Certifications & Licensure:

- CCNS, Expires June 30, 2030
- APN, State of Illinois, Expires May 31, 2028
- RN, State of Illinois, Expires May 31, 2028
- RN, State of Florida, Expires April 30, 2027
- National Provider Identifier Number # 1124240353

***Career Summary***

Doctorally prepared advanced practice nurse with special expertise in qualitative research methods. Over 30 years' experience in health care, including positions in the clinical environment, clinical and corporate education, research, and academia. Clinical experience in critical care. Tracheostomy specialist and co-editor/author of *Tracheostomies: The Complete Guide* (Morris & Afifi, Eds.). Internationally recognized speaker who has developed and presented hundreds of formal and informal programs to numerous professional, civic, and community groups. Provides consultation and expert testimony in medical-legal cases, involving malpractice and standard of care in nursing and tracheostomy cases.

***Educational Background***

University of Illinois College of Nursing. Chicago, IL

**Doctor of Philosophy** in Nursing Sciences. Dissertation title: "The Nature and Meaning of Near-Death Experiences to Patients and Critical Care Nurses", 1998.

Loyola University of Chicago, Marcella Niehoff School of Nursing, Chicago, IL

**Master of Science in Nursing**, clinical specialty in critical care nursing, 1981.

Southern Illinois University at Edwardsville, IL

**Bachelor of Science in Nursing**. Dean's list, *cum laude*, 1976

Northern Illinois University, DeKalb, IL August 1974-December 1974

Prerequisites of biochemistry and advanced physiology completed prior to entry into nursing program.

Joliet Junior College, Joliet, IL

**Associate of Arts**, Liberal Arts and Sciences, Dean's list, 1974

### ***Current Positions***

Shirley Ryan AbilityLab (formerly the Rehabilitation Institute of Chicago), Chicago, IL  
**Clinical Research Scientist** (August 2023 to present)

Northwestern University, Feinberg School of Medicine, Chicago, IL  
**Lecturer, Physical Medicine and Rehabilitation (PM&R) and Anesthesiology** (Sept 1, 2024-present)  
Responsible for clinical education of resident physicians and medical students within the Departments PM&R and Anesthesiology.

Dr. Linda L. Morris, Inc., Darien, IL

**President** (2022-present)

Consultation and expert testimony in medical-legal cases, involving malpractice and standard of care in nursing and tracheostomy cases.

Global Tracheostomy Collaborative

**Associate Editor**, Tracheostomy Journal, (2023-present)

### ***Previous Education and Research Experience***

Shirley Ryan AbilityLab (formerly the Rehabilitation Institute of Chicago), Chicago, IL  
**Director, Nursing Research** (May 2019 to July 2023)

**Advanced Practice Nurse, Pulmonary Services** (May 2019 to July 2023)

**Clinical Nurse Educator** (January 2016 to May 2019)

Emergency Nurses Association, Des Plaines, IL

**Director, Institute for Emergency Nursing Education** (Nov. 2014 to Sept. 2015)

Led a staff of 11 professionals, including instructional designers, senior nurse educators and nurse planner, eLearning specialist as well as numerous volunteer members to produce educational products and programs for a membership of over 40,000 emergency nurses.

Northwestern University, Feinberg School of Medicine, Chicago, IL

- **Professor of Physical Medicine and Rehabilitation (PM&R), Anesthesiology** (Sept 1, 2023- Aug 31, 2024)
- **Associate Professor of Physical Medicine and Rehabilitation and Anesthesiology, Feinberg School of Medicine** (2016- 2023)

- **Associate Professor of Clinical Anesthesiology, Feinberg School of Medicine** 2012-2016)
- **Assistant Professor of Clinical Anesthesiology, Feinberg School of Medicine** (2006-2012)
- **Instructor of Clinical Anesthesiology, Feinberg School of Medicine** (2003-2006)

Rush University, College of Nursing, Chicago, IL

- **Clinical Preceptor** for Acute Care Nurse Practitioner Program, (2006-2014)

Adventist Health Systems, Hinsdale, IL & LaGrange, IL

- **Regional Clinical Educator, Intensive Services/Cardiac/Medical** (September 1995 to June 2002). Educational consultant for regional hospital system critical care areas and numerous outpatient areas.

