PROFESSIONAL ACTIVITIES

I have been an anesthesiologist with Anesthesia Company, LLC in Annapolis, MD since 2000 and a full partner since 2003. I perform the full range of anesthetic services including general, obstetric, pediatric, inpatient and outpatient anesthesia both in-hospital and in free-standing surgery centers. I act as a liaison to several of our practice locations overseeing anesthesia services at those locations as well as patient selection. I also work as an anesthesiologist-in-charge at Luminis Health Doctors Community Medical Center coordinating hospital anesthesia services and arranging anesthesia staffing for the operating room as well as consulting on patient preparation for anesthesia.

For over 20 years I have also served as an anesthesia medico-legal consultant. In this role I have provided expert witness opinions on over 75 cases, including provision of multiple depositions and trial testimony.
