

# MAURICE PRETER, MD

PSYCHIATRY NEUROPSYCHIATRY  
NEUROLOGY

## CURRICULUM VITAE

### Dr. med. Maurice Preter, MD

#### Education

1983	Gymnasium (German Secondary school) Diploma (Abitur), Munich, West Germany
1983-1984	Studies of Ethnology, Ludwig-Maximilians-University, Munich, West Germany
1984-1991	Faculty of Medicine, Ludwig-Maximilians-University, Munich, West Germany
1990-1991	Externship, Hôpital Tenon and Hôpital Saint-Antoine, Assistance Publique-Hôpitaux de Paris, University of Paris VI, Paris, France
1991	Externship, Harvard Medical School, Boston, Massachusetts
1991	MD Degree (Ärztliche Prüfung), Faculty of Medicine, Ludwig-Maximilians-University, Munich, West Germany
1995	Doctor medicinae (Dr. med.), thesis cum laude. Ludwig-Maximilians-University, Munich, Germany

#### Postdoctoral Training, Internships and Residencies

1991-1993	Postgraduate, University of Paris VI, Paris, France
1993-1994	Medical internship, Bronx Municipal Hospital Center (Jacobi Hospital)/Albert Einstein College of Medicine, Bronx, New York
1994-1999	Combined Neurology-Psychiatry Residency, Montefiore Medical Center/Albert Einstein College of Medicine, Bronx, New York

#### Licensure

1990	ECFMG
1991	Germany/European Community
1993	Federal Licensing Examination (FLEX), Commonwealth of Pennsylvania
1998-2001	Indiana #01049756A
2000-2003	Mississippi #16607
2002	National Institutes of Health sponsored computer based training course, Human Participant Protection Education for Research Teams
2003	New York State #228362
2008	Conseil National de l'Ordre des Médecins (Liste Spéciale), Paris, France
2010-2015	Municipality of Shanghai, PRC
2011-2015	Municipality of Beijing, PRC

#### Certifications

2004	American Board of Psychiatry and Neurology, Certification in Psychiatry, #53437
2004	American Board of Psychiatry and Neurology, Certification in Neurology, #52684
2006	Certification to practice medication-assisted opioid addiction therapy with Subutex® (buprenorphine hydrochloride) and Suboxone® tablets (buprenorphine hydrochloride and naloxone hydrochloride)
2011	Qualification Examination for Foreign Doctors to practice medicine, Beijing, PRC

### **Principal Professional Activity**

Neuropsychiatrist. Private practice of psychiatry, neuropsychiatry, and neurology.

Psychotherapy and psychopharmacology

Second opinion consultations

Integrated diagnosis and treatment of neurological and psychiatric overlap conditions (neuropsychiatry), especially dementia and TBI

Concierge doctor@[Fifth Avenue Concierge Medicine, PLLC](#), a private health advisory and medical concierge service  
[Forensic neuropsychiatrist](#) and psychiatry and neurology expert to the judiciary, law firms, and private and public institutions

### **Major Research Interests**

Complementary-alternative treatment of Alzheimer's dementia and traumatic brain injury with the [Preter Protocol](#)

Panic disorder and anxiety

Integration of psychiatry, psychosomatic medicine, and neurology

Pharmacology and psychology of psychiatric/neurological overlap conditions (neuropsychiatry) and medically unexplained symptoms

Psychological trauma and physical symptoms

Migraine and chronic pain

### **Academic Appointments**

<b>2000-2003</b>	Assistant Professor of Psychiatry, University of Mississippi School of Medicine, Jackson, Mississippi
<b>2000-2003</b>	Assistant Professor of Neurology, University of Mississippi School of Medicine, Jackson, Mississippi
<b>2001-2003</b>	Assistant Professor of Family Medicine, University of Mississippi School of Medicine, Jackson, Mississippi
<b>2004-2023</b>	Assistant Professor of Clinical Psychiatry, Columbia University College of Physicians & Surgeons, New York
<b>2008-2012</b>	Adjunct Associate Professor of Neurology, College of Medicine, State University of New York, Downstate Medical Center
<b>2013-2017</b>	Associate Clinical Professor of Neurology, The Mount Sinai Hospital, New York