University of Illinois College of Nursing, Chicago, IL

- **Adjunct Clinical Instructor** (1987 to 2014)

Loyola University Marcella Niehoff School of Nursing, Chicago, IL

- **Clinical Instructor** (January to May 1996)
- **Clinical Instructor** (October-December 1992)

Lewis University, Romeoville, IL

- **Adjunct Assistant Professor** (August to December 1995). Clinical instructor for critical care and leadership courses.

Aurora University School of Nursing, Aurora, IL

- **Classroom/Clinical Instructor** (January 1993 to May 1995)

Triton College School of Nursing, River Grove, IL (1984-86)

- **Clinical Instructor**

George Williams College School of Nursing, Downers Grove, IL (1983-1984)

- **Clinical Instructor**

Northern Illinois University School of Nursing, DeKalb, IL (1982-3 and 1990)

- **Clinical Instructor**

### *Previous Clinical Nurse Specialist Experience*

Shirley Ryan AbilityLab (formerly the Rehabilitation Institute of Chicago), Chicago, IL  
**Advanced Practice Nurse, Pulmonary Services** (May 2019-2023)

Northwestern Memorial Hospital, Chicago, IL

**Clinical Nurse Specialist, Respiratory Care** (June 2003 to October 2014). Responsible for clinical education of physicians, medical students, nurses, and therapists. Led quality improvement efforts for all cardiac and respiratory emergencies within the medical center.

Tracheostomy specialist, leader of tracheostomy service. Consultant for clinical education and clinical research efforts.

MacNeal Hospital, Berwyn, IL

- **Clinical Nurse Specialist, Critical Care** (1989-1992). Consultant for critical care units (ICU, CICU, CSU). Assured excellence in nursing care, coordinated nursing QA activities, educated staff, and implemented research projects. Developed and implemented skills validation program and CCRN Review Course. Member IRB.

University of Illinois Hospital and Clinics, Chicago, IL

- **Clinical Nurse Specialist, Critical Care/ER Division** (1987-1989). Consultant for eight critical care units. Developed set of self-learning modules for critical care orientation. Coordinated all nursing QA within the division.

Westlake Community Hospital, Melrose Park, IL

- **Clinical Nurse Specialist, Critical Care** (1981-1987). Consultant for CCU, ICU, telemetry, and ER. Developed and implemented certification programs for critical care. Developed and coordinated monthly Nursing Grand Rounds for continuing education.

### *Previous Staff Nurse Experience*

Good Samaritan Hospital, Downers Grove, IL

- **Staff Nurse** (per diem), Intensive Care Unit, June 2002 to December 2003

Froelich and Associates, Des Plaines, IL

- **Clinical Associate** (August 1992 to 1997)

Homemakers Upjohn, Inc., Joliet and Elmhurst, IL

- **Relief Supervisor** (per diem) for a variety of extended care facilities and private duty nursing (1977-1978)

Loyola University Medical Center, Foster McGaw Hospital, Maywood, IL

- **Staff Nurse/Preceptor**, Medical Intensive Care Unit (1978-1981)

St. Joseph Hospital, Joliet, IL

- **Staff/Charge Nurse**, Coronary and Medical Intensive Care Units (1977-1978)

### *Expert Witness Consulting Experience (2005-present).*

- Experienced expert witness with deposition experience
- Cases involving critical care nursing standard of care and malpractice
- Cases involving tracheostomy standard of care and malpractice

