LICENSURE AND BOARD CERTIFICATION

2008-present	Licensed physician in State of Michigan, No. 4301085725
2018-present	Licensed physician in State of California, Certificate No. 159468
2023-present	Licensed physician in State of Illinois, No. 036.166679
2023-present	Licensed physician in State of Texas, No. U6415
2025-present	Licensed physician in State of Iowa, MD-55985
2010-present	Board certified in Psychiatry, American Board of Psychiatry & Neurology (re-certified 2025)
2011-present	Board certified in Forensic Psychiatry, American Board of Psychiatry & Neurology (re-certified 2025)

EDUCATION

1996-2000	B.S., Biology, University of Michigan – Ann Arbor
2001-2005	M.D., University of Michigan Medical School

MEDICAL AND PSYCHIATRIC TRAINING

2009-2010

Forensic Psychiatry Fellowship

Case Medical Center, Cleveland, Ohio

Case Western Reserve University School of Law

(directed and supervised by Phillip Resnick, MD)

Completion of L3 Courses at CWRU School of Law: Criminal Law and Psychiatry, and Civil Law and Psychiatry. Completion of Landmark Case Seminar and Examination.

Education, Training and Supervised Experience in the Performance of Forensic Psychiatric Evaluations and Preparation of Reports:

- *Criminal Evaluations: Competency to Stand Trial, Sanity at the Time of the Act, Mitigating Psychiatric Factors in Crime, Recommendations for Court-ordered Mental Health Treatment, Sexual Offender Risk Assessments*
- *Civil Evaluations: Psychiatric Disability, Fitness for Duty, Civil Commitment, Guardianship, Specific Competencies (e.g. medical decision-making, testamentary capacity and susceptibility to undue influence), Violence Risk Assessment, Psychological Autopsy, Eligibility for Conditional Release for individuals adjudicated Not Guilty by Reason of Insanity, Claims of Psychiatric Malpractice, Claims of Psychological Damages*

Clinical Care in Forensic Settings:

- *Correctional Psychiatry at Cuyahoga County Jail (psychiatric assessment and treatment of inmates)*
- *Intensive Outpatient care for Mentally Ill Offenders at Murtis Taylor Human Services (psychiatric assessment and treatment for individuals on court orders for outpatient mental health treatment)*

2008-2009

Chief Resident, Inpatient Services

Administrative and teaching duties related to hospital services of the UM Dept. of Psychiatry. Served on Inpatient Leadership Committee, Adverse Event Review Committee, Clinical Council, Recruitment Committee, Selection and Evaluation Committee

2005-2008

Adult Psychiatry Residency

University of Michigan Health System, Ann Arbor, Michigan

Served on Resident Education Committee, 2005-2009. Selected as Class Representative, 2005-2008.

ADDITIONAL GENERAL AND FORENSIC PSYCHIATRIC TRAINING

- 2026 **Spousal Assault Risk Assessment Guide Version 3 (SARA V3):** completed official training in the use of the SARA for the assessment of risk of intimate partner violence, training provided by Dr. Randall Kropp (a principal author of the SARA V3) and Ms. Yan Lim.
- 2021 **Stalking Risk Profile (SRP):** completed official training in the use of the SRP for the assessment of risks associated with stalking, training provided by SRP authors Rachel MacKenzie, Ph.D. and Troy McEwan, Ph.D.
- 2020 **Hare Psychopathy Checklist – Revised (PCL-R):** completed official Darkstone certification training in the use of the PCL-R for the assessment of psychopathy, training provided by R. Meloy, Ph.D. and R. Hare, Ph.D.
- 2020 **Terrorist Radicalization Assessment Protocol-18 (TRAP-18):** completed official training on the use of the TRAP-18 for the assessment of radicalization in the context of threat assessment, administered by R. Meloy, Ph.D. (author of the instrument).
- 2015 **SAPROF:** completed official training on the use of the SAPROF instrument for the assessment of protective factors in the context of violence risk assessment, administered by D. Thornton, Ph.D. and S. Kelley, Psy.D. (researchers of the instrument)
- 2014 **WAVR-21, Version 3:** completed official training on the use of the WAVR-21 workplace and campus violence risk assessment instrument, administered by S. White, Ph.D. and R. Meloy, Ph.D. (co-developers of the instrument).
- 2013 **HCR-20, Version 3:** completed official training on the use of the HCR-20 Version 3 violence risk assessment instrument, administered by L. Guy, Ph.D. (a principal researcher of the instrument).
- 2008-2009 **Electroconvulsive therapy:** completed a year-long rotation serving on the ECT team at University of Michigan Dept. of Psychiatry, administering ECT in acute and maintenance phases, participating in case evaluations and reviews for suitability for ECT.

