Group	1981-1993
Liaison Associate, American College of Surgeons, Commission on Cancer	1981-1996
Coordinator, California Childrens Services, State of California, Sickle Cell Center for Orange County, CA	1990-1996
Coordinator, California Childrens Services, State of California, Hematology/Oncology Center for Orange County, CA	1981-1996
Director, Hematology/Oncology Nurse Practitioner Program, Childrens Hospital of Orange County, Orange, CA	1983-1996

**HONORS**

Woman of the Year, 2015, Senate District 3, State of California	2015
Special Recognition for Community Service— Queen of the Valley Medical Center	2009
California Legislature Assembly Special Resolution-- Acknowledgment Lifetime Community Service	2008
Physician of the Year Award, Orange County Medical Association, Orange, CA	1996

Volunteer of Distinction Finalist Award, <u>The Times of Orange County</u> , Orange, CA	1996
Paul Harris Fellow Recognition Award for Outstanding Community Service, Rotary of Orange, Orange, CA	1992
Women of Achievement Award, YWCA of Orange, County, CA	1986
Outstanding Young Woman of the Year, State of California	1974
Vice President, Junior/Senior Class, Loma Linda University, School of Medicine, Loma Linda, CA	1972-1973

**PROFESSIONAL ORGANIZATIONS**

American Academy of Pediatrics	1977-Present
Napa-Solano County Medical Society	1996-Present
District I Pediatric Society, American Academy of Pediatrics	1996-Present
American Association for Physician Leadership	1992-Present
Committee on Practice, American Society of Clinical Oncology	1992-1995
American College of Medical Quality	1994-Present
American Association of Blood Banks	1992-1998
American College of Legal Medicine	1992-2016
American Society for Apheresis	1992-2000
Advisory Board, Commerce Bank, Orange, CA	1991-1992
Chair, Clinical Practice Committee, American Society of Pediatric Hematology/Oncology	1991-1995
Orange Chamber of Commerce	1991-1996
American Society of Hematology	1984-2009
American Society of Clinical Oncology	1984-Present
Los Angeles Pediatric Society	1982-1993
American Society of Pediatric Hematology/Oncology	1981-Present

Ethics Committee, Orange County Medical Association	1979-1981
<b>Geni A. Bennetts, MD FAAP</b>	
<b>Page 6</b>	
Orange County Pediatric Society	1977-1996
California Medical Association	1977-Present
American Medical Association	1977-Present
Orange County Medical Association	1977-1996

**COMMITTEES**

Utilization Management Committee, Napa Valley Physicians Association	1997-1999
Pediatric Quality Assurance Committee	1997-1998

**CHILDRENS HOSPITAL OF ORANGE COUNTY, ORANGE CA**

Executive Board of Directors, Pediatric Subspecialty Faculty	1994-1996
Chair, Utilization Management, Childrens Hospital Independent Physicians Association	1994-1995
Chair, Utilization Management, Pediatric Subspecialty Faculty	1994-1996
Chair, Subcommittee on DNR Policy	1991
Chair, Subcommittee on Patient Self-Determination Act	1991
Chair, Clinical Risk Management Committee	1991-1996
Subcommittee on Implementation of the Paul Gann Act	1990
Clinical Risk Management Committee	1989-1996
Chair, Clinical Care Evaluation Committee	1989-1991
Medical Quality Review Committee	1989-1996
HIV Transfusion Task Force (Look Back Program)	1988
Pharmacy Committee	1988-1991
Patient Care Monitoring Committee	1988-1996
Clinical Care Evaluation Committee	1988-1995
Utilization Management Committee	1988-1996
Research Committee	1988-1989

Chair, Department of Medicine 1983-1986

**Geni A. Bennetts, MD FAAP**  
**Page 7**

Chair, Tumor Board 1979-1981

Chair, Cancer Committee 1979-1989

SAINT JOSEPH HOSPITAL OF ORANGE, ORANGE CA

Pediatric Quality Assurance Committee 1991-1996

Transfusion Committee 1989-1995

FOUNTAIN VALLEY REGIONAL MEDICAL CENTER,  
FOUNTAIN VALLEY, CA

Cancer Committee 1990-1991

CHILDRENS CANCER GROUP (NATIONAL CANCER INSTITUTE)