## *Honors, Professional Affiliations, and Community Service*

### Global Tracheostomy Collaborative (2012-present)

- Steering Committee member (2012 to 2015; 2022-present)
- Elected to Board of Directors (2013-2016, 2022 to 2024)
- Programme Committee (2012-2015)
- Interventions Committee (2012-2015)
- Membership Stewardship Committee (2012-2014)
- Publications Committee (2016-2021)
- Webinar/Education Committee (2016 to present)
- Social Media Committee (2012-2015)
- Associate Editor, Tracheostomy Journal (2023-present)
- Chair, Nominations Committee (2022-2024)

### Chicago Heart Association

- Certified in Basic Life Support (CPR, 1977 to present)
- Certified in Advanced Cardiac Life Support (ACLS, 1977 to 2018)

### Emergency Nurses Association, member (2014 to 2016)

### Northwestern Memorial Hospital

- Quality Management Committee, Respiratory Care (2003 to October 2014)
- APN Education Subcommittee (November 2013 to October 2014)

### Northwestern University

- Curriculum Committee, Quality & Patient Safety Thread (2011 to 2014)

### Fellow, American College of Critical Care Medicine, inducted January 10, 2010-present

### Member, Society of Critical Care Medicine (SCCM)

- Adult Multiprofessional Critical Care Review Course Committee, 2007-2010
- APN Committee, Nursing Section, CNS Member at Large, 2007-2008
- Nursing Section, Research Committee, Chair-Elect: 2011-2012
- Nursing Section, Research Committee, Chair: 2013-2015
- Multiprofessional Self-Assessment Review Book and Comprehensive Board Review Book Task Force, 2010-2013
- Accreditation and Learning Strategies Committee, 2017-2020
- Advanced Practice Provider Committee, 2019-2022
- Congress Program Planning Committee, 2022-2025

### Member, Illinois Society for Advanced Practice Nursing (ISAPN, 2008-2016)

### Member, American Association of Critical Care Nurses (AACN, 1974-present)

- Certified as CCNS (Critical Care Clinical Nurse Specialist), 2003-2030
- CCRN certified July 1982-1997
- Public Policy Advisor, Region 10 (IL), 1999-2000
- Public Policy Work Group, 2000 to 2001

- Education Work Group, 2002-2003
- Continuing Education Articles Review Panel, 2001-2002
- AACN Board Advisory Team, 2001-2002
- Membership Advisory Team, 2001-2002
- Scholarship Committee, 2002-2003
- Chicago West Suburban Chapter AACN, board member May 1996 to 2005
  - Newsletter Co-chair, 1996-1997
  - President-Elect, 1997-1998
  - President, 1998-1999
  - Membership Co-chair, 1999-2002

Reviewer, ad hoc, *Otolaryngology Head and Neck Surgery*, 2018-present

Former Member, Sigma Theta Tau, Alpha Lambda Chapter

Graduate, Human Resource Development Institute, November 2001. Sponsored by CC-ASTD (Chicago Chapter-American Society of Training and Development)

Former guest speaker for Rotary Club International, Lions Club, Kiwanis, and numerous other civic, community, and social groups. Topics include:

- Aging Elegantly
- Tales from the Light™

Former member, Board of Directors, University of Illinois College of Nursing Alumni Association, 1999- 2001

American Nurses Credentialing Center, Certified in Continuing Education and Staff Development, 1999-2004

Former Member, American Nurses' Association

Former Member, Illinois Nurses' Association (1984-2010)

- CEAP review panel member (1985-1992; 2003-2010)
- CEAP Quality Assurance committee (1990-1992)
- Interdivisional Council of Clinical Nurse Specialists: Corresponding secretary, 1984-5; Vice-chairperson, 1986-7; Nominating committee, 1988-1989

Board of Directors, Darien Pointe Townhome Association, 1998- 2017, 2023-2025  
President, 2010-2017

Board of Directors, 2 East Erie Condo Association, 2017-2024  
Vice-President, 2018-2024

### ***Research Activities***

US Provisional Patent Co-Owner/Inventor, *Tracheostomy Anti-Disconnect System and related methods*. US Provisional Patent Application Serial No. 63/511,590 filed June 30, 2023 and US Provisional Patent Application Serial No. 18/759,670, filed on June 28, 2024.

