OVERVIEW

My background includes nearly 30 years in emergency medicine including extensive experience as a solo ER provider. Successful completion of a Physician Assistant emergency medicine residency program, Doctor of Medical Science (DMS) in Emergency Medicine and hold the distinction of being NCCPA-CAQ certified in Emergency Medicine. I have over a decade of experience in PA education including as an Associate Professor, Director of Clinical Education and Program Director with didactic, clinical and supervisory responsibilities.

Strengths

- Strong leadership skills demonstrated during tenure in PA higher education as the Program Director and Director of Clinical Education.
- Proficient in organizing and overseeing tasks, resources and personnel management.
- Possess an approachable demeanor, willingness to acknowledge my limitations and learn from others.
- Strong clinical acumen and leadership skills. Possess considerable experience as a solo provider in a remote access ER and have become familiar with and skilled at emergency department management. Particularly with attention to triage oversight, resource management and performance metrics.
- Experienced clinical director and owner of my own medical practice again reinforcing personnel and resource management. Experience with hiring and training, payroll, advertising and sales.
- Experienced lecturer teaching Emergency Medicine to PA students at Christian Brothers University PA program.
- Expertise with technical procedures and equipment commonly used in the emergency department.
- Have acquired the drive, initiative, diligence, and flexibility to make an immediate contribution to any emergency department team.

TEACHING & ADVISING

Associate Professor – Program Director

- Responsibilities include overall organization and administration/management of all aspects of the PA program including curriculum, evaluation and accreditation of the program.
- Effectively collaborate with other health professionals, school and community leaders to optimize the success of the PA program.
- Fiscally prepare and manage an annual budget and collaborate with university administration in grant procurement.
- Continuous programmatic review and analysis of data to improve program quality.
- Adherence to ARC-PA standards and policies including completion of ARC-PA required documents and coordination with faculty to design, implement, evaluate and revise a competency based curriculum.

Associate Professor – Director of Clinical Education

- Oversee the development, implementation and progression of the clinical phase and assure ARC-PA compliance.
- Direct the development of course learning outcomes and objectives as well as develop plans for summative assessments.
- Maintain regular review and analysis of student performance and progress.

- Manage and participate in the recruitment and selection process of clinical faculty and their orientation to clinical phase instruction.
- Ensure all policies, procedures and practices under my responsibility comply with ARC-PA standards and institutional policies.
- Recommend budgetary considerations to the Program Director.

Associate Professor – Clinical Faculty, Christian Brothers University Physician Assistant Program

- Instructor of Record for Orthopedic, Surgery and Emergency Medicine rotations
 - Instructor for didactic year emergency medicine course
 - Student advisor and mentor
 - Designed and implemented block schedule for clinical year
 - Manage clinical site data base
 - Cultivate community relations and site development
- Recognized for teaching and leadership excellence with induction into **Pi Alpha National Honor Society**.
