### PROFESSIONAL EXPERIENCE

---

---

<b>360 Orthopedics, Sarasota, FL</b> <u>Staff Physician, Pain Management</u>	2024 - Present
<b>Coastal Orthopedics, Bradenton, FL</b> <u>Staff Physician, Pain Management</u>	2012 - 2024
<b>IMG Academy, Bradenton, FL</b> <u>Treating Physician, Pain Management</u>	2012 - 2020
<b>Tampa Pain Relief Centers, Tampa, FL</b> <u>Staff Physician, Pain Management</u>	2011 - 2012
<b>Southeast Anesthesiology, Charlotte, NC</b> <u>Staff Physician, Pain Management</u>	2010 - 2011

---

---

### BOARD CERTIFICATIONS

---

---

American Board of Anesthesiology, Added Qualifications in Pain Management	2010 – Present
American Board of Anesthesiology	2010 – Present
DEA Certificate	2005 – Present

---

---

### MEDICAL LICENSES

---

---

<b>Florida, License # ME108659</b>	2011 - Present
------------------------------------	----------------

---

---

### ACADEMIC APPOINTMENTS

---

---

<b>Harvard Medical School, Boston, MA</b> <u>Clinical Fellow in Anesthesia, Pain Medicine</u>	2009 – 2010
--	-------------

---

## EDUCATION

---

<b>Beth Israel Deaconess Medical Center, Harvard Medical School, Boston, MA</b> <u>Fellowship in Pain Management</u>	2009 - 2010
<b>University of Alabama at Birmingham (UAB), Birmingham, AL</b> <u>Chief Resident, Anesthesiology Residency</u>	2008 - 2009
<b>University of Alabama at Birmingham (UAB), Birmingham, AL</b> <u>Anesthesiology Residency</u>	2006 - 2008
<b>University of Alabama at Birmingham (UAB), Birmingham, AL</b> <u>General Surgery Residency</u>	2005 - 2006
<b>University of Alabama at Birmingham (UAB), Birmingham, AL</b> <u>General Surgery Internship</u>	2004 – 2005
<b>Tulane University of School of Medicine, New Orleans, LA</b> <u>Doctor of Medicine</u>	2000 – 2004
<b>United States Marine Corps (USMC), Sarajevo, Mogadishu, Kuwait, Camp Pendleton</b> <u>Marine Corps Officer Honorable Discharge</u>	1993 – 2000
<b>United States Naval Academy (USNA), Annapolis, MD</b> <u>Bachelor of Science</u>	1989 - 1993

---

## PRESENTATIONS

---

1. Annual Guest Lecturer – Beth Israel Deaconess, Harvard Medical School, Department of Anesthesia, Boston, MA, 2011-Present.
2. Honorable Mention, Urology Paper category, presented by Society of Laparoendoscopic Surgeons for “Hand-Assisted Laparoscopic Donor Nephrectomy: Fad or Future for Transplantation. New Orleans, LA, 2003.
3. Laparoscopic Nonanatomical Partial Left Hepatic Lobe Resection: A New Safe Alternative. Poster presentation at Tulane Medical Center Research Conference, May, 2002.
4. Hand-Assisted Donor Nephrectomy: Fad or Future for Transplantation. Oral presentation at the Society of Laparoendoscopic Surgeons 11<sup>th</sup> International Conference, September, 2002.
5. Laparoscopic Nonanatomical Partial Left Hepatic Lobe Resection: A New Safe Alternative. Poster presentation at the American Association for the Study of Liver Disease Conference, November, 2002.
6. The Future for Transplantation: Laparoscopic Hand-Assisted Donor Nephrectomy. Oral presentation at the American College of Surgeons, Louisiana Chapter & Surgical Association of Louisiana, December, 2002.
7. Longterm Safety, Tolerability and Efficacy of Repeat Cryoablation: A Case Report, Harvard Medical School Anesthesiology Conference, October 2009.
8. Updates in Pain Medicine, Harvard Medical School, Beth Israel Deaconess Medical Center, Department of Anesthesiology, Guest Lecturer, June 2011.
9. Differentiating Neck Pain from Shoulder Pain in an Injured Worker. 69<sup>th</sup> Annual Workers’ Compensation Educational Conference, Orlando, FL, August 2014.

## RESEARCH

---

Nov, 2007- Jun, 2009	Radiofrequency Ablation for Occipital Neuralgia, University of Alabama at Birmingham.
Jul, 2003 – Jun, 2006	Tulane University Health Sciences Center, Department of Surgery. Surgical study exploring use of virtual reality minimally invasive surgical training to improve surgical performance of laparoscopic cholecystectomy.
Jul, 2002 – Jun, 2006	Brigham and Women’s Hospital, Harvard Medical School. Clinical and laboratory vascular research involving gene therapy related to intimal hyperplasia of arterial and venous grafts.
Jan, 2001 – Jun, 2006	Tulane University Health Sciences Center, Department of Surgery. Surgical study exploring development of a laparoscopic technique for placement of an intra-arterial hepatic artery chemotherapy infusion catheter.
Aug, 2000 – Jun, 2006	Tulane University Health Sciences Center, Department of Surgery. Surgical study comparing results of hand-assisted laparoscopic donor nephrectomy to standard laparoscopic and open techniques. Provide surgical assistance and data analysis.
Jun, 2000 – Jun, 2006	Tulane University Health Sciences Center, Department of Surgery. Surgical study exploring development of laparoscopic technique in liver resections using

LigaSure™ device in assessment of post-procedure bile leaks. Provide surgical assistance, assistance in performing radiological diagnostic tests and data analysis.

Oct, 2000 - May, 2001

Tulane University Health Sciences Center, Department of Surgery. Surgical study examined transgene expression in liver transplant recipients using a rodent model. Provided microsurgical assistance, surgical assistance and data analysis.

Jun, 1998 -Aug, 1999

University of California Irvine Medical Center, Department of Emergency Medicine. Clinical research studies involved preoperative pain management of surgical patients during evaluation of appendicitis, efficacy of leukotriene antagonists for asthma patients and cost analysis of phenytoin for seizure patients.