Co-Investigator, SIESTA study (Sleep Interventions Empowering Staff to Act), University of Chicago, Northwestern University, 2019-2023.

Principal Investigator, How long does it take the tracheostomy stoma to close after decannulation? Northwestern University, IRB # STU00206729, 2018-2023.

Principal Investigator, SRAlab Tracheostomy Database. Northwestern University, IRB # STU000210262, 2019-present.

Co-Investigator, Caregiver stress of locked-in patients. Northwestern University, IRB # STU000210046, 2019-2024.

Principal Investigator, Tracheostomy Survey. Northwestern University, IRB # STU00209422, 2019 to 2023.

Co-Investigator, Implementing a User-Centered Design Guideline. Northwestern University, IRB # STU000209163, 2019.

Co-Investigator, Pediatric simulation series. Northwestern University, IRB # STU00297010, 2018-present.

Co-Investigator, The patient experience and perspective of care with a ventricular assist device (VAD). Northwestern University, IRB # STU00207206, 2018-2024.

Member, Institutional Review Board, Northwestern University, 2005-2010

Principal Investigator, Tracheostomy Dressing Applicator. Northwestern University, IRB #00205453, 2017-2019.

Co-investigator, Can use of advanced pressure visualization bridge the gap between air fluidized support surfaces and standard mattresses to reduce costs while maintaining optimal outcomes? Northwestern University, IRB #STU00208029, 2018-present.

Co-investigator, Using pressure mapping to evaluate effectiveness of various pressure relief devices. Northwestern University, IRB #STU00207594, 2018-2022.

Principal Investigator, National Database of Nursing Quality Indicators (NDNQI) RN Survey, Northwestern University, IRB #STU00206054, 2017.

Principal Investigator (faculty advisor), Training staff nurses in Emotional Intelligence skills: Will it improve the nurse-patient relationship? Northwestern University, IRB # STU00080993.

Co-investigator, Multi-center study of a new tracheostomy tube designed to facilitate speech, Northwestern University, (Logemann, PI), IRB # STU00015027.

Principal Investigator (Faculty Advisor), Tap and twist: Preventing deep vein thrombus in the neuroscience patients through foot and ankle range of motion exercises, Northwestern University, IRB # STU00027212.

Principal Investigator, Assessment of the economic impact on fecal containment in bedridden patients comparing Zassi bowel management system (BMS) with Flexi-Seal fecal management system, Northwestern University, IRB # 1429-009.

Principal Investigator (Faculty Advisor), Staff perceptions of two levels of nursing observation with threatening and impulsive patients”, Northwestern University, IRB # 1429-008, 2007 to 2014.

Principal Investigator, “Outcome evaluation of patients with tracheostomies (short-term)”, Northwestern University, IRB # 1429-007, STU00027406.

Principal Investigator, “Tracheostomy Database”, Northwestern University, IRB # 1429-005, STU00027363.

Principal Investigator, “The effects of a program of deep breathing and arm exercises on outcomes of newly tracheostomized patients”, Northwestern University, IRB # 1429-006, 2007 to 2014.

Principal Investigator, “Outcome evaluation of a new critical care orientation program: Effect on satisfaction, length of orientation, cost, infection rates, retention, and mortality”, Northwestern University, IRB # 1429-004, 2005 to 2009.

Principal Investigator (Faculty Advisor), “Barriers to expectant fathers’ attendance at prenatal breastfeeding classes, Northwestern University, IRB# 1429-003, 2005-2006.

Principal Investigator (Faculty Advisor), “Clinicians’ perceptions of how CPOE has affected physician-nurse collaboration and timeliness of care, Northwestern University, IRB # 1429-002, 2004-6

Principal Investigator (Faculty Advisor) “Hill-Rom Bed Weight Functionality Project”, Northwestern University, IRB # 1429-001, 2004.