### **Hospital Appointments**

<b>2000-2003</b>	Attending Psychiatrist, University of Mississippi Medical Center, Holmes County, Mississippi
<b>2000-2003</b>	Attending Neurologist, University of Mississippi Medical Center, Holmes County, Mississippi
<b>2001-2003</b>	Attending Psychiatrist, University of Mississippi Medical Center, Jackson, Mississippi
<b>2001-2003</b>	Attending Neurologist, University of Mississippi Medical Center, Jackson, Mississippi
<b>2004-2013</b>	Attending Physician, New York State Psychiatric Institute
<b>2008-2012</b>	Attending Neurologist, University Hospital of Brooklyn, College of Medicine, Downstate Medical Center
<b>2009-2022</b>	Department of Medicine, Division of Neurology, Lenox Hill Hospital, New York
<b>2010-2015</b>	Visiting Consultant, Shanghai International Hospital/Global HealthCare (GHC), Shanghai, PRC
<b>2010-2018</b>	<a href="#">Assistant Attending Psychiatrist, New York Presbyterian Hospital</a>
<b>2011-2015</b>	Visiting Consultant, Beijing United Family Hospital/北京和睦家医院, Beijing, PRC
<b>2013-2022</b>	Attending Neurologist, The Mount Sinai Hospital, New York

### **Awards and Honors**

<b>1983</b>	Gymnasium Diploma (Abitur), Munich, West Germany
<b>1991</b>	MD, Ludwig-Maximilians-University, Munich, West Germany. With High Honors
<b>1990-1993</b>	Residential Scholarship, Cité Internationale Universitaire de Paris (C.I.U.P.), University of Paris, France
<b>1995</b>	Doctoral Thesis in Medicine, cum laude. Ludwig-Maximilians-University, Munich, West Germany
<b>1997-1998</b>	Fellow of the New York Psychoanalytic Institute

<b>1998-1999</b>	Fellow of the American Psychoanalytic Association
<b>2009</b>	Visiting Professor Award, Shanghai Jiao-Tong University International Exchange Foundation, Shanghai, China
<b>2014 – present</b>	<a href="#">New York Magazine: Best Doctors of New York</a>
<b>2015 – present</b>	<a href="#">Castle Connolly America's Top Doctors</a>
<b>2015 –</b>	<a href="#">Castle Connolly Top Doctors: New York Metro Area</a>
<b>2021 – present</b>	New York Super Doctors

#### **Committees**

<b>2006-</b>	<a href="#">World Federation of Societies of Biological Psychiatry, Task Force on Anxiety Disorders and OCD</a>
<b>2006-</b>	World Federation of Societies of Biological Psychiatry, Task Force on Pain Management

#### **Professional Memberships**

<b>1995-</b>	American Academy of Neurology
<b>1996-</b>	American Psychiatric Association
<b>2000-</b>	International Society for Neuro-Psychoanalysis
<b>2001-</b>	American Academy of Psychiatry and the Law (active)
<b>2003-</b>	Harvard Medical School Program in Psychiatry and the Law at Mass. Mental Health Center (corresponding) (active)
<b>2004-</b>	American Neuropsychiatric Association
<b>2004-</b>	American Association of French-Speaking Health Professionals
<b>2004-</b>	<a href="#">Independent Doctors of New York</a> (IDNY) (active)
<b>2008-</b>	<a href="#">China American Psychoanalytic Alliance (CAPA)</a> (active)
<b>2010-</b>	<a href="#">The American Academy of Psychoanalysis &amp; Dynamic Psychiatry</a> (active)
<b>2010-</b>	International Society for the Advancement of Respiratory Psychophysiology (ISARP)
<b>2010-</b>	Shanghai International Mental Health Association (SIMHA)
<b>2011-</b>	International Society of Travel Medicine (ISTM)
<b>2012-</b>	National Headache Foundation