WORK EXPERIENCE

2016-present

Forensic Psychiatrist, private practice

Provide medicolegal consultation services, including serving as an expert witness, on civil and criminal forensic issues. Primary areas of focus include threat assessment in workplace and campus settings, capacity evaluations (need for guardianship or conservatorship, testamentary capacity, assessment for undue influence), workplace mental health issues (disability and fitness for duty) and analysis of medical malpractice allegations. Expert witness experience in bench trials, jury trials, administrative hearings and depositions.

2016-present

Psychiatrist, private practice

Private practice adult psychiatry, providing evaluation, medication management and individual psychotherapy. I treat clients ranging from age 18 to late life, with a wide variety of mood disorders, anxiety disorders, trauma disorders, cognitive disorders, personality disorders and psychosis.

2015-present

President, Work Trauma Services, Inc. (wtsglobal.com)

Provide workplace and campus threat assessment consultation services for WTS clients and provide forensic psychiatric consultation on cases conducted by other WTS associates nationwide. This work includes case consultation, threat assessment training and consultation on workplace violence prevention and fitness for duty program development. Clients include many Fortune 500 companies. I am a trained user of the WAVR-21 and deliver WAVR-21 training in collaboration with WAVR authors Drs. Stephen White and J. Reid Meloy. My case consultation experience includes direct and indirect assessment of threats of homicide, suicide and violence, concerns over stalking, harassment, potential for workplace violence, domestic violence, psychiatric decompensation on campus or in the workplace, and fitness for duty. I have experience concerning individuals exploring and/or radicalized with extreme beliefs.

2012-present

Psychiatric Disability Consultant, Work Connections (University of Michigan's Integrated Disability Management Program)

Case consultation and record review on disability claims at short-term and long-term disability claim review meetings. Completion of peer consultations with other mental health professionals in the community on their patients' disability status and return to work issues. Completion of evaluations and record review reports related to psychiatric disability, fitness to return to work, and need for accommodations pursuant to the Americans with Disabilities Act.

2017-present

Psychiatric Consultant, Michigan Medicine Office of Counseling and Workplace Resilience (Employee Assistance Program)

Provide forensic case consultation on occupational health issues including workplace violence risk, fitness for duty, psychiatric disability, and need for accommodations pursuant to the Americans with Disabilities Act.

2011-2018

**Forensic Psychiatrist
University of Michigan Department of Psychiatry**

Responsible for completion of civil forensic psychiatric evaluations including disability, fitness for duty, psychological damages, capacity to testify, capacity to make medical decisions, need for guardianship or conservatorship, testamentary capacity and susceptibility to undue influence, risk assessment for violence, civil commitment and psychiatric malpractice. Disability and fitness work included safety-sensitive professions including health care professionals and pilots. Malpractice work included review for plaintiff and defense counsel as well as internal review of cases at the University offering guidance to University legal counsel.

I also served as a consultant on forensic issues to other faculty in the department of psychiatry in ambulatory and hospitalist settings, as well as other personnel including University security, police, human resources, and the legal department. This included participation in threat assessment consultations focused on faculty, staff and students. I assisted the Geriatric Psychiatry and Consultation Liaison Psychiatry services with developing protocols for their capacity assessments and written communications with the court in those matters.

2017-2022

Medical Consultant, Professional Disability Associates

Complete independent record reviews and peer consultations with treatment providers in order to address questions about short and long-term disability claims

2010-2016

**Forensic Psychiatrist and Assistant Director, Unit South 4
State of Michigan Center for Forensic Psychiatry**

Inpatient treatment of female patients found Not Guilty by Reason of Insanity (NGRI) or Incompetent to Stand Trial (IST). Hospital on-call coverage for acute and long-term male and female inpatient units. Risk assessment and oversight of petition for release or transfer to less restrictive settings for female inpatients found NGRI or permanently IST. Oversight of restoration to competency for female inpatients found IST. Provided expert testimony on these matters as requested. Administrative duties in interdisciplinary management of Unit.

2011-2016

**Consulting Forensic Examiner
State of Michigan Center for Forensic Psychiatry**

Completion of court-ordered examinations and reports for competency to stand trial, competency to waive Miranda rights, criminal responsibility and civil commitment. Provided expert witness testimony on these matters as requested in bench and jury trials.