Consultant, Nursing Research Committee, Northwestern Memorial Hospital, 2003-2014.

Chairperson, Nursing Research Committee, Adventist Health System—Midwest Region, 1997-2002.

Principal Investigator, “The nature and meaning of near-death experiences to patients and critical care nurses.” Doctoral dissertation, University of Illinois at Chicago, 1998.

Site Coordinator, American Association of Critical-Care Nurses, Thunder Project (Effects of heparin on patency of arterial lines), 1991.

Member, Investigational Review Board, MacNeal Hospital, 1990-1992.

Site Nurse Coordinator, TIMI Study (Thrombolysis in Myocardial Infarction: use of r-tPA), MacNeal Hospital, 1990.

Research Assistant, Anthony Silvetti (PI): FDA study of wound healing and application of a starch-based powder and vitamin C. 1984-1986.

Research Assistant, Imogene King (PI): Preoperative exercises and outcomes of surgery. Loyola University, 1981.

### ***Regional, National and International Presentations***

Speaker who has developed and presented several hundreds of formal and informal presentations to professional, non-professional, civic, and community groups ranging from 5 to 500 people. Provides consultation and expert testimony in medical-legal cases.

Speaker, National Teaching Institute, Sunrise Session: Examining the Evidence in Tracheostomy Care, (sponsored by Medtronic), Denver, CO, May 22, 2024.

Speaker, 7<sup>th</sup> International Tracheostomy Symposium, When will the tracheostomy close after planned decannulation? Johns Hopkins, Baltimore, MD, October 20, 2023.

Poster Presenter, 7<sup>th</sup> International Tracheostomy Symposium, Tracheostomy Decannulation Study, Johns Hopkins, Baltimore, MD, October 20, 2023.

Speaker, 7<sup>th</sup> International Tracheostomy Symposium, Using Online Learning to Provide Multidisciplinary tracheostomy Education, Johns Hopkins, Baltimore, MD, October 20, 2023.

Poster Presenter, 7<sup>th</sup> International Tracheostomy Symposium, Using Online Learning to Provide Multidisciplinary tracheostomy Education, Johns Hopkins, Baltimore, MD, October 20, 2023.

Speaker, REACH Conference, Association of Rehabilitation Nurses, When will the tracheostomy stoma close after planned decannulation? Providence, RI, August 18, 2023.

Speaker, Northern Illinois Association of Rehabilitation Nurses, The Tracheostomy Team: Developing a Multidisciplinary Approach to Tracheostomy Management in the Acute Inpatient Rehabilitation Setting, January 25, 2022

Speaker Global Tracheostomy Collaborative webinar, Rehabilitation of the tracheostomy patient in the era of COVID-19, July 29, 2020.

Speaker, Global Tracheostomy Collaborative webinar, Enhancing tracheostomy stoma care, November 22, 2019.

Speaker, Society of Critical Care Medicine Congress, Necessity of a multidisciplinary tracheostomy management team, Orlando, FL, February 19, 2020.

Speaker, 5<sup>th</sup> International Tracheostomy Symposium, A tale of two patients: Bariatric patient considerations. Melbourne, Australia, October 11, 2019.

Poster Presenter, 5<sup>th</sup> International Tracheostomy Symposium, **Morris LL**, Lupei M, Afifi MS. Perception of body image after tracheostomy. Melbourne, Australia, October 11, 2019.

Poster Presenter, **Morris LL**, McCarter S, Petkovic J, Rivkin E, Smalls-Smyth A, Strawbridge A. 5<sup>th</sup> International Tracheostomy Symposium, Patient advice about tracheostomies. Melbourne, Australia, October 11, 2019.

Poster Presenter, **Morris LL**, Kuncis M, Perleberg D, Kuczek A, Heinemann A, Semik P. 5<sup>th</sup> International Tracheostomy Symposium, New device makes tracheostomy dressing changes easier. Melbourne, Australia, October 11, 2019.

