

GLEN T. GRANATI

Board Certified Internist, Pulmonologist and Intensivist

631-949-5908 | GLENGRANATIMD@GMAIL.COM

WORK EXPERIENCE & EDUCATION

Elmhurst Hospital, Assistant Program Director Pulmonary and Critical Care Fellowship Education, selection, and mentoring of Pulmonary and Critical Care fellows	06/2024 - Present
Elmhurst Hospital, Assistant Professor Assistant Professor Mount Sinai School of Medicine, Full-time intensivist and pulmonologist	11/2023 - Present
Northwell Mather Hospital, Assistant Professor Assistant Professor Zucker School of Medicine, Full-time intensivist and pulmonologist	08/2020 - 11/2023
Chief, Pulmonary Medicine Northwell Mather Hospital Leadership role in setting up a practice, administrative tasks regarding the division	09/2021 - 11/2023
Live On New York Donor Council Co-Chair	05/2021 - 11/2023
Northwell Long Island Jewish Medical Center Per diem intensivist	11/2020 - 09/2023
Northwell University Hospital Per diem intensivist	11/2020 - 09/2023
Jacobi Medical Center Per diem intensivist and pulmonologist	03/2020 - 07/2021
Chief of Comprehensive Family Care Center Pulmonary Clinic Pulmonary Clinic Chief, various administrative tasks and quality improvement	06/2019 - 07/2020
Albert Einstein College of Medicine, Montefiore Medical Center Fellowship in Pulmonary & Critical Care Medicine	07/2017 - 07/2020
Stony Brook University Hospital Residency in Internal Medicine	07/2014 - 07/2017

St. George's University	08/2010 - 05/2014
Medical Doctorate	
Stony Brook Department of Physiology	06/2009 - 08/2010
Lab Technician, Intern	
Stony Brook University	01/2006 - 07/2010
Bachelor of Sciences in Biology	

CERTIFICATION & LICENSURE

ALS/BLS Recertified	2022
DEA License	2020
New York State Medical License	2020
ABIM Critical Care Medicine, Board Certification	2020
ABIM Pulmonary Medicine Board Certification	2019
Emergency Neurological Life Support Certification (ENLS)	2018
ABIM Internal Medicine Board Certification	2017
SBUH Cardiac Arrest US Certification	2015
USMLE Step Three	2015
USMLE Step Two CK	2013
USMLE Step Two CS	2013
USMLE Step One	2012

TEACHING OPPORTUNITIES

CHEST Conference Moderator	10/2024
Moderator for CHEST Rapid fire discussions and case report competition.	
Mather Point of Care Ultrasound Bootcamp	06/2022
Instructor	
CHEST Ultrasound Faculty	03/2020
Instructor for American College of Chest Physicians' "Essentials in Critical Care" course	
ACLS Course Instructor	07/2018 - 07/2020
Albert Einstein College Of Medicine (AECOM)/Jacobi Medical Center, "Mega-Code" operator	
Pulmonary Course Case Conference Facilitator	10/2017 - 10/2020
Albert Einstein College Of Medicine (AECOM), small group teaching and group facilitator for the pulmonary medicine portion of AECOM curriculum	
Ultrasound Instruction	07/2015 - 07/2017
Stony Brook University Hospital, teaching ultrasound techniques to medical students, residents, and fellows.	

Intro to Clinical Medicine (ICM) 07/2014 - 07/2017

Stony Brook University Hospital, teaching/Mentorship 1st & 2nd year medical students: H&P skills, note writing, data interpretation

RISE Program 07/2014 - 07/2017

Stony Brook University Hospital, teaching/Mentorship 3rd year medical students: H&P skills, note writing, OSCE preceptorship.

HONORS & AWARDS**Magna Cum Laude** 2014

St. George's University

Gold Humanism Honor Society (GHHS) 09/2013 - Present**Cum Laude** 2010

Stony Brook University

PUBLICATIONS & POSTERS**A Clouded Diagnosis: Unraveling a case of diffuse organizing Pneumonia Secondary to E-cigarette or vaping use- associated lung injury (EVALI)** 2024

CHEST, October 2024. Volume 166, Issue 4, Supplement A4497-A4498.

Co-Authors: Matthew Wend, VARun Bhalla, Varun Gonuguntla.

Diffuse Alveolar Hemorrhage Due to Bupropion Inhalation. 2022

CHEST 2022: Accepted for publication.

CO-Authors: Zachary Kuschner MD, Christina Gearges MD, Zahra Asghar MD, Junaid Anwar MD.

