Summary:

I am a board-certified, fellowship-trained hand surgeon. I have been in practice for 15 years. I am certified in Surgery and in Surgery of the Hand by the American Board of Surgery. I specialize in problems of the hand and wrist. I have practiced in numerous settings including Academics at a Level 1 trauma center, as well as community practice at Level 2 and Level 3 trauma centers. I am licensed to practice in South Dakota, North Dakota, Minnesota, Nebraska, Iowa, and Texas.

My practice is now based out of Sioux Falls, SD at Avera Orthopedics and Sports Medicine. I treat patients of all ages including babies, children, adults, and the elderly. My practice involves trauma to the hand and wrist which includes fractures, tendon and nerve injuries. A significant portion of my practice includes work-related injuries, workers' comp and overuse injuries. I also treat a significant number of athletes with injuries to the hand and wrist. I treat patients of all ages with degenerative conditions such as arthritis, tendinopathies, and neuropathies.