Poster Presenter, Association of Rehabilitation Nurses, REACH 2018, Tracheostomy dressing applicator (TDA). West Palm Beach, October 20, 2018.

Speaker, Association of Rehabilitation Nurses, REACH 2018, Body image perception after tracheostomy. West Palm Beach, October 20, 2018.

Speaker, Association of Rehabilitation Nurses, REACH 2018, Patient advice about tracheostomies. West Palm Beach, October 20, 2018.

Speaker, Dysphagia Research Society meeting, Multidisciplinary approaches to tracheostomy management in critically ill patients, Baltimore, IL, March 15, 2018.

Speaker, Global and interprofessional tracheostomy education: The development and validation of an interactive webinar series for the global community. Dallas, TX, February 3, 2018.

Speaker, Improving the management of tracheostomy care among paediatric healthcare providers using interactive online lectures. Dallas, TX, February 3, 2018.

Speaker, Association of Rehabilitation Nurses, REACH 2017, Tracheostomy rounds. Seattle, Washington, November 11, 2017.

Poster Presentation, British Laryngological Association Annual Conference, Pediatric tracheostomy education: An interactive webinar series for the global community, London, September 27, 2017.

Speaker, Tracheostomies: From individual passion to global initiative, Epsilon Upsilon Chapter, Sigma Theta Tau International, Lewis University, Oakbrook IL, April 2, 2014.

Poster Presentation, Perception of body image after tracheostomy. 10<sup>th</sup> Annual Lewis Landsberg Research Day, Chicago, IL, April 3, 2014.

Poster Presentation, Perception of body image after tracheostomy. 2<sup>nd</sup> Annual Northwestern Medicine Advanced Practice Nurse Conference, Chicago, IL, April 4, 2014.

Poster Presentation, Perception of body image after tracheostomy. Society of Critical Care Medicine Congress, San Francisco, CA, January 2014.

Moderator, Nursing: Year in Review. Society of Critical Care Medicine Congress, San Francisco, CA, January 12, 2014.

Speaker, From individual passion to global initiative, Gamma Phi Chapter, Sigma Theta Tau International, Rush University, Chicago, IL, October 16, 2013.

Speaker, Tracheostomy Emergencies, Society of Critical Care Medicine Congress, San Juan, Puerto Rico, January 21, 2013.

Speaker, Tricky Tracheostomy Cases, International Symposium on Advanced Tracheostomy Management and Prolonged Mechanical Ventilation, Melbourne, Australia, September 1-2, 2011.

Speaker, Year in Review: Nursing, Society of Critical Care Medicine Congress, San Diego, CA, January 17, 2011.

Speaker, Let's Talk Trachs, Illinois Society of Advanced Practice Nurses Midwest Conference, September 25, 2010.

Poster Presentation, **Morris, L.**, Shah, R., Avram, M., Afifi, S., International Anesthesiology Research Society. Impact of early tracheotomy on hospital course and patient survival. Honolulu, HI, March 2010.

Poster Presentation, **Morris, L.**, Shah, R., Afifi, S., Avram, M. Society of Critical Care Medicine Congress, Does early tracheotomy affect length of stay (LOS) and survival? Miami, FL, January 2010.

Speaker, Outcome evaluation of a new model of critical care orientation, Professional Nurse Educator Conference: Transforming Curricula and Lifelong Learning for Quality and Safety, Mayo Clinic, Rochester, MN, October 4, 2009.

Speaker, Let's talk trachs: Managing your tracheostomy patients safely, Illinois Association of Nurse Anesthetists, Chicago, IL, October 3, 2009.

Speaker, Managing your tracheostomy patients safely, 6<sup>th</sup> Annual Neuroscience Symposium, Northwestern Memorial Hospital, Chicago, IL, August 17, 2009.

Poster Presentation, Rochlen, L, Afifi, S, Ault, M, **Morris, L**, Naidech, A, Trivedi, P. Society of Critical Care Medicine Congress, Separate airway emergency team improves survival rates at hospital discharge. Nashville, TN, February 2009.

