Current Leadership & Advisory Roles:

Chief Medical Officer, Medical Suites

July 2025-Present

An organization dedicated to operating the concept of 'Right Care' into a high-performing healthcare model. This model aligns the interests of employers, patients, on-site medical teams, and community physicians, resulting in improved patient outcomes, optimized resource distribution, and reduced healthcare costs for employers.

Senior Medical Advisor, Proactive MD

2023-Present

Proactive MD partners with companies to provide their people with employer-sponsored onsite wellness centers,

Consultant, KEPRO

2017 - Present

KEPRO is the Beneficiary and Family Centered Care QIO (BFCC-QIO). The Quality Improvement Organization (QIO) Program is the cornerstone of Medicare's efforts to improve the quality of care and health outcomes for beneficiaries. As a consultant, I review medical reports to see whether they meet the standard of care.

Consultant, "DORA" Department of Regulatory Agencies

2024-Present

As an expert reviewer responsible for validating the standard of care provided to patients for the Colorado Medical Board

Course Director, Managing Clinical Risks

2014 - Present

Managing Clinical Risks is a Continuing Medical Education (CME) Program accredited by the Indiana University School of Medicine for AMA PRA Category 1 Credits. We hold quarterly 2-day CME seminars and workshops for clinicians, students, and physicians on topics such as critical decision making and strategies on mitigating risks, averaging 40-60 CME hours a year. As of March 2020, we have also started conducting 1-hour CME sessions, every week.

- Georgia Certificate of Merit, the University of Georgia, 1981
- National Honor Society, Statesboro, Georgia, 1981 National Beta Club, Statesboro, Georgia, 1981

Previous Positions:

Chief Medical Officer, Proactive MD

2019 - 2023

Proactive MD partners with companies to provide their people with employer-sponsored onsite wellness centers, decreasing costs and making their healthcare benefits more efficient. As Chief Medical Officer, I work to bring alignment between employers, patients, and physicians and ensure their operational values are upheld: to improve health outcomes for patients, distribute medical resources more effectively, and reduce employers' overall healthcare expenditures.

Chief Medical Officer, Wellness for Life Medical

2008– 2019

Operates workplace medical clinics with a focus on keeping employees and their families healthy and out of the Hospital/Emergency Room, helping employees become better health consumers, and saving employers' money by reinventing how they pay for their employees' healthcare

Board of Directors, Indiana Rural Health Association

2012 – 2016, 2021 –2024

Not-for-profit corporation developed for the purpose of improving the health of all Indiana citizens in rural settings.

Healthcare Advisory Team, Congressman Todd Rokita

2012 – 2016

Work with Congressman Rokita and his legislative team on legislation pending before him; both in Committee and on the House Floor, and legislation that Mr. Rokita is considering sponsoring.

Director, Health Care Excel, Inc.

12/01/2011 to 03/01/2014

Milwaukee, WI

The Quality Improvement Organization (QIO) for the states of Indiana and Kentucky. The Centers for Medicare and Medicaid Services (CMS) priorities task the QIOs with implementing initiatives similar to those found in the Partnership for Patients Initiative, especially those aimed at the prevention of healthcare-associated infections. As a director, my primary role was to deliver presentations at various settings to engage hospital executive boards, C-Suites, physicians, nursing staff, and other hospital personnel to meet the CMS quality agenda.

Regional Medical Director

10/01/2009 to 11/01/2011

TeamHealth Midwest, Knoxville, TN

Oversight of Emergency Department contracts in the state of Indiana

TeamHealth is one of the largest publicly traded companies with a primary focus on staffing physicians in Emergency Departments across the nation.

Senior Vice President

10/01/2009 to 10/01/2011

TeamHealth, Inc., Knoxville, TN

Vice President of Quality

10/01/2007 to 10/01/2009 TeamHealth

Midsouth, Knoxville, TN

TeamHealth is one of the largest publicly traded companies with a primary focus on staffing physicians in Emergency Departments across the nation. As Vice President of Quality, my role was predominantly to focus on the quality of care delivered by our internal physicians and review cases to determine negligence.

Chief Medical Officer**11/01/2004 to 09/01/2011**

Terre Haute Regional Hospital, Terre Haute, IN

Terre Haute Regional Hospital, an HCA facility, is a 278-bed community-based medical center with comprehensive medical and surgical programs. HCA is the largest publicly traded for profit hospital system in the nation. As Chief Medical Officer, my role was specifically focused toward improving, overseeing and ensuring the maintenance of quality of care that was delivered across the patient population.

Assistant Medical Director**07/01/1997 to 08/01/2002**

Department of Emergency Medicine, Jennie Stuart Hospital, Hopkinsville, KY

JSMC Health is a private, not-for-profit health organization that comprises an acute-care hospital, Jennie Stuart Medical Center; free-standing medical imaging, outpatient surgery, laboratory and rehabilitation services; and an integrated physician network that includes an owned physician practice.

My role here included planning, directing and coordinating medical services that were provided in the Emergency Department, staffing and evaluation of activities, as well as ensuring clinical compliance and ethical practice.

Research:

1. June '97 Prospective evaluation of Chlamydia Infection in the Emergency Department
2. April '94 Clinic day, Oral presentation, "Gram-negative bacillary meningitis", a retrospective 13-year case study
3. Oct. '93 ACP 15th Annual meeting, "Legionella Pneumonia treated with ciprofloxacin"
4. April '93 ACOEM (American College of Occupational & Environmental Medicine) Annual meeting, Atlanta, Oral presentation "Ammonia exposure leading to Asthma"
5. May '92 ACP 14th Annual Associates' meeting, Michigan chapter, Oral presentation "Rhabdomyosarcoma"
6. '88 – '89 "Assessment of Nutritional Needs for the Preschool Age Group": a project conducted at Kiwara, India

Education:**November 2011**