Late Effects Study Committee—Lymphoma 1991-1994

Special Studies Follow-up CCG-L001 1990-1994

Protocol Efficiency Committee 1990-1994

Supportive Care Committee 1989-1994

Wilms' Tumor Retrieval Study 1988-1989

Audit Committee 1985-1989

Affiliate Activities General Committee 1981-1985

Affiliate Activities Committee 1981-1993

Principal Investigator, Orange County 1981-1993

**COMMUNITY SERVICE**

Vice Chair and Member, Board of Trustees, Queen of the Valley  
Medical Center 2017-Present

Children's Health Initiative Napa County 2002-2008

Childrens Mobile Clinic Planning Committee,  
Queen of the Valley Hospital, Napa CA 2001-2003

Citizen Review Panel, Child Welfare Services,  
Napa County Department of Health and Human Services  
Napa, CA 2000-2002

Board of Trustees, Napa Valley Aids Project, Napa, CA	1998-2001
<b>Geni A. Bennetts, MD FAAP</b>	
<b>Page 8</b>	
President, Family Service of North Bay, Napa, CA	2001-2004
Vice President, Family Service of North Bay, Napa, CA	1998-2001
Board of Trustees, Family Service of North Bay, Napa, CA	1996-2004
Planning Committee, Impresarios, Friends of the Lincoln Theatre, Napa, CA	1996-2008
Advisory Council, Ronald McDonald House of Orange County, Orange, CA	1996-2012
Childrens Hospital of Orange County Foundation Board Of Directors, Orange, CA	1995-1999
Advisory Board, Stop Gap, Orange, CA	1994-1996
Vice President, Board of Trustees, Southern California Childrens Cancer Services, Inc., Los Angeles, CA	1994-1996
Board of Trustees, Ronald McDonald House of Orange County, Orange, CA	1987-1996
President, Board of Trustees, Ronald McDonald House Of Orange County, Orange, CA	1987-1995
Advisory Board, South Orange County YWCA, Orange, CA	1985-1992
Board of Directors, Tri-County Chapter, Leukemia Society Of America, Orange, CA	1984-1986
Board of Directors, Orange County Chapter, American Cancer Society, Orange, CA	1980-1986
Professional Education Committee, American Cancer Society, Orange, CA	1979-1986

**CLINICAL CAREER RESEARCH INTERESTS**

- Leukocyte transfusions for septic neonates
- Immune function in Hemophilia Patients
- Use of Cytokines in patients with malignant disease.
- Use of recombinant erythropoietin in patients with leukemia.
- Use of recombinant erythropoietin in neonates.

**CAREER RESEARCH INTERESTS (Continued)**

Epidemiology of Wilms' Tumor  
Environmental factors in malignancy of childhood  
Use of Protein A Column Therapy in Pediatric autoimmune disorders.  
Quality Management in the Managed Care Environment  
Health Care Policy in Pediatrics  
Use of Clinical Care Guidelines in the Hospital Setting  
Risk Management

**RESEARCH GRANTS**

"ProSORBA™ Column Therapy in Patients Refractory to Platelet Transfusions Due to Alloimmunization," funded By Imre Corporation	1992-1995
"Use of Procrit™ (Epoetin Alfa) in Children with Acute Lymphocytic Leukemia," funded by Ortho Biotech	1992-1995
Development of the Pediatric Tumor Registry at Childrens Hospital of Orange County, funded by The American Cancer Society	1978-1979

**REVIEWER**

International Journal of Pediatric Hematology/Oncology	1995-2003
The Childrens Cancer Group	1993-1997
The American Journal of Pediatric Hematology/Oncology	1992-1997

**PEER REVIEW JOURNAL PUBLICATIONS**

Neonatal Isoimmune Thrombocytopenia: The Natural Course and Management, and the Detection of Maternal Antibody. J. Katz, F. Hodder, R. Aster, G. Bennetts, M. Cairo, University of California, Irvine, Milwaukee Blood Center, and Childrens Hospital of Orange County. **Clinical Pediatrics**, Vol. 23, No. 3., March 1984.

**PEER REVIEW JOURNAL PUBLICATIONS (Continued)**

Improved Survival of Newborns Receiving Leukocyte Transfusion for Sepsis. M. S. Cairo, R. Rucker, G. Bennetts, D. Hicks, R. Amlie, S. Johnson, J. Katz. **Pediatrics**, Vol. 74, No. 6, November 1984

Adolescents with Cancer Report their Psychosocial Needs. D. Orr, M. A. Hoffmans, G. Bennetts. **Journal of Psychosocial Oncology**. Vol. 2, 1984, Issue 2.

