- Exercise biomechanics and injury causation
- Personal trainer conduct and negligence
- Strength and conditioning protocols
- Nutritional planning and supplementation
- Golf-specific performance and injury prevention
- Equipment setup, maintenance, and safety compliance
- Functional movement and rehabilitation methods

## Professional Biography

Mr. Jackson has over 25 years of experience in the fitness and performance industry, including work as a strength and conditioning coach, holistic nutritionist, gym designer, personal trainer, and business owner. He holds a Bachelor of Arts degree from the University of Windsor (1999) and is a Certified Strength & Conditioning Specialist (NSCA-CSCS) and Registered Holistic Nutritionist (RHN) through the Canadian School of Natural Nutrition.

His professional education includes extensive coursework and certifications in biomechanics, functional movement, and rehabilitation, such as Functional Range Conditioning (FRC), Kinstretch, and Titleist Performance Institute (Fitness 2 & Power 2). He has trained under recognized leaders in strength and rehabilitation systems, including Alex Effer (Resilient Training & Rehabilitation) and Conor Harris (Pinnacle Performance).

Mr. Jackson's management experience includes designing and overseeing a 30,000 sq. ft. corporate wellness facility (Commerce West Wellness Centre, Whiterock REIT), training and supervising personal trainers, and developing safety and operational standards for fitness facilities. As the founder of Nathane Jackson Fitness Inc., he has worked with athletes, executives, and clients to improve performance, recovery, and movement efficiency along with in rehabilitation settings.

While an overall fitness expert, his business currently focuses on strength and conditioning coaching for amateur and professional golfers, helping them enhance biomechanics, reduce injury risk, and increase power and mobility.

Mr. Jackson has appeared as a fitness and nutrition expert in Canadian media, including the W Network ("STUCK"), 103.9 FM, and CBJK 1290 News Talk Radio. He is a regular presenter for the PGA of Ontario and the Ontario Dental Association Winter Conference, and served on the Board of Directors for Maximum Fitness Magazine.

An accomplished athlete and coach, he has worked with teams and individuals at the University of Windsor, the Toronto Raptors Basketball Academy, and various high school programs. His firsthand athletic and coaching experience informs his understanding of injury risk, performance training, and safe program design.

Mr. Jackson has been accepted as an expert witness in the Ontario Superior Court of Justice in a civil personal injury case involving fitness instruction and injury causation, where his testimony was described as "*straightforward, forthright, independent*" and "*credible throughout*," resulting in the case being dismissed. He provides consulting and testimony specializing in fitness facility liability, exercise biomechanics, and injury prevention standards. [View Case: 2022 ONSC 4063](#)