2013-2016

**Director, Forensic Psychiatry Clinic
University of Michigan Department of Psychiatry**

Responsible for administrative oversight of forensic clinic and the completion of civil forensic psychiatric evaluations. Responsible for teaching and supervision of fellows in forensic psychiatry.

SUPERVISORY EXPERIENCE

2011-present **Forensic Psychiatry Fellowship, Faculty Supervisor**
Provide education and supervision of fellows in Forensic Psychiatry from the University of Michigan fellowship program.

2011-2016 **Peer Supervision**
State of Michigan Center for Forensic Psychiatry
I developed and led a peer supervision group for Consulting Forensic Examiners. Reviewed criminal forensic evaluations and draft reports, focusing on opinion formulation and report writing skills.

2011-2016 **Resident Rotation Supervisor**
Supervised residents rotating in Forensic Psychiatry from psychiatric residency programs throughout Michigan. Rotations included inpatient treatment and court-ordered assessments.

2011-2016 **Evaluation Services Supervisor for Fellows in Forensic Psychiatry, State of Michigan Center for Forensic Psychiatry**
Observed and supervised fellows in forensic psychiatry in completion of criminal forensic evaluations and forensic reports. These activities are part of the fellows' required training in order to become Consulting Forensic Examiners for the State of Michigan.

2013-2016 **Resident Rotation in Forensic Psychiatry**
University of Michigan Department of Psychiatry
Supervised UM residents completing 6-month long rotations in Forensic Psychiatry. This rotation included a curriculum I developed covering numerous core subjects, pairing didactic material with supervised case experience.

EDUCATIONAL DUTIES

2014-present **Forensic Case Seminar**
University of Michigan Psychiatry Residency Program
Participate in monthly case-based forensic psychiatry seminars for UM psychiatry residents and fellows in forensic psychiatry.

2013-present **Psychiatry Residency Forensics Core Curriculum**
University of Michigan Psychiatry Residency Program
Developed and delivered the entire didactic core curriculum in Forensic Psychiatry for third and fourth year residents, also attended by fellows in forensic psychiatry, from 2013-2016. I have continued to participate in delivery of select core lectures since then.

2011-present

State of Michigan Center for Forensic Psychiatry

From 2011-2016, I provided didactic sessions for the forensic psychiatry fellowship and the forensic psychology core curricula. Provided educational presentations to CFP psychiatry, psychology and social work staff on a variety of forensic issues. Participated in mock trials for the forensic fellows, forensic psychologists and social workers for their certification as Consulting or Certified Forensic Examiners. I have continued with the forensic fellowship core curriculum since 2016.

HONORS AND AWARDS

President, Midwest American Academy of Psychiatry and the Law, 2023-2024, selected by peers.

Resident Achievement Award, University of Michigan Department of Psychiatry, 2009. Awarded annually to a single program graduate for most outstanding performance throughout residency. Selected by faculty.

University of Michigan Psychiatry Residency Program Nominee for American College of Psychiatrists' Laughlin Fellowship, 2008-2009. Each program in the nation nominates one resident for this national award, which is given to 10 residents annually who are likely to make a significant contribution to the field of psychiatry.

Hospital Services Chief Resident, University of Michigan Department of Psychiatry, 2008-2009. Selected by Residency Program administration and Department faculty as chief resident.

Midwest American Academy of Psychiatry and the Law Phillip J. Resnick Scholar Award, 2008. Selected for this merit-based award for psychiatry residents demonstrating strong achievement and interest in forensic psychiatry.

President, University of Michigan Chapter of Alpha Epsilon Delta (Prehealth Professional Honor Society), 1999-2000. Selected by peers. Inducted into AED and selected as Pledge Class President in 1998 based on academic performance, educational service and health-care focused service activities.

ADMINISTRATIVE SERVICE

Center for Forensic Psychiatry: Medical Student and Resident Education Committee, Research Committee, Continuing Medical Education Committee, Ethics Committee (2012-2016)

University of Michigan Department of Psychiatry: Resident Education Committee (2013-2018)

University of Michigan Integrated Disability Management Coordination Committee (2014-present): *participate in review, analysis and revision of the University's disability management policies and protocols*

PROFESSIONAL ORGANIZATIONS

American Academy of Psychiatry and the Law: *Media and Public Relations Committee* (2020-present, selected by peers)

Midwest Chapter - American Academy of Psychiatry and the Law: *Executive Committee* (2016-present, selected by peers), *Councilor* (2016-2019, selected by peers), *Secretary* (2019-2022, selected by peers), *President* (2023-2024, selected by peers)

Association of Threat Assessment Professionals