Combination Chemotherapy with Cyclophosphamide, Vincristine, Procarbazine, and Prednisone (COPP) in Children with Brain Tumors. L.J. Ettinger, D. Sinniah, S. Siegel, L. Fishman, H. Segal, S. Daljit, G. Bennetts, D. Schultz, D. Raphael. **Neuro-Oncology**, Vol. 3:263-269, 1985

Hemoglobin Hammersmith as the Cause of Severe Hemolytic Anemia in a Chinese Girl. L.J. Ettinger, S. Rahbar, G. Bennetts. **American Journal of Hematology/Oncology**, 8 (1): 13-17, 1986.

Immune Thrombocytopenia Following Actinomycin D (successfully treated with Prednisone). F. Hodder, P. Kempert, S. Spooner, G. Bennetts, J. Katz, M. S. Cairo. **Journal of Pediatrics**, Vol.107, No. 4:611-614, October 1985.

Impaired In Vitro Polymorphonuclear Function Secondary to the Chemotherapeutic Effects of Vincristine, Adriamycin, Cyclophosphamide, and Actinomycin D. M. S. Cairo, C. Mallett, C. Vande Ven, P. Kempert, G. Bennetts, J. Katz. **Journal of Clinical Oncology**, Vol. 4, No. 5: 798-804, May 1986.

Long Term Use of Indwelling Multi-Purpose Silastic Catheters (MSC) in Pediatric Cancer Patients (PCP) Treated with Aggressive Chemotherapy. M. Cairo, S. Spooner, L. Snowden, G. Bennetts, B. Towne, F. Hodder. **Journal of Clinical Oncology**, Vol. 4, No. 5: 784-788, May 1986.

The Role of Circulating Complement and Polymorphonuclear Leukocyte Transfusion in the Treatment and Outcome of Critically Ill Neonates with Sepsis. M. Cairo, C. Worcester, R. Rucker, G. Bennetts, R. Amlie, R. Perkin, N. Anas, D. Hicks. **Journal of Pediatrics**, Vol. 110 No. 6: 935-941, June 1987.

Abnormal Cellular and Humoral Immunity in Childhood Acute Lymphoblastic Leukemia in Long Term Remission. J. Katz, B. Walters, G. Bennetts, M. Cairo. **Western Journal of Medicine**, 1987: 146:179-187.

Combination Chemotherapy and Verapamil to Purge Drug Resistant Leukemia Cells from Human Bone Marrow. M. Cairo, C. Toy, L. Sender, G. Bennetts, C. Van de Ven. In: Gross, S. Gee, A. P., Worthington-White, D. A. eds. **Progress in Clinical and Biological Research**. New York: Wiley-Liss 1990; 333:47-55

Immunization of Patients with Malignant Disease. G. Bennetts. In: Albin, A.R. ed. **Supportive Care of Children with Cancer**. The Johns Hopkins University Press, Baltimore, 1993, 131.

**ABSTRACTS**

Katz, J., Walter, B., Bennetts, G., and Cairo, M. Long Term Remission in Acute Lymphoblastic Leukemia with T and B Cell Deficits both in Number and Function and Return to Normal Levels after 1 Year. **Blood** 1982; 60 (5): #550

Cairo, M., Johnson S., and Bennetts, G., Prospective Randomized Trial of Polymorphonuclear Leukocyte Transfusions for Septic Neonates. Presented to the Society for Pediatric Research, May 1983. **Pediatric Research** 1983; 17(4): #1314.

Cairo, M., Mallett, C., Bennetts, G., and Katz, J. In Vitro Effects of Cyclophosphamide and Vincristine on Polymorphonuclear Leukocyte (PMN) Function. **Blood** 1983; 62(6): #572

Katz, J., Walter, B., Bennetts, G., and Cairo, M. Decreased Helper Cell Numbers and Suppressor Dysfunction in Childhood Acute Lymphoblastic Leukemia in Long Term Remission. **Blood** 1983; 62(6) #606.

Kempert, P., Katz, J., Mallet, C., Vande Ven, C., Walter, B., Bennetts, G., and Cairo, M. Normal Chemotaxis and Other Granulocyte Functions in Hemophiliacs with Abnormal T Helper/T Suppressor Cell Ratios. Presented to the Society for Pediatric Research, May 1984. **Pediatric Research** 1984; 18(4): #873.