#### **Teaching Experience**

<b>1995-1996</b>	Instructor, Introduction to Neurology (for first-year medical students), Albert Einstein College of Medicine, Bronx, NY
<b>1997-1998</b>	Instructor, Nervous System and Human Behavior Course (for second year medical students), Albert Einstein College of Medicine, Bronx, New York
<b>1997-1998</b>	Instructor, Neurology and Neuropsychiatry for Psychiatrists. Psychiatric Residency Training Program, Harlem Hospital Center, New York, NY
<b>1997-1999</b>	Instructor, Neurology and Neuropsychiatry Module for Psychiatry Residents, Albert Einstein College of Medicine/Montefiore Medical Center, Bronx, New York
<b>1998-1999</b>	Instructor, Clinical Neuroscience and Neuropsychiatry Course for Psychiatry Residents, Albert Einstein College of Medicine/Montefiore Medical Center, Bronx, New York
<b>2006 – 2023</b>	Supervisor, Columbia University, Department of Psychiatry
<b>2008 – present</b>	Supervisor, Two-Year Psychotherapy Training Program, <a href="#">China American Psychoanalytic Alliance Inc (CAPA)</a>
<b>2010 – present</b>	Instructor, Two-Year Psychotherapy Training Program, China American Psychoanalytic Alliance (CAPA)
<b>2011 –</b>	Integrated neurology and psychiatry rounds for fourth year neurology residents. Columbia University Medical Center/New York Presbyterian Hospital
<b>2011 –</b>	Integrated neurology and psychiatry preceptorship for second year medical students, Columbia University Medical Center/New York Presbyterian Hospital
<b>2018 – 2023</b>	Neuropsychiatry supervision, Consultation-Liaison Psychiatry Fellowship, Columbia University Medical Center/New York Presbyterian Hospital

## Faculty

<b>2000-2003</b>	Research/Academic Trainee Mentorship Program. Department of Psychiatry and Human Behavior, University of Mississippi Medical Center, Jackson, Mississippi
<b>2001-2003</b>	Clinical Supervision. Department of Psychiatry and Human Behavior, University of Mississippi Medical Center, Jackson, Mississippi
<b>2001-2003</b>	Advanced Psychopathology Course (PGY-III). Department of Psychiatry and Human Behavior, University of Mississippi Medical Center, Jackson, Mississippi
<b>2005</b>	Chronic Pain. Neuropsychiatry Course. NYU Psychiatry Residency. Bellevue Medical Center
<b>2008</b>	Basic Mechanisms in Clinical Neuroscience (for MS2). College of Medicine, State University of New York, Downstate Medical Center
<b>2018 – present</b>	Continuous Case Conference, China American Psychoanalytic Alliance (CAPA)

## Selected Academic Presentations

<b>1998</b>	<p>International Network for Interdisciplinary Research about the Impact of Traumatic Experience on the Life of Individuals and Society. Invited Participant. Hamburg, Germany, November 30 – December 4.</p> <p>Working with the Elderly Holocaust Survivor: A Neuropsychiatrist's Perspective. Trauma Studies Conference, National Center for PTSD, Yale Psychiatric Institute, Yale University School of Medicine, New Haven, Connecticut, December 16.</p>
<b>2000</b>	<p>The Holocaust: Five Stories, Fifty Years Later. Invited Discussant (with Walter Reich, M.D. and Yehuda Nir, M.D.). Audiovisual Presentation. Annual Meeting of the American Psychiatric Association. Chicago, Illinois, May 16, 2000.</p>
<b>2001</b>	<p>Trauma and psychopathology in rural Mississippi. Presented at the Annual Meeting of the American Psychiatric Association. New Orleans, Louisiana, May 9</p> <p>The Shoah and its Aftermath on Film. Audiovisual presentation. Annual Meeting of the American Academy of Psychiatry and the Law. Boston, Massachusetts, October 26.</p> <p>Annual Meeting of the International Society for Traumatic Stress Studies, New Orleans, Louisiana, December 7.</p>
<b>2002</b>	<p>Migraine, panic, traumatic separation, and endorphins. An affective neuroscience model of a common condition. Grand Rounds Presentation, Department of Psychiatry and Human Behavior, University of Mississippi Medical Center, Jackson, Mississippi, February 22.</p> <p>Childhood Trauma in Film: Undzere Kinder (1948). Audiovisual Presentation. Annual Meeting of the American Psychiatric Association. Philadelphia, Pennsylvania, May 19.</p> <p>Pseudodementia in the twenty-first century – what is 'pseudo', what's real, what can be forgotten, what should be remembered? Issue Workshop. Annual Meeting of the American Psychiatric Association. Philadelphia, Pennsylvania. May 20.</p>
<b>2003</b>	<p>Post-Genocide Psychological Trauma in Film: Under the Domim Tree. Co-Chairperson: Harold J. Bursztajn, M.D. Annual Meeting of the American Psychiatric Association. San Francisco, California, May 20.</p>
<b>2004</b>	<p>Post-Genocide Psychological Trauma in Film: The Summer of Aviya. Co-Chairperson: Harold J. Bursztajn, M.D. With Gila Almagor, Amira Kohn Trattner, Yehuda Nir, M.D., Leonti Thompson, M.D., Dori Laub, M.D. Annual Meeting of the American Psychiatric Association. New York, May 5.</p> <p>The Re-Presentation of the Unthinkable: Childhood trauma and loss during the Shoah. Workshop on Undzere Kinder (1948). IV. International Congress of Psychic Trauma and Traumatic Stress, Buenos Aires, Argentina, June 25.</p>
<b>2005</b>	<p>Post-Genocide Psychological Trauma in Film: Jeux Interdits (Forbidden Games). Co-Chairperson: Harold J. Bursztajn, M.D. Annual Meeting of the American Psychiatric Association. Atlanta, GA, May 23, 2005.</p> <p>The Re-Presentation of the Unthinkable: Childhood trauma and loss during the Shoah. Workshop on Undzere Kinder (1948). 44th Congress of the International Psychoanalytic Association, Rio de Janeiro, Brazil, July 29.</p>
<b>2006</b>	<p>Panic, Separation Anxiety, and Endogenous Opioids. Lecture given at the Arnold Pfeffer Center for Neuro-Psychoanalysis at the New York Psychoanalytic Institute, Neuro-Psychoanalysis Lecture Series (with Donald F. Klein, M.D.). New York, February 4.</p>