Poster Presentation, Kowal-Vern, A, Barnett, B, Ferrari, M, Koenig, M, Mah, J, **Morris, L**, Powers, J, Stokes, E, Tan, M, Zaletel, C, Cullum, M. Society of Critical Care Medicine Congress, Comparison of economic value of two indwelling bowel catheters in the acute and critical care setting. Nashville, TN, February 2009.

Poster Presentation, Kowal-Vern, A, Barnett, B, Ferrari, M, Koenig, M, Mah, J, **Morris, L**, Powers, J, Stokes, E, Tan, M, Zaletel, C, Cullum, M. WOCN 41<sup>st</sup> International

Conference, Comparison of economic impact of bed linen changes per day of two indwelling bowel management systems, 2009.

Poster Presentation, Ray, R., Perkins, E., Meijer, B., **Morris, L.** American Psychiatric Nurses Association, “Does Less Intensive Observations Increase Unit Safety?”, October 2008.

Poster Presenter, Northwestern Memorial Hospital Research Conference, **Morris, L.**, Pfeifer, P. “If You Build It, They Will Come: Outcome Evaluation of a New Model of Critical Care Nurse Orientation”, Chicago, IL, July 13, 2007.

Poster Presenter, Society of Critical Care Medicine Congress, **Morris, L.**, Pfeifer, P. “If You Build It, They Will Come: Outcome Evaluation of a New Model of Critical Care Nurse Orientation”, Orlando, Florida, February 2007.

Speaker, 1<sup>st</sup> Nurse Education International Conference (NETNEP), **Morris, L.**, Pfeifer, P. “The Future of Critical Care Orientation: The Effect of a Blended Learning Approach”, Vancouver, Canada, May 2006.

Speaker, Illinois Society for Respiratory Care, “Tales from the Light: Research into the Near-Death Experience”, Oakbrook, IL, June 2005.

Poster Presenter, American Association of Critical Care Nurses, National Teaching Institute, “The Future of Critical Care Orientation: Using Simulator Technology with a Blended Learning Model, New Orleans, May 2005.

Poster Presenter, Nursing Management Congress, “The Future of Critical Care Orientation: Using Simulator Technology with a Blended Learning Model”, Chicago, September 2004.

Speaker, International Association of Near-Death Studies (IANDS), “Creative Tales from the Light”, Chicago, IL, June 2004.

Speaker, American Association of Critical Care Nurses, National Teaching Institute, “Tales from the Light™: The Nature and Meaning of Near-Death Experiences for Patients and Critical Care Nurses”, San Antonio, TX, May 2003.

Keynote Speaker, Annual Meeting of the Chicago Tax Club, “Tales from the Light™”, Rosemont Convention Center, October 2001.

Speaker, International Association of Near-Death Studies (IANDS), “The Nature and Meaning of Near-Death Experiences for Patients and Critical-Care Nurses”, July 2001, Seattle, WA.

Speaker, American Association of Critical Care Nurses, National Teaching Institute, “Making a Difference: Communicating the Value of Nursing”, Anaheim, CA, May 2001.

Speaker, Mayo Clinic Spiritual Research Conference, “The Nature and Meaning of Near-Death Experiences for Patients and Critical-Care Nurses”, November 2000, Rochester, MN.

Speaker, University of Chicago Research Symposium, “The Nature and Meaning of Near-Death Experiences for Patients and Critical-Care Nurses”, November 1999, Chicago, IL.

Poster Presenter, "The 72-hour change interval in intravascular monitoring", (McLane, C., **Morris, L.**, Holm, K., & Olesinski, N.) American Association of Critical Care Nurses World Congress, Toronto, Canada, October 5-7, 1994.

Speaker, "The 72-hour change interval in intravascular monitoring", (McLane, C., **Morris, L.**, Holm, K., & Olesinski, N.) American Association of Critical-Care Nurses National Teaching Institute, Atlanta, Georgia, May 12, 1994.