Hodder, F., Kempert, P., McCormack, S., Bennetts, G., Katz, J., and Cairo, M., Early Life-Threatening Thrombocytopenia Unrelated to Bone Marrow Suppression Secondary to Actinomycin-D (ACT-D) in Five Pediatric Solid Tumor Patients Successfully Treated with Prednisone Therapy. Presented to the Society for Pediatric Research, May 1984. **Pediatric Research** 1984; 18(4): #873.

Morris, C., Sowden L., Howard, J., Rupprecht, M., Towne, B., Bennetts, G., and Cairo, M. Long Term Use of Multipurpose Silastic Catheters (MSC) in Pediatric Patients with Cancer (PPC) Treated with Aggressive Chemotherapy. Presented to the American Society of Clinical Oncology (ASCO), May 1984. **ASCO Proceedings** 1984;3: #C-377.

Cairo, M., Mallet, C., Kempert, P., Bennetts, G., and Katz, J. The Effects of Cyclophosphamide, Vincristine, Adriamycin, and Actinomycin-D on Polymorphonuclear Leukocyte (PMN) Function in Vitro. Presented to the American Society of Clinical Oncology (ASCO), May 1984. **ASCO Proceedings** 1984;3 #C-208.

Walter, B.M., Bennetts, G., Cairo, M., and Katz, J. Abnormal Lymphocyte Responses in Hemophilia Related to Increased Donor Exposure: Normal Mitogen Stimulation of Lymphocytes Pre-incubated with Factor VIII Concentrate. **Blood** 1984;64(5): #312.

Hymas, N., Walter, B., Bennetts, G., and Cairo, M., Katz, J. Interleukin 2 Production is not dependent of T Cell Numbers, Helper-Suppressor Cells, and H/S Ratios. **Blood** 1984;64(5): #427.

Katz, J., Walter, B., Bennetts, G., and Cairo, M. High Levels of Interleukin 2 in Hemophilia Persons with Abnormal Helper-Suppressor Cell Numbers. **Pediatric Research** 1985;19(4):#921.

ABSTRACTS (Continued)

Hodder, F., Vande Ven, C., Wong, C., Bennetts, G., Katz, J., and Cairo, M. Hydrocortisone (HC) Induced Greater In Vitro Suppression of Human Polymorphonuclear Granulocyte (PMN) Aggregation, and other PMN function than Methylprednisolone (MP) and Dexamethasone (DXM). **Pediatric Research** 1985;19(4): #987.

Walter, B., Bennetts, G., Cairo, M., and Katz, J. Prolonged Helper Cell Abnormalities Following Cessation of Multi-Agent Chemotherapy in Childhood Malignancies. Presented to the American Society of Clinical Oncology (ASCO) May 1985. **ASCO Proceedings** 1985;4 #C-896

Cairo, M., Vande Ven, C., Wong, C., Hodder, F., Bennetts, G., and Katz, J. High dose Methotrexate (Hd MTX) but not High Dose Cytosine Arabinoside (Hi D ARA-C) or Bleomycin (BLEO) Inhibits Polymorphonuclear (PMN) Function in Vitro. **ASCO Proceedings** 1985;4 #C-1051.

Hodder, F., Vande Ven, C., Wong, C., Bennetts, G., Katz, J., and Cairo, M. Differential Suppression by the Glucocorticoid Cytotoxic Agents, Hydrocortisone (HC) and Methylprednisolone (MP) of In Vitro Human Polymorphonuclear Granulocyte (PMN) Chemotaxis and Superoxide Production. **ASCO Proceedings** 1985;4: #C-897.

Cairo, M., Vande Ven, C., Bennetts, G., Wong, C., and Hodder, F. Significant Inhibition of Polymorphonuclear Function In Vitro by Chemotherapeutic Agents, and Cytotoxic Glucocorticoids. Presented at the Thirty-Eighth Annual Symposium on Fundamental Cancer Research, The University of Texas, M D Anderson Hospital and Tumor Institute, Houston, Texas, February 1985.

Cairo, M., Bennetts, G., Wong, C., Litke, T., and Vande Ven, C. Normal Functional Activity and Numbers of Polymorphonuclear Cells Separated with Hetastarch Compared to Standard Dextran with 50% Less Sedimentation Time. **Blood** 1985;66(5): #986.

Walter, B., Bennetts, G., Cairo, M., and Katz, J. Multi-Agent Chemotherapy Causes a Decrease of the T4+TQ1-Lymphocyte Subset and Reduced Interleukin 2 Levels. **Blood** 1985;66(5): #298.