A Case of Necrotizing Pancreatitis after IR Embolization for the Management of Acute Upper GI Bleed 2023

American College of Gastroenterology Annual Scientific Meeting

Poster Abstract

Co-Author: Dr.Lindsey Donnelly

-
- A 61-Year-Old Man With Respiratory Failure and Shock.** 2021
CHEST Ultrasound Corner
 In print: CHEST 2021. Volume 160, Issue 5e531-e533. DOI:
<https://doi.org/10.1016/j.chest.2020.11.076>
 Co-Author: Dr.Seth Koenig
- Is Treatment of Strongyloides Associated with Fewer Asthma Exacerbations?** 2021
 Retrospective Before/After study, Data Collection Phase.
 Retrospectively analyzing whether treating strongyloides-positive patients with antiparasitic drugs improves asthma exacerbation rate, medication use, and PFTs.
 ATS 2020 International Conference.
 Co-Author: Dr. Divya Reddy
- Granulomatous and Lymphocytic Interstitial Lung Disease Masquerading as Sarcoidosis, What Can we learn from this Case of Mistaken Identity?** 2018
 Best Case Report Winner. NYSATS, Spring
- A previously healthy male in his 30s with worsening shortness of breath over five days** 2017
 In Print: CHEST, 2017, Volume 152 , Issue 3 , e65 - e67. DOI:
<https://doi.org/10.1016/j.chest.2017.03.067>
 Co-Authors; Dr.Bjorn Flora, Dr.Jignesh Patel, Dr.Sahar Ahmad
- Worsening Hypoxemia in the Face of Increasing PEEP: A Case of Large Pulmonary Embolism in the Setting of Intracardiac Shunt.** 2016
 In Print: Am J Case Rep, 2016; 17: DOI;
 10.12659/AJCR.898521
 Co-Author; Dr.Getu Teressa
- Stony Brook Medicine Ultrasound TextBook.** 2017
 Author of chapter: "Evaluation of Shock State."
- Does Trending Procalcitonin in the ICU Provide Effective Monitoring? Or a False Sense of Security?** 2015
 Poster Presentation, NYACP
- R-CEP provides Favorable Outcomes in Primary Cardiac Lymphoma** 2015
 Poster Presentation, NYACP
- Quality Improvement In discussion and Documentation of Patient's Wishes in a Frail Geriatric Population** 2015
 Poster Presentation, SBUH QI and Patient Safety day, 2015.
 Co-Authors: Dr. Joseph Conlon, Dr. Priya Patel

PRESENTATIONS

Fellow Lecture Series Ventilators for Beginners	07/2024
Fellow Lecture Series Diving, Altitude and (Some) Space Physiology	05/2024
Fellow Lecture Series Pulmonary Aspergillosis	02/2024
Resident Lecture Series Ventilators for Beginners	04/2024
Fellow Lecture Series The Pulmonary Microbiome	01/2024
Resident Lecture Series Hyperthermic Emergencies	07/2023
HealthyU Webinar Series Lecture to the community and providers on the topic of lung cancer screening	05/2022
Resident Lecture Series ARDS, Hypertensive Emergencies, and Sepsis	05/2022
Resident Lecture Series Sepsis	12/2021
Resident Boot Camp Sepsis care	07/2021
Pulmonary Grand Rounds Presented on the topic of altitude and diving physiology	01/2020
Briscoe-King Lung Club, Weill Cornell Medical Center Presented preliminary original research titled: Impact of Strongyloidiasis Treatment in Asthmatics	11/2019
Pulmonary Physiology lecture Presented on the topic of obstructive lung disease	12/2019
Pulmonary Grand Rounds Presented on the topic of fluid responsiveness	07/2019
Pulmonary Grand Rounds Presented on the topic of the pulmonary microbiome and its contribution to common pulmonary diseases	04/2019
Pulmonary Grand Rounds Journal Review-CONVERT Trial	12/2018
Critical Care Morbidity and Mortality Conference Presented a confidential patient record for internal QI/QA	09/2018

Critical Care Case Conference	08/2018
Presented on the topic of infective endocarditis on point of care ultrasound and other considerations on the management of infective endocarditis	
Pulmonary Grand Rounds	05/2018
Presented on the topic of pulmonary aspergillosis	
Pulmonary Grand Rounds	07/2017
Presented on the topic of upper and central airway diseases	
Medicine Grand Rounds Introduction	10/2016
Opening case and introduction for medicine grand rounds, "WTC Health Effects" by Dr. David Prezant of Montefiore Medical Center	

HOBBIES

- Blade smithing
- Playing guitar
- Gourmet mushroom cultivation
