Updated: 05/2026

## Executive Summary

Board-Certified Internal Medicine physician and Associate Professor of Internal Medicine at Morehouse School of Medicine with over 20 years of continuous inpatient clinical practice across academic and community hospital settings. Currently serves as an Academic Hospitalist at Grady Memorial Hospital, providing direct adult inpatient care in a high-acuity teaching hospital and supervising resident physicians and medical students while maintaining full-time clinical practice. Prior hospitalist roles include medium and small community hospitals, with full-spectrum adult inpatient responsibilities.

Provides independent medical-legal record review and expert opinion in matters involving hospital-based standards of care, causation analysis, clinical documentation, patient safety, and attending physician supervision in both academic and community medical settings.
