
ANDREA NICHOLE CIMINO, PHD, MSW

Education

Postdoc fellow, Interdisciplinary Violence Research, Johns Hopkins University, Baltimore, MD, 2015
PHD, Social Work, Arizona State University, Phoenix, AZ, 2013
MSW, Social Work, Arizona State University, Phoenix, AZ, 2008
BS, Interdisciplinary Studies (Sociology & Gender Studies), Arizona State University, Tempe, AZ, 2004

Certifications and Licenses

Licensed Master of Social Work (#34097), Maryland Board of Social Work Examiners, 2025
Innovation & Human Centered Design, Johns Hopkins University, 2020
Management Development, Johns Hopkins University, 2020
Business Communication, Johns Hopkins University, 2019

Selected Violence Projects with Leadership Experience

Gender-based Violence as a Pathway to Incarceration (2024 to date)— *Sr. Principal Investigator*. Research consultant, investigator, and subject matter expert on a study of criminalized survivors in Illinois, contributing to survey design, IRB protocols, and data collection, analysis, and dissemination.

Bystander Sexual Assault Training US Air Force (2022 to date)— *Assc. Project Director*. Day-to-day leadership of project, including coordinating multiple internal and external team on technical tasks to develop an adaptive bystander training program, content development, and subject matter expert.

Operation Grit (2023)— *Strategic Messaging Consultant*. Produce evidence-informed monthly bulletins and senior leader messaging for an initiative to connect Airmen and Guardians to each other and reinforce heritage and values to the broad Air Force mission. Provide subject matter expertise on intimate partner violence in support of USAFE AFAFRICA, Violence Prevention Program at Ramstein, Air Base.

The Regilla Project, Stanford Criminal Justice Center (2020 to date)— *Director of Research*. Design, implement, and oversee research and dissemination activities for [*Fatal Peril*](#), a study on intimate partner violence and homicide risk among women incarcerated for murder and manslaughter in California.

Danger Assessment Training and Technical Assistance Center (DA-TA) (2018 to date)— *Faculty Associate*. Provide training and technical assistance on the Danger Assessment, including adaptations for LGBTQ populations and for use in Japan. Create briefs, documents, messaging, and marketing materials.

ESSENCE Project (2015 to 2018)— *Project Director and Co-Investigator*. Managed \$1.8M, multi-site, mixed-methods cohort study examining built and social environmental correlates of stress, sexual assault, and HIV risk among Black women in Baltimore City, MD.

Professional Experience

2022 to date. RTI International, Research Triangle Park, NC.

Sr. Military Prevention Researcher. Provided comprehensive project support on prevention interventions for the military. Led the design and delivery of training curricula, literature reviews, and human subjects protocols. Facilitated meetings and collaborated with federal clients, multi-

disciplinary stakeholder partners, and subject matter experts. Managed project timelines and resources, ensuring projects were completed within scope. Contributed to grant proposals.

2018 to date. Rogue Scholar Consulting, Baltimore, MD.

Founder. Served as Principal Consultant of a social science research consulting firm. Led the design, management, and execution of research projects for academic, government, and pharmaceutical industry clients. Provided consultation to students and junior faculty. Maintained client relationships. Oversaw business operations, including budgeting, marketing, and strategic growth. Supervised independent contractors. Published articles and presented research.

2021 to 2022. Intelligent Decision Systems, Inc., Chantilly, Virginia

Sr. Mgt. Analyst, HQDA-GI Army Resilience Directorate (ARD). Served as scientific lead and subject matter expert (violence, resilience, sexual assault, behavior change) responsible for developing objectives, program guidelines, and policies that operationalize resilience, enhance readiness, and prevent sexual assault, substance abuse, and suicide across the Force. Provided technical assistance, policy interpretations, and consultation on methods for program evaluation and accountability issues through guidance materials that supported mission critical research and development efforts on primary prevention of harmful behaviors, including sexual assault and harassment, suicide, and substance abuse.

2015 to 2020. Johns Hopkins University, School of Nursing, Community Public Health, Baltimore, MD

Research Assoc., Sr. Program Coordinator, Postdoc Assoc. Served as Program Director and Co-Investigator for five major sponsored projects. Developed, managed and directed research studies on violence from initial proposal to implementation, analysis, and dissemination of scientific results; translate research-based programs and practices into tools and resources into usable in products to inform policies and programs for community-based partners. Developed standard operating procedures, managed budgets, perform analyses, interview, train, and supervise full-time employees. Mentored students. Publish articles, write grant proposals, teach coursework.

2013 to 2014. University of Texas at Arlington, School of Social Work, Arlington, TX.

Assist. Professor. Designed, managed and directed research and development efforts for a multi-site research study. Develop and coordinate fiscal planning documents. Performed individual interviews and focus groups for scientific studies, conduct quantitative and qualitative analyses. Developed syllabi for graduate-level research and policy courses. Taught coursework, mentor students, serve on committees. Published articles, presented research, wrote grant proposals.

2009 to 2013. Arizona State University, School of Social Work, Phoenix, AZ.

Faculty Assoc., Graduate Assist. Taught graduate-level coursework on research and statistics. Conducted research on intimate partner violence, child welfare, and mental health. Managed multi-site data collection activities for a telephone-based, quasi-experimental study on intimate partner violence. Trained and supervised graduate-level student data collectors. Developed standard operating procedures. Ad hoc weekly reports on recruitment to senior leadership.

2008 to 2012. Chicanos Por La Causa, Research and Evaluation, Phoenix, AZ.

Evaluator and Data Analyst, Evaluation Manager. Developed and directed research efforts to evaluate and assess a portfolio of interventions related to youth substance abuse prevention, domestic violence, positive parenting, and resilience. Produced logic models. Developed and coordinate planning documents on program goals/objectives including process and outcome measures in accordance with established evaluation plans. Developed surveys. Managed and trained program specialists on data collection activities. Performed quantitative and qualitative data analyses. Assisted in writing grant proposals and design evaluation plans.

2007 to 2018. Elim House Domestic Violence Shelter, The Salvation Army, Phoenix, AZ.

Children's Crisis Counselor. Provided individual and group crisis counseling to children ages 3-17 years old. Identified and offered recommendations for utilization of research-supported or informed prevention policies, programs, and practices related to other areas related to childhood maltreatment and domestic violence. Developed and directed efforts to create a manualized treatment program and practices to treat child witnesses of domestic violence.