Cairo, M., Sender, L., Bennetts, G., Wong, C., Litke, T., Katz, J., and VandeVen, C. The Abnormal Effect of VP-16 and DTIC But Not Vinblastine (VBL) and L-Asparaginase (L-ASP) On Polymorphonuclear Leukocyte (PMN) Function In Vitro. Presented to the American Association of Cancer Research (AACR) May 1986. **AACR Proceedings** 1986;27: #1537.

Cairo, M., Hicks, D., Bennetts, G., Amlie, R., Rucker, R., Anas, N., Perkin, R., and Worcester, C. Low Circulating Levels of Complement, and the Absence of PMN Transfusion (Tx) are Poor Prognostic Factors for Survival in a Large Randomized and Prospective Trial of Treatment of Septic Neonates (NB). Presented to the Society for Pediatric Research (SPR) May 1986. **Pediatric Research** 1986;20(4): #1408.

Katz, J., Walter, B., Bennetts, G., and Cairo, M. Patients Treated with Childhood Malignancies Treated with Blood Products 1980 through 1982, Have No Measurable HTLV III Antibody. **Blood** 1986;68(5): #392.

ABSTRACTS (Continued)

Cairo, M., Sender, L., Bennetts, G., Siegel, S., and Katz, J. Successful Treatment of Acquired Autoimmune Red Cell Aplasia with Intravenous Gammaglobulin After Failure with ATG, Oxymethalone and Prednisone. Presented to the American Society of Hematology, December 1986. **Blood** 1986;68(5): #300.

Katz, J., Walter, B., Bennetts, G., and Cairo, M. Treated Childhood Malignancies Show Decreased Lymphocyte Subsets and Reduced Interleukin 2 Levels. **Pediatric Research** 1986;20(4): #761.

Cairo, M., VandeVen, C., Toy, C., Bennetts, G., and Treichel, R. Chemotherapy Induced Polymorphonuclear Dysfunction: Possible Immune Membrane Aberrations. Presented to the International Society of Preventive Oncology, Second International Symposium, sponsored by the Pasteur Institute, Nice, France, April 1987.

Cairo, M., VandeVen, C., Toy, C., Bennetts, G., Hodder, F., Ferrer, C., and Treichel, R. Idarubicin But Not Epirubicin Profoundly Inhibits PMN Superoxide Release Without Effecting Other PMN Function: New Possible Role in Immune Modulation. **ASCO Proceedings** 1986;6: #934.

Cairo, M., Sender, L., Bennetts, G., Toy, C., and VandeVen, C. A Novel "Shelf and Interphasing" Method of Automated Processing of Small Aliquots of Pediatric Size Bone Marrow: Shortened Processing Time and Increased Nucleated Cell Recovery. **Blood** 1987;70(5): #1126.

Cairo, M., VandeVen, C., Bennetts, G., Hodder, F., Toy, C., and Sender, L. PMN As A Model of Oxidative Toxicity: Incubation with Idarubicin, Epirubicin, and Verapamil: Implications for Differential Cardiotoxicity. **Blood** 1987;70(5): #191.

Cairo, M., Sender, L., Bennetts, G., Toy, C., and VandeVen, C. A Novel "Shelf and Interphasing" Method of Automated Harvesting of Pediatric Size Bone Marrow: Shortened Processing Time and Increased Nucleated Cell Recovery. Presented to the UCLA Bone Marrow Transplantation Symposium, Tamarron, CO, March 1988. **Journal of Cell Biochemistry** 1988;12C: #K402.

Cairo, M., Toy, C., Bennetts, G., Sender L., Miller, D., and VandeVen, C. Idarubicin and Epirubicin Profoundly Inhibit Oxidative Radical Formation: Verapamil and Cyclosporin Have No Effect on Ida or Epi Cellular Cytotoxicity. Presented to the American Association for Cancer Research, May 1988. **AACR Proceedings** 1988;29: #1106.

Cairo, M., Sender, L., Bennetts, G., Krance R., and Hodder, F. Efficacy and First Two-Year Experience of a New Pediatric Allogeneic and Autologous Bone Marrow Transplant (BMT) Program. **Pediatric Research** 1989;25(4): #874.

Cairo, M., Plunket, M., Toy, C., Sender, L., Knoppel, E., Bennetts, G., Kantawala, S., and VandeVen, C. Verapamil Modulation of Vincristine and Etoposide (VP-16) Ex Vivo Purging of MDR Resistant ALL: Differential Leukemia Cytotoxicity versus BM CFU-GM Toxicity. Presented to the American Society of Hematology, November 1990. **Blood** 1990; 76(10): #2112.

