93 Bundren Street
Oak View, CA 93022
(805) 218-4281
tamifnp2012@gmail.com

SUMMARY/OVERVIEW

Ms. Hensley is a board certified Family Nurse Practitioner with 13 years experience treating patients in the Emergency Department of a busy County hospital and rural sister hospital. This includes diagnosis and treatment of all emergency room patients as well as fast-track. She was previously employed as a Registered Nurse in the same clinical setting for 13 years. With her experience as charge nurse and provider, she is able to focus on practicing evidence-based medicine and keeps an emphasis on standards of care. She has excellent communication skills and always has her focus on quality.