- The Re-Presentation of the Unthinkable: Childhood trauma and loss during the Shoah. Workshop on Undzere Kinder (1948). World Psychiatric Association International Congress, July 15. Istanbul, Turkey.
- 2007** The Re-Presentation of the Unthinkable: Childhood trauma and loss during the Shoah. Workshop on Undzere Kinder (1948). 30th Congress of the International Academy of Law and Mental Health, June 26. University of Padua, Italy.
- 2008** "Respirer"- Influence du psychisme sur la respiration et de la respiration sur le psychisme. Table ronde [Philoctetes](#) Center [France](#), February 11.
- Charcot's Shadow: Integrating 19th Century Clinic into 21st Century Practice. Clinical conference. Mt. Sinai School of Medicine, Division of Psychotherapy. New York, April 17.
- Panic, Suffocation False Alarms, Separation Anxiety and Endogenous Opioids. Grand Rounds Presentation, Mt. Sinai School of Medicine, Division of Psychotherapy. New York, April 22.
- Charcot's Shadow: Integrating 19th Century Clinic into 21st Century Practice. Department of Neurology. Shanghai First People's Hospital. Jiao-Tong University, Shanghai, China. July 4.
- 2009** Panic, Separation Anxiety, Suffocation False Alarms and Endogenous Opioids. [NPAP](#) and the New School for Social Research. Department of Philosophy. New York, March 13
- [Update on Panic Disorder – Review of American Studies. First Congress of the Japanese Society for Anxiety Disorder Research.](#) Waseda University, Tokyo, Japan, March 28.
- The Third Derivative of Witnessing: Undzere Kinder: Attempt At a Synthesis. 15th World Congress of Jewish Studies. Hebrew University, Mt. Scopus Campus, Jerusalem, Israel. August 3
- How can anxiety research contribute to our understanding of psychogenic movement disorders? Human Motor Control Section, Medical Neurology Branch (Director: Mark Hallett), National Institute of Neurological Disorders and Stroke (NINDS), National Institutes of Health (NIH), Bethesda, MD. August 21.
- Panic, Suffocation False Alarm Theory, Separation Anxiety, Endogenous Opioids, and Childhood Parental Loss (CPL). Grand Rounds Presentation. Peking University, Department of Psychology. Beijing, China. November 20.
- Controlled cross-over study in normal subjects of naloxone-preceding-lactate infusions; respiratory and subjective responses: Relationship to endogenous opioid system, suffocation false alarm theory and childhood parental loss (CPL). Peking University Health Science Center, [6th Hospital, Institute of Mental Health](#). Beijing, China. November 20.
- 2010** A primer on scientific publishing in neurology. Department of Neurology, Changning District Central Hospital, Shanghai, China. February 26.
- Controlled cross-over study in normal subjects of naloxone-preceding-lactate infusions; respiratory and subjective responses: Relationship to endogenous opioid system, suffocation false alarm theory and childhood parental loss. Annual Meeting of the Anxiety Disorders Association of America (ADAA), Baltimore, MD. March 5.
- An integrated approach to the patient with medically unexplained symptoms. Wuhan Hospital for Psychotherapy, Wuhan, Hubei, China. May 31
- Controlled cross-over study in normal subjects of naloxone-preceding-lactate infusions; respiratory and subjective responses: relationship to endogenous opioid system, suffocation false alarm theory and childhood parental loss. International Society for the Advancement of Respiratory Psychophysiology (ISARP). Yeshiva University, New York, September 27.
- Psychogenic movement disorders and other medically unexplained symptoms. Symposium of the Movement Disorder Society Visiting Professor Program. Shanghai First People's Hospital. Jiao-Tong University, Songjiang, China. October 31.
- 2012** Controlled cross-over study in normal subjects of naloxone-preceding-lactate infusions; respiratory and subjective responses: relationship to endogenous opioid system, suffocation false alarm theory and childhood parental loss. First International Symposium on Translational Models of Panic Disorder/Simpósio Internacional sobre Modelos Translacionais do Transtorno do Pânico. Vitoria, ES, Brazil. November 16-18.
- 2013** Panic, Separation Anxiety, Suffocation False Alarms and Endogenous Opioids: How panic research can inform clinical neurology. North Shore-LIJ Lenox Hill Hospital Neurology Grand Rounds, New York, May 21
- Panic, Separation Anxiety, Suffocation False Alarms and Endogenous Opioids: How panic research can inform clinical neurology. The Mount Sinai Hospital, Department of Neurology Grand Rounds, New York, October 9.

