## Professional Employment

---

### 2010-Present **VOHRA Wound Physicians**

- Independent contractor, Wound Care Specialist
- (2010-Present) National Physician Training Officer
- (2011-2013) Midwestern Region Lead Physician

As a physician with this group, I have personally had over 60,000 encounters with patients experiencing a wide variety of wounds in the long term care setting. I have worked extensively with nursing home staff and administration implementing a variety of wound treatment, prevention and surveillance programs. I currently have physician privileges at more than 20 facilities in the Chicago and Northern Illinois area.

### 2018-Present **Kane Educational Seminars**

- Independent contractor, Wound Care Course Instructor

I work as an instructor for a 21-hour wound care course that is for RN's, LPN's and MD's. This course covers the current concepts in wound care as well as the evaluation and treatment of a wide variety of wounds that are found in a clinical setting. This course is intended to prepare health care professionals to work in the wound care setting and prime them to take their appropriate level of board certification examination.
