

HANNAH BISCHOFF

Certified Registered Nurse Anesthetist

PERSONAL BACKGROUND

I am a CRNA with over four years of experience delivering anesthesia care in high-acuity inpatient settings and high-volume outpatient surgery centers. My clinical practice includes a broad range of anesthetic techniques and case types, with extensive experience in airway management, physiologic monitoring, and perioperative decision-making in fast-paced procedural environments. I have participated in more than 1,000 endoscopy cases, in addition to a diverse spectrum of surgical and diagnostic procedures.

PROFESSIONAL EXPERIENCE

NORTHSTAR ANESTHESIA - NURSE ANESTHETIST

Louisville, KY | November 2025 - present

I have practiced as a CRNA at Baptist Health Louisville and the Baptist Outpatient Surgery Center, providing anesthesia care across a broad range of surgical specialties, including vascular, endoscopy, general surgery, plastics, and orthopedics. My experience spans both inpatient and outpatient settings and includes the care of patients ranging from healthy ASA I individuals to critically ill, high-acuity patients. This work has required adaptability, strong clinical judgment, and proficiency in managing complex cases in both high-volume and high-risk environments.

ANESTHESIA SERVICES OF KENTUCKY - NURSE ANESTHETIST

Louisville, KY | June 2023 - November 2025

I have practiced as a CRNA at Norton Women and Children's Hospital managing a high volume of general, gynecologic, and orthopedic cases, as well as providing anesthesia care in a high-volume, CRNA-only outpatient endoscopy center. I precepted many nurse anesthesia students in the clinical setting.

ANESTHESIOLOGY CONSULTANTS ENTERPRISES - NURSE ANESTHETIST

Louisville KY | October 2025

I provided short-term locum anesthesia coverage assisting with perioperative care in an inpatient hospital setting.

PROFESSIONAL EXPERIENCE CONTINUED

ONE ANESTHESIA- NURSE ANESTHETIST

Louisville, KY | April 2024 - September 2024

I practiced at Baptist Health Louisville providing care to a broad range of surgical and endoscopy patients. My experience at this facility varied from healthy to critically ill patients.

CENTRAL KENTUCKY ANESTHESIA - NURSE ANESTHETIST

Lexington, KY /February 2022- June 2023

Practiced as a CRNA at Baptist Health Lexington and the Baptist Physician Surgery Center, conducting comprehensive preoperative assessments and collaborating with anesthesiologists to optimize patients for surgery. Provided safe, effective anesthetic care in a fast-paced, high-volume environment. Managed a broad spectrum of adult cases including gynecology, orthopedics, urology, vascular, plastics, and ENT, as well as pediatric cases involving ENT, urology, and dental procedures. Experienced in out-of-operating-room anesthesia, including endoscopy and electrophysiology laboratory settings.

UNIVERSITY OF KENTUCKY- REGISTERED NURSE

Lexington, KY | June 2016 - March 2019

Prior to becoming a CRNA, I worked as a cardiovascular intensive care registered nurse, frequently serving in a charge nurse role. I provided care for critically ill patients, including those supported with intra-aortic balloon pumps, ECMO, LVADs, and post-heart transplant management, requiring advanced hemodynamic monitoring, rapid clinical decision-making, and multidisciplinary collaboration.