- 2014** Psychogenic Movements Disorders and Medically Unexplained Symptoms: Can anxiety research inform clinical neurology? 第三届国际帕金森病暨运动障碍学术研讨会 (上海) - International Conference of Parkinson Disease & Movement Disorders/MDS Developing World Education Program (DWEPE). Shanghai First People's Hospital, Jiao Tong University, Songjiang, Shanghai, PRC. August 30, 2014
- Psychiatric Co-Morbidity of Migraine and Migraine Variants. Chinese Medical Association, Shanghai Chapter. Shanghai, PRC, September 1.
- 2016** Update on the treatment of Alzheimer's Disease. International Conference of Parkinson Disease & Movement Disorders/MDS Developing World Education Program (DWEPE). Shanghai First People's Hospital, Jiao Tong University, Shanghai, PRC. September 30.

#### **Miscellaneous Professional Activities**

- 1997-1999** Founder and Director, Geriatric-Neuropsychiatric Specialty Clinic for Holocaust Survivors in Bronx County, Jacobi Medical Center/Montefiore Medical Center, Albert Einstein College of Medicine, Bronx, New York
- 1999** Secretary of the Board, International Trauma Center, (Director: Dori Laub, M.D., Yale University School of Medicine)
- 2003 – present** Independent Medical Examiner, New York State Supreme Court
- 2004 –** Research Psychiatrist, New York State Psychiatric Institute
- 2005-2007** Director of the Board, American Association of French-Speaking Health Professionals
- 2005-2018** Chair, Committee on Internet Activity, [Independent Doctors of New York \(IDNY\)](#)
- 2008-2010** Treasurer, [Independent Doctors of New York \(IDNY\)](#)
- 2010-2012** Co-Chair, Website Committee, The American Academy of Psychoanalysis and Dynamic Psychiatry
- 2017 – present** Research Grants Committee, [China American Psychoanalytic Alliance Inc. \(CAPA\)](#)

#### **Editorial and Reviews**

- 2019 –** Chinese Journal of Integrative Medicine
- 2018 –** Review Editor, Editorial Board, Frontiers in Psychiatry – Section on Mood and Anxiety Disorders
- Psychiatry Investigation
- Journal of Clinical Psychopharmacology
- Annals, Academy of Medicine of Singapore
- Progress in Neuro-Psychopharmacology & Biological Psychiatry
- Psychodynamic Psychiatry (Editorial Board)