ABSTRACTS (Continued)

Bennetts, G., Anton-Culver, H., Taylor, T., and Kurosaki, T. Characteristics of Acute Lymphocytic Leukemia (ALL), Brain/CNS Cancer, and Non-Hodgkin's Lymphoma (NHL) from a Population-based Cancer Registry. **Proceedings of the American Society of Pediatric Hematology/Oncology** 1:22, 1992.

Bennetts, G., Briones, G., and Secola, R. Ketamine for Conscious Sedation during Pediatric Oncology Procedures. **Proceedings of the American Society of Pediatric Hematology/Oncology** 1:22, 1992.

Baranko, P., Finkelstein, J., Bennetts, G., Cohen, M., Harris, D., Hrabovsky, E., Kilroy, V., Lance, B., Perchansky, L., Powell W., Roskos R., Tefft, M., and Bleyer, WA. Phoenix Children's Cancer Center and the University of Texas, MD Anderson Cancer Center, Houston, USA. Financial Costs of Required Laboratory Tests in the National Childrens Leukemia Studies: Report from the Childrens Cancer Group (CCG). **Medical and Pediatric Oncology**, Vol. 21, No. 8, 1993, p.19.

Bennetts, G., Shen, V., Cairo, M., and Woodbury, C. The Safety and Feasibility of Repetitive Peripheral Blood Stem Cell Collections in Children Receiving Submyeloablative Chemotherapy. Presented to the World Apheresis Association Congress, March 1994. **Journal of Clinical Apheresis**, Vol. 9, No. 1, 1994 #11.

Bennetts, G., Woodbury, C., Campbell, C., and Oyzon, J. Use of the Protein A (Prosorba©) Column in Children with Chronic Immune Thrombocytopenic Purpura. Presented to the World Apheresis Association Congress, March 1994. **Journal of Clinical Apheresis**, Vol. 9, No. 1, 1994 #12.

Shen, V., Bennetts, G., Woodbury, C., Rosenthal, J., Killen, R., Secola, R., Ishizawa, L., Bhullar, A., and Cairo, M. The Safety and Efficacy of Repetitive Peripheral Stem Cell Support in Children Receiving Submyeloablative Chemotherapy. **Presented to the American Association of Cancer Research**, San Francisco, CA, April 1994.

Shen, V., Bennetts, G., Renna, K., Harrison, M., Rosenthal, J., Ishizawa, L., and Cairo, M. The Safety and Efficacy of Repetitive Stem Cell Support in Children with Brain Tumors Receiving Dose-Intensified Chemotherapy. **Presented to the International Pediatric Neuro-Oncology Symposium**, Houston, Texas, May 1994.

Bennetts, G., Danmeyer, D., Woodbury, C., Shen, V., Cairo, M., and VandeVen, C. Efficacy of Prolonged Collection of Peripheral Blood Stem Cells in the Pediatric Population Undergoing Submyeloablative Chemotherapy. Presented to the American Society for Apheresis, San Diego, CA, March 1995. **Journal of Clinical Apheresis**, Vol. 10, No. 1, 1995 #7.

Lesneski, L., Bennetts, G., Losee, W., Danmeyer, D., Woodbury, D., Groce, E., Hager, J., and Campbell, C. A Comparison Study Between Subcutaneous Injection of Buffered and Non-Buffered Lidocaine in Single Donor Platelets by Apheresis. Presented to the American Society for Apheresis, San Diego, CA, and March 1995. **Journal of Clinical Apheresis**, Vol. 10 No. 1, 1995 #49.

**ABSTRACTS (Continued)**

Shen, V., Bennetts, G., Woodbury C., Chang, L., Sender, L., Killen, R., and Cairo, M. Collection and Administration of PBSC in Infants and Young Children: Safe, Feasible with Enhancement of Hematological Reconstitution Following Myelo and Submyeloablative Tx. Presented to the American Society of Hematology, December 1995. **Blood**, 1995 Vol. 86 (10) #1597.

Bennetts, G., Bertelone, S., Bray, G., Dinndorf, P., Feusner, J., and Cairo, M. Erythropoietin Reduces the Volume of Red Cell Transfusions Required in Some Subsets of Children with Acute Lymphocytic Leukemia. **Blood**, 1995 Vol. 86 (10) #3401.
