

EDWIN GOLIKOV

(212)-999-4864 | egolikov@gmail.com

PROFESSIONAL SUMMARY

Triple board-certified gastroenterologist with fellowship training in advanced interventional endoscopy. Clinical practice focused on pancreaticobiliary disease and complex endoscopic interventions including ERCP, EUS, EUS-guided fine-needle aspiration/biopsy, endoscopic mucosal resection, endoluminal stenting, and endoscopic suturing. Experienced in standard-of-care assessment, procedural complication analysis, and medical record review. Author of peer-reviewed publications and presenter of original research at national and international conferences including ACG and AASLD.

EXPERT WITNESS SERVICES

Available for case review and testimony in matters involving gastroenterology, advanced endoscopy, and pancreaticobiliary disease. Services include:

- Medical record review and standard-of-care analysis
- Written expert reports and opinions
- Deposition and trial testimony
- Case merit evaluation (plaintiff and defense)
- Peer review of endoscopic procedural technique and outcomes
- Independent medical examinations (IME)

AREAS OF EXPERTISE

- Pancreaticobiliary disease
- EUS and EUS-guided interventions
- Biliary and pancreatic stent placement
- Acute and chronic pancreatitis
- Cholangiocarcinoma and pancreatic malignancies
- GI malignancy diagnosis and staging
- Inflammatory bowel disease (IBD)
- Standard of care in endoscopic procedures
- Informed consent in endoscopy
- ERCP (endoscopic retrograde cholangiopancreatography)
- Endoscopic mucosal resection (EMR)
- Common bile duct stone management
- Pancreatic cyst evaluation and management
- Biliary stricture evaluation and management
- Esophageal stricture management
- GI bleeding diagnosis and management
- Post-procedural complication assessment
- GI-related mortality and morbidity review

LICENSURE & CERTIFICATION

Board Certifications: Gastroenterology (2022), Internal Medicine (2020), Obesity Medicine (2023)

Licenses: FL (#OS19820), NY (#297567-1), NJ (#25MB10569200)

Professional Memberships: AGA, ACG, ASGE, NYSGE, AASLD

PROFESSIONAL EXPERIENCE

Advanced Endoscopist & General Gastroenterologist

08/2023 – Present

Holy Cross Hospital – Fort Lauderdale, FL

- Perform high-volume advanced interventional endoscopy including EUS, ERCP, EMR, endoluminal stent placement, and endoscopic suturing in both inpatient and outpatient settings.
- Specialized management of pancreaticobiliary diseases including choledocholithiasis, biliary strictures, pancreatic duct disruptions, pancreatic cysts, and cholangiocarcinoma.
- Evaluate and manage complex GI disorders including GI malignancies, inflammatory bowel disease, GI bleeding, and obesity-related conditions.
- Collaborate with surgical oncology, hepatology, and interventional radiology in multidisciplinary case management.

EDUCATION & TRAINING

NYU Langone Hospital Long Island, Mineola, NY
Advanced Interventional Endoscopy Fellowship, 06/2023

Arnot Ogden Medical Center, Elmira, NY

Gastroenterology Fellowship, 06/2022

Honors: Crohn's & Colitis Foundation Visiting IBD Fellow (NYU Langone Hospital); ANMS Visiting Motility Fellow (Washington University & Penn State Medical Center)

CarePoint Health Medical Center, Bayonne, NJ

Internal Medicine Residency, 06/2019

NYIT College of Osteopathic Medicine, Old Westbury, NY

Doctor of Osteopathic Medicine (D.O.), 09/2015

Honors: NYU Langone Hospital Regional Clerkship

Fordham University, New York, NY

Bachelor of Arts (B.A.), Natural Sciences, 05/2009

Honors: Cum Laude, Sigma Xi, Dean's List, Fordham Undergraduate Research Award
