---	---

PROFESSIONAL EXPERIENCE

Physician Assistant – Primary Care & Walk-In Pilot Program <i>Cleveland Clinic</i>	July 2024 – Present <i>Macedonia, OH</i>
--	--

- Selected by executive leadership to co-launch, operationalize, and establish a high-profile pilot care program within the region.
- Drive early program success and stability by continuously auditing administrative workflows and maintaining rigorous clinical care benchmarks.
- Deliver comprehensive acute and routine clinical interventions across diverse lifespans, optimizing daily patient access and departmental throughput.
- Utilize Epic systems to spearhead complex data-driven charting, inter-departmental care coordination, and continuity initiatives.

Clinical Lead / Physician Assistant <i>WellNow Urgent Care</i>	2022 – 2024 <i>Streetsboro, OH</i>
--	--

- Served as Clinical Lead, overseeing daily operational workflows and managing clinical provider scheduling in a high-volume emergency-diversion environment.
- Directly mentored, evaluated, and onboarded incoming Advanced Practice Providers (APPs), significantly accelerating time-to-productivity metrics.
- Managed acute, complex infectious diseases, minor trauma, and emergency complaints with advanced diagnostic precision.

Lead Advanced Practice Provider (APP) <i>Alteon Health – Multiple Regional Emergency Departments</i>	2013 – 2022 <i>NE Ohio Network</i>
--	--

Facilities: Richmond, Bedford Heights, Geauga, Portage, Parma & Twinsburg Emergency Departments

- Directed all APP operations, coverage matrices, and scheduling logistics across six multi-site regional community hospital emergency departments.
- Appointed to the weekly Quality Board; reviewed adverse outcomes, established risk-mitigation protocols, and ensured strict alignment with medical standard of care guidelines.
- Spearheaded recruitment, interviewing, and core clinical training for all newly contracted APP candidates.
- Delivered high-acuity critical care interventions for stabilization of trauma, acute stroke, and STEMI presentations.

Emergency Department Physician Assistant <i>Physicians Emergency Services, Inc.</i>	2016 – 2019 <i>Ravenna, OH</i>
---	--

- Managed high-velocity clinical loading of acute emergency department presentations, collaborating seamlessly with attending physicians.
- Integrated evidence-based diagnostic protocols and served as a key contributor to departmental clinical research and trial initiatives.

Wound Care Specialist <i>AmeriWound</i>	2018 – 2019 <i>Mayfield Heights, OH</i>
---	---

- Provided expert mobile subspecialty consulting and clinical care for complex, non-healing acute and chronic dermal pathologies.
- Performed advanced chemical and surgical bedside debridements and coordinated multi-layer compression treatments.
